NEW JERSEY STATISTICS OF INCOME
2012 Income Tax Returns: Tax Filing Date April 15, 2013

INTRODUCTION

This report contains individual gross income tax data for Tax Year 2012, complete through August, 2014. The statistics were based on the New Jersey Division of Taxation's Gross Income Tax file for Tax Year 2012. It contains records of the tax transactions of more than 4.6 million individual gross income tax accounts.

The report includes data on resident, non-resident, and fiduciary taxpayers. The total number of individual tax returns increased by 159.6 thousand or 3.5% to 4,615.9 thousand. Total gross income increased \$83.9 billion, or 15.2%, from \$469.1 billion to \$553.0 billion. This includes a \$58.7 billion dollar gain in nonresident all-source gross income. Net charged tax increased \$1,422.2 million, or 12.3% to \$11,523.8 million.

In tax year 2012 the minimum filing threshold for married filing jointly, household heads and surviving spouses was \$20,000. It was \$10,000 for married filing separately and single filers. If the taxpayer's gross income was \$100,000 or less, the amount of retirement income that can be excluded from gross income was \$20,000 for joint filers, \$10,000 for married filing separately filers, and \$15,000 for individual filers.

The Property Tax Deduction/Credit program allows homeowners and tenants to deduct property taxes they paid on their principal residence. The maximum level is \$10,000, regardless of the homeowner's gross income level. In 2009, the temporary tax increase measures required the deduction to be means tested. If the filer reported at most \$150,000 in New Jersey Gross income, the ceiling remained at \$10,000. The ceiling fell to \$5,000 for returns reporting between \$150,000 and \$250,000. Filers reporting over \$250,000 were not eligible for the deduction. In 2012, the deduction or credit saved 2,271.8 thousand taxpayers \$590.0 million in tax liabilities. In 2011, the program generated a tax savings of \$531.7 million for 2,231.9 thousand taxpayers. The Earned Income Credit has been 20% of the Federal credit since 2010. The recipient cannot report more than \$20,000 in New Jersey Gross Income. In 2012, 524.4 thousand returns claimed the credit for a total liabilities reduction \$229.2 million.

Two definitional changes were made in 2009: a change with respect to return taxability and the income brackets. A return was classified as taxable if positive net payments were observed. Net charged tax is defined as schedule tax less nonrefundable- and refundable credits. Net payments are defined as the sum of withholdings, estimated payments, final payments less refunds and credit requests. In theory, these two quantities are equal for a given return. For example, the 2008 data indicate that under the previous classification 2,753.9 thousand full-year resident returns were taxable. Under the current classification, 2,769.2 thousand returns are taxable. In 2012, there were 2,730.3 thousand returns classified as taxable. In 2011, there were 2,706.8 thousand taxable returns. The Division of Taxation's definition of taxability is: if gross income is less than the filing threshold, liabilities are zeroed-out and any payments and refundable credits are returned. Secondly, the income brackets were changed to those used by the Internal Revenue Service in its Statistics of Income publications.

Full Year Resident Filers

In order to provide consistency across years for the maximum amount of data, most of the information in this report deals with tax returns filed by those who were residents of New Jersey for all of 2012. The number of these taxpayers increased by 48.0 thousand (1.2%) from a 2011 level of 3,964.2 thousand. Total gross income increased by 6.2% to \$325.2 billion, and tax liabilities increased by 11.9% to \$10,015.4 million. Total taxes paid by taxpayers with gross incomes under \$100,000 rose by 2.1% to \$1,252.8 million from \$1,227.4 million. Total taxes paid by taxpayers with incomes between \$100,000 and \$500,000 increased by 5.0% to \$4,485.3 million. Total taxes paid by taxpayers reporting at least

\$500,000 increased by 28.8% to \$4,277.3 million. In total net liabilities rose by \$1,195.2 million, or 13.6%.

