Completing the Form

Part I Qualifications

To be eligible for the tax credit, the answer to questions 1 **and** 2 must be yes. If the answer to question 1 or 2 is no, the taxpayer is not entitled to the Film and Digital Media Tax Credit.

Enter the certificate number, individual or entity name, and FID number or Social Security number as shown on the tax credit or credit transfer certificate issued by the New Jersey Division of Taxation.

Part II Calculation of the Allowable Credit Amount and Carryover

The amount of this credit cannot exceed an amount that would reduce the total tax liability below zero.

Line 4 – Enter the amount of the approved Film and Digital Media Tax Credit that is applied to the period covered by the New Jersey Gross Income Tax return. The taxpayer must apply the tax credit to the tax credit vintage year. The tax credit vintage year is the tax year in which the NJEDA approves the application. Do not include on this line any tax credit carried forward from a prior tax year.

Note: If the **full** amount of the credit claimed for the current tax year is being carried forward from a previous tax year, enter zero on line 4.

Line 9 – List the name and amount of any other tax credits taken for the current tax year but not shown on the NJ-1040, NJ-1040NR, or NJ-1041 (e.g., New Jersey Angel Investor Tax Credit). Additional credits taken can be entered on a separate sheet and attached to this form.

The amount of the tax credit not applied to the current tax year due to the applicable limitations can be carried over to the seven tax years following the original tax year for which the credit was allowed.