Wage income increased by 3.5% to \$239.6 billion between 2011 and 2012. Net profits from business and distributive shares of partnership income increased at respective rates of 4.3% and 22.6%. Income from Subchapter-S Corporations rose 10.9% and net capital gains income increased by 51.9%. Interest decreased by 13.1% and dividend income increased by 26.9%.

Income has continued the trend toward increased concentration among higher income returns relative to middle- and lower income returns. Table I.1 presents a picture of growth patterns over the 2010, 2011 and 2012 return years. Returns, gross income, and net charged tax are presented by gross income percentile. The gross income percentiles for full-year residents can be found in Table F.

Full-year resident returns filed increased by 48.0 thousand returns between 2011 and 2012. Differences by gross income percentile group indicate the lower 40 percent of returns increased filings by 32.3 thousand (upper center panel). This amounts to 64.6% of total return growth (right-most panel). The distribution of growth shares indicates this group made the largest contribution. The 40th-to-75th percentile group posted a share increase of 28.9% of the total. The top one percent group (gross income of at least \$599,097) added a negligible 100 returns. The 75th to-99th percentile group (\$88,819 to \$599,097) accounted for 2.0% of return growth with a gain of about 1,000 returns. Filing activity seems to have been concentrated in the bottom three-quarters of the return distribution.

Full-year resident returns in thousands; amounts in millions.

Differences distribution based on absolute values of year-to-year changes.

Gross income percentiles are shown in Table

Gross income and net charged tax vary in an opposite manner: growth accrues to higher income levels. Gross income increased by \$20.1 billion from 305.1 billion in 2011, or 6.6%; net charged tax rose by almost \$1.2 billion, or 13.6%. These developments tend to be concentrated at the top end of the return distribution. 83.2% of the change in gross income was realized by the top quartile of returns between 2011 and 2012. The same group realized almost 90.0% of the growth in 2011. The top one percent, whose lower bound is almost \$600,000 accounted for 50.1% of the observed growth between 2011 and 2012. This group accounted for almost one-fifth of the net growth in gross income in the 2010 to 2011 period. In fact, the top one-tenth of the return distribution typically reported gross incomes in of almost \$2.7 million and declared 27.5% of the net increase in gross income. A tendency to increased concentration of income at the very high-end of the return distribution is observed.

Changes in the distribution of net liabilities are reflected by growth patterns in the income tax base: 95.4% of the \$326.6 million increase in net charged tax was incurred by the top quartile of returns in between 2010 and 2011. This share fell to 93.4% in the 2011 to 2012 period. This pattern is reversed when the top 1% of returns is examined: in 2012 this share increased to 67.9% of the growth in net charged tax; in 2011, this group's liabilities growth share was 25.2%. The top one-tenth percent of returns increased its share of liability growth to 38.9%. In contrast, the bottom 75 percent of returns were responsible for 6.6% of the growth in net liabilities. The tendency for the highest income segments of the return distribution to realize a greater share of liability growth relative to income growth is rooted in the high degree of progressivity in the Gross Income Tax. On average, exemptions and deductions (excluding the property tax deduction) comprise 9.5 percent of gross income. This share falls to 5.1 percent of gross income for the top one percent of returns and further decreases to 0.5% for the top one-tenth percent of returns. Moving up the income scale demonstrates the reduced ability of exemptions and deductions to reduce taxable income and tax liabilities.

The other important source of growth is income, itself. In addition to the structure of the tax, changes in the mix of components and their distribution also determine growth and distribution. Table I.2, shown on the next page, presents total income growth that is disaggregated by component and income group for the 2012 and 2011 return years. Employee compensation accounted for 39% of the absolute growth in total income between 2011 and 2012. Wage income decreased in importance from 71.5 percent during the 2010 to 2011 period. This is probably related to the 45.3 percent growth share experienced by most of the upper quartile in the 2010 to 2011 period. This was followed by unincorporated business income (26.7% in 2011 to 2012) versus a 9.9 percent growth share between 2010 and 2011. The top one-tenth percentile of the return distribution accounted for almost one-half (12.9%) of the observed growth in UBI. A slightly smaller growth share (12.6%) was realized by the remainder of the upper quartile. Capital gains contributed 17.9 percent of the total income growth share. The upper quartile captured most of this increase: 17.4 percent of the observed growth share, with the top one-tenth taking over one-half of this (9.1%). Miscellaneous income had almost the same contribution to growth in 2011 to 2012: 10.2% versus 8.8 percent in 2010 to 2011. Most of the growth is probably concentrated in retirement income, given the aging of the population. Interest and dividends fell in importance in 2012 from 7.1 percent of total income growth to 6.3%. This probably reflects the impact of added monetary easing programs conducted by the Federal Reserve System in 2012.

The bottom three-quarters of returns also experienced some recovery as their realized total income share growth increased to 18.3 percent from 15.4%. Growth of wage income of this group accounted for 13.4 percent of total income growth. However, the role of interest and dividends trailed-off significantly from 5.4 percent in 2010 to 2011 to 0.7 percent in 2011 to 2012. In general, the top quartile seemed to benefit the most from the continuing economic recovery: it captured over 80 percent of the growth in total income. The top one-tenth of the distribution captured over one-quarter of the growth in total income and the rest of the upper quartile realized almost one-third of the increase in total income.

APPENDIX

EXPLANATION OF TERMS, DATA SOURCES & LIMITATIONS

New Jersey Resident Return is a return filed by a resident of New Jersey, defined in the New Jersey Gross Income Tax Act as:

Resident Taxpayer means an individual:

- 1. Who is domiciled in this State, unless he maintains no permanent place of abode in this State; maintains a permanent place of abode elsewhere, and spends in the aggregate no more than 30 days of the taxable year in this State; or
- Who is not domiciled in this State but maintains a permanent place of abode in this State and spends more than 183 days of the taxable year in this State, unless such individual is in the Armed Forces of the United States.

<u>Full-year Return</u> is a return covering the applicable tax year. All returns in this report, outside the summaries, are full year New Jersey Resident returns.

Part-Year Resident Return is a resident return other than full year.

New Jersey Total Income is the sum of the following four income types:

<u>Employee Compensation</u> is salaries, wages, tips, fees, commissions, bonuses and other remunerations received for services rendered whether in cash or in property.

<u>Interest</u> is all interest received except that on obligations issued by New Jersey or any political subdivision or instrumentality thereof, or obligations which are free from State or local taxation under New Jersey law or Federal law.

<u>Dividends</u> mean any distribution of earnings or profits by a business.

Other Income is income of the following types:

- (1) Net Profits from business.
- (2) Income from distribution of property (except as exempted).
- (3) Pension and annuity income except as exempted, to the extent proceeds exceed taxpayer contributions.
- (4) Income from rents, royalties, patents, and copyrights.
- (5) Gambling winnings.

- (6) Income from estates or trusts.
- (7) Income in respect of a decedent.
- (8) Distributive share of partnership income.
- (9) Alimony and separate maintenance (for the payee) but no child support payments.
- (10) Rental value of a residence furnished by an employer or rental allowance paid by an employer to provide a home.
- (11) Prizes and awards, except: scholarship and fellowship grants and New Jersey Lottery winnings.

Retirement Exclusion is allowed to taxpayers having at most \$100,000 gross income who are eligible for Social Security by reason of age (62 or more) or disability. It is of the following types.

- (1) Pension exclusion eligible taxpayers are entitled to exclude the following amounts of pension from New Jersey Gross Income:
 - (a) Up to \$20,000 on a joint return
 - (b) Up to \$10,000 if married filing separately
 - (c) Up to \$15,000 if single, head of household, or qualifying widow(er).
- (2) An additional exclusion eligible taxpayers having less than \$3,000 income from employee compensation, net profit from business and distributive share of partnership income are entitled to exempt additional income. The total exemption for (1) and (2) can be no more than the maximum amount mentioned in (1) for the appropriate filing status.
- (3) Extra exclusions eligible taxpayers not receiving Social Security or Railroad Retirement benefits who would be receiving such if they were enrolled in the system and were the proper age are allowed an extra \$3,000 exemption from New Jersey Gross Income. (\$6,000 if married filing jointly.)

<u>Excess Retirement Exclusion</u> is the amount by which retirement exclusion exceeds Total Income. It is a balancing entry.

New Jersey Gross Income is New Jersey Total Income minus Retirement Exclusion, but not less than zero.

Exemptions Allowed are:

- (1) Regular Exemption for each taxpayer and one for the taxpayer's spouse who does not file separately.
- (2) <u>Age Exemption</u> for a taxpayer who is 65 years old or older and/or one for taxpayer's spouse who is 65 years old or older and who does not file separately.

- (3) Qualified conservation contribution is allowed for taxpayers who donate interests in land given to the state for conservation purposes and is the amount of the qualified conservation contribution for federal purposes.
- (4) Excess exempt deduct is the amount by which a taxpayer's exemption allowances and deductions exceed that taxpayer's gross income. It is a balancing entry generated only in this report. Taxable returns with excess exempt deduct had entered liability less than rounded tolerance.
- (5) Residential Property Tax Deduction is the amount of allowable residential property tax deducted from New Jersey Taxable Income by a homeowner or 18% of a tenant's rent paid in this state (up to a \$10,000 maximum).
- (6) <u>Health Enterprise Zone deduction</u> is the amount allowed for eligible taxpayers engaged in providing "primary care" medical and/or dental services at a qualified practice located in or within five miles of a designated Health Enterprise Zone (HEZ).

<u>Taxable Income</u> is the difference between Gross Income and the sum of exemption allowances and deductions.

<u>Minimum Income</u> a single taxpayer or a married taxpayer filing separately with gross income not in excess of \$10,000 will not be subject to tax. A married couple filing jointly, a head of household, or a qualifying widow(er) with gross income not in excess of \$20,000 will not be subject to tax.

<u>Tax before credits</u> is calculated tax liability before reduction by applicable credits for taxes paid to other jurisdictions and property taxes paid.

Residential Property Tax Credit is the amount of allowable credit for residential property owners or tenants who pay property tax in this state but who do not have enough taxable income to benefit from the deduction.

Other credit is credit against this tax allowed for the amount of any income or wage tax imposed by another State, or political subdivision thereof, or by the District of

Columbia, on income subject to this tax.

New Jersey Earned Income Tax Credit is 20% of the Federal Earned Income Tax Credit. It's available only to taxpayers with dependents who have NJ Gross Incomes of \$20,000 or less.

<u>Tax after credits</u> is tax minus credits, but no less than zero.

<u>Variance</u> is rounding error small enough to be allowed by the audit.

<u>Charged Tax</u> is billed tax liability before refundable credit

Net Charged Tax is actual billed tax liability.

Taxes withheld come from the W-2 forms enclosed with returns.

Estimated payments are paid with declarations of estimated tax.

<u>Balance Due</u> returns are returns for which tax after credits exceeds the sum of taxes withheld, credit approved carryforward, and estimated payments.

Overpayment returns are returns for which withholdings, credits, and estimated payments exceed tax after credits.

<u>Gubernatorial Election Fund:</u> taxpayers could designate \$1 of their tax liability (\$2.00 on a joint return) to be applied to the Gubernatorial Election Fund.

<u>Cash payments</u> was indicated when a payment was sent either with the return or after the return.

Refund was indicated only when a refund was sent by the State to the taxpayer.

<u>Credit approved</u> is the amount of overpayment the taxpayer wished to be credited against the next year's tax.

<u>Accounts Receivable</u> is indicated when the taxpayer has not paid the total tax liability.

<u>Accounts Payable</u> is indicated when the taxpayer's overpayment exceeds the sum of credit approved and refund.

<u>Taxable and Nontaxable Returns:</u> taxability or non-taxability was determined by the presence or absence of a charged tax.

Returns with at Least One Aged 65+: those for which at least one exemption for age was taken.

<u>Married Taxpayers and Single Taxpayers:</u> is determined by the filing Status.

DATA SOURCES

Data in this report were based on the Division of Taxation Gross Income Tax File for return year 2012, which contained records of the tax transactions of individual income taxpayers. This Individual Master File reflected any correction made during revenue processing or any taxpayer or Division of Taxation initiated changes made prior to August 20, 2014, 2012 when the computer file used for this report was created.

DATA LIMITATIONS

The accuracy of the data was affected by any taxpayer reporting errors, as well as any errors introduced in processing the data even though efforts were made throughout the revenue processing system to eliminate such errors.

A preliminary check of the tax return data was performed by tax examiners prior to transcribing the return to computer tape. For instance, if the taxpayer forgot to enter on the return total wages shown on Form W-2, the tax examiner entered this figure onto the return.

After a return record was first transcribed and entered onto tape, but before it was posted to the Individual Master File (IMF), it was subjected to validity and mathematical verification tests. The validity tests were a series of checks on the internal consistency of the return records. As examples, if an amount was shown for refund, but none for withholding; if tax withholding was greater than total wages; or if the number of exemptions claimed was inconsistent with the marital status or number of taxpayer names shown--then the return record was considered invalid and was read out for comparison with the return and correction.

If it could not be corrected, correspondence with the taxpayer was initiated. Once the discrepancy was resolved, the corrected data was entered onto the IMF.

Mathematical verification involved a re-computation of tax liability in order to verify balance due or refund requested on the basis of the income, marital status, deduction, and exemption data given by the taxpayer. If the recomputed tax liability differed from that indicated on the return record, the record was also read out for correction or for correspondence with the taxpayer. Corrections made by the tax examiners during examination of the return or as a result of the validity or mathematical verification test are reflected in the tabulations.

Alternative Business Calculation Adjustment

Beginning with tax year 2012, taxpayers who have losses in certain business-related categories of income can utilize those losses to calculate an adjustment to their taxable income ("Alternative Business Calculation Adjustment"). In addition, taxpayers can carry forward unused losses in those categories for a period of 20 years to calculate future adjustments.

Income/losses in the following four categories are included in the calculation of the adjustment: net profits from business; net gains or net income from rents, royalties, patents, and copyrights; distributive share of partnership income; and net pro rata share of S corporation income. Taxpayers with income and/or losses in any of these categories must complete two new return schedules: Schedule NJ-BUS-1, Business Income Summary Schedule, and Schedule NJ-BUS-2, Alternative Business Calculation Adjustment, to calculate the amount of their adjustment or loss carryforward. The percentage used to calculate the adjustment is being phased in over five years. The percentage will increase from 10 percent for tax year 2012 to 50 percent for tax year 2016 and after.

Note: The Alternative Business Calculation Adjustment does not change the way income is reported on the New Jersey income tax return. A net loss in any category of income cannot be reported as such on Form NJ-1040. When reporting income on the return, a net loss in one category of income cannot be applied against income or gains in another, and no carryback or carryforward of losses is allowed.

Use Tax

When you purchase taxable items or services to be used in New Jersey but do not pay sales tax, or you paid sales tax to another state at a rate less than New Jersey's rate of 7%, you owe use tax. Complete Worksheet G on page 36 to determine the amount to report on Line 45, Use Tax Due on Internet, Mail-Order, or Other Out-of-State Purchases.

Homestead Benefit Program

Homeowners. If you were a New Jersey resident who owned and occupied a home in New Jersey that was your principal residence on October 1, 2012, you may be eligible for a homestead benefit provided the 2012 property taxes were paid and you meet certain income limits. *The homestead benefit application for homeowners is not contained in this booklet.* Information about the 2012 homestead benefit will be posted on the Division's Web site (www.state.nj.us/treasury/taxation/) as it becomes available. Or you can call 1-888-238-1233.

Tenants. There is no tenant rebate application available for 2012 since tenant rebates for 2009, 2010, and 2011 were suspended by the State Budget.

Consider Filing Electronically

If you normally compute your taxes the old fashioned pen-and-paper way, why not consider taking advantage of one of the State's electronic filing options this year? Taxpayers who file electronically receive their refunds quicker than those who file paper returns. Plus, you can request that your refund check be deposited directly into your bank account so you'll have access to your money that much faster! Owe us money? You can pay what you owe by electronic check (e-check) or by credit card. Electronic filing is fast. It's secure. It's easy. Best of all, it saves you time, money, and headaches! Check the chart on the next page to see if you qualify to use NJ FastFile and which filing option will work best for you.

It's Fast, Secure & PAPER-FREE!

In most cases, if you were a full-year New Jersey resident in 2012, there's an NJ FastFile option for you. You'll get your refund faster when you file electronically, and you can choose direct deposit for your refund. Check the chart below to see which NJ FastFile option is best for you, then visit **www.njfastfile.com** or call 1-800-323-4400.

Note: The chart below is an overview of the eligibility criteria for filing electronically. For specific eligibility guidelines for NJ WebFile, review the information on our Web site at: www.state.nj.us/treasury/taxation/pcfile/eligibility.shtml

FILING INFORMATION

- Your filing status and gross income determine whether you have to file a tax return.
- Age is not a factor in determining whether a person must file. Even minors (including students) and senior citizens must file if they meet the income filing requirements.
- *Gross income* means taxable income after exclusions but before personal exemptions and deductions are subtracted. It does not include nontaxable benefits. See page 19 to find out which types of income are not taxable.
- Members of the Armed Forces (and their spouses) see page 9 for additional information.

Use the following chart to determine whether you must file a tax return. This chart is a guide only and may not cover every situation. If you need assistance, contact the Division's Customer Service Center (609-292-6400).

Who Must File [†] You must file a New Jersey income tax return if— Your residency status is:	your filing status is:	and your gross income from everywhere was more than:
Full-Year Resident — File Form NJ-1040 (Resident Return) as a full-year resident if: New Jersey was your domicile (permanent legal residence) for the entire year;	Single Married/CU partner, filing separate return	\$10,000 (from all sources)
• New Jersey was not your domicile, but you maintained a permanent* home in New Jersey for the entire year and you spent more than 183 days in New Jersey. (Members of the Armed Forces stationed here and their spouses/civil union partners who are not domiciled in New Jersey are not residents under this definition.)	Married/CU couple, filing joint return Head of household Qualifying widow(er)/ surviving CU partner	\$20,000 (from all sources)
Part-Year Resident — File Form NJ-1040 (Resident Return) as a part-year resident if: You met the definition of resident for only part of the year.	Single Married/CU partner, filing separate return	\$10,000 from all sources (for the entire year)
Note: Both part-year resident (Form NJ-1040) and part-year nonresident (Form NJ-1040NR) returns may have to be filed when a part-year resident receives income from New Jersey sources during the period of nonresidence.	Married/CU couple, filing joint return Head of household Qualifying widow(er)/ surviving CU partner	\$20,000 from all sources (for the entire year)
Nonresident — File Form NJ-1040NR (Nonresident Return) as a nonresident if: New Jersey was not your domicile, and you spent 183 days or less here; or	Single Married/CU partner, filing separate return	\$10,000 (from all sources)
New Jersey was not your domicile, you spent more than 183 days here, but you did not maintain a <i>permanent*</i> home here. You may also be considered a nonresident for New Jersey income tax purposes if you were domiciled in New Jersey and you met all three of	Married/CU couple, filing joint return Head of household Qualifying widow(er)/	\$20,000 (from all sources)
the following conditions for the entire year: • You did not maintain a <i>permanent</i> home in New Jersey; and • You did maintain a <i>permanent</i> home outside of New Jersey; and • You did not spend more than 30 days in New Jersey.	surviving CU partner	

^{*} A home (whether inside or outside of New Jersey) is not permanent if it is maintained only during a temporary or limited period for the accomplishment of a particular purpose. Likewise, a home used only for vacations is not a permanent home.

†You Also Need to File a Return if:

- ♦ You had New Jersey income tax withheld and are due a refund.
- ♦ You paid New Jersey estimated taxes for 2012 and are due a refund.
- You are eligible for a New Jersey earned income tax credit or other credit and are due a refund.

Other Filing Information

Domicile. A domicile is any place you regard as your permanent home—the place to which you intend to return after a period of absence (as on vacation abroad, business assignment, educational leave, etc.). A person has only one domicile, although he or she may have more than one place to live. Once established, your domicile continues until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey.

A place of abode, whether inside or outside of New Jersey, is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose (e.g., temporary job assignment). If New Jersey is your domicile, you will be considered a resident for New Jersey tax purposes *unless* you meet all three conditions for nonresident status (see "Who Must File" on page 6). Likewise, if New Jersey is not your domicile, you will only be considered a New Jersey resident if you maintain a permanent home and spend more than 183 days here.

New Jersey Residents Working/Living **Abroad.** If New Jersey is your domicile and you are considered a New Jersey resident for tax purposes (see "Who Must File" on page 6), you are subject to tax on income from all sources (worldwide income) regardless of where you are living. New Jersey resident individuals living abroad are subject to the same income tax filing and payment requirements, including the requirement to make estimated tax payments (see "Estimated Tax" on page 13), that apply to individuals living in New Jersey. New Jersey residents who have income from abroad are not eligible to claim a credit for taxes paid to other jurisdictions for taxes paid on such income to Canada, Puerto Rico, or any foreign country or territory. See page 41.

AVOIDING COMMON MISTAKES

Check the following items to avoid delays in processing returns and refunds.

- ✓ **Use the correct form.** Form NJ-1040 should be used by part-year residents as well as full-year residents. Use only a 2012 return for the 2012 tax year.
- ✓ **Read the instruction booklet** before completing the return.
- ✓ Use only blue or black ink when completing forms.
- ✓ Enter all numbers within the boxes. Do not use dollar signs or dashes.
- ✓ You may not report a loss on Form NJ-1040. Make no entry on lines where the amount to be reported is zero or less, *except* for Line 45, Use Tax Due on Internet, Mail-Order, or Other Out-of-State Purchases. If no use tax is owed, enter "0.00" on Line 45.
- Make no entry on unused lines.
- ✓ When rounding, enter zeros after the decimal point for cents.
- ✓ Check name, address, social security number, and county/municipality code for accuracy.
- ✓ Enter last name first when writing information on the tax return. This requirement differs from the Federal return.
- ✓ **Fill in only one oval** for your filing status.
- ✓ Use "State wages" figure(s) from Box 16 of your W-2(s), NOT Federal wages figure(s). If you received wages from sources outside New Jersey, this figure may need to be adjusted to reflect New Jersey tax law.
- ✓ Enclose all W-2(s) with your return. Also enclose 1099-R(s) and 1099-MISC(s) that indicate NJ withholdings.
- ✓ **Locate the correct column** for your filing status in the Tax Table when calculating your New Jersey tax liability on Line 39.
- ✓ **Request a refund** by completing Line 66.
- ✓ Check your math.
- ✓ **Sign and date your return.** Both spouses/civil union partners must sign a joint return.
- ✓ Enclose a copy of death certificate and fill in oval below signature line if refund is due and you want check to be issued in name of surviving spouse or estate. See page 12.
- ✓ Send only one return or property tax credit application per envelope.
- ✓ **Keep a copy of your return** and all supporting documents or schedules.
- ✓ **Changes or mistakes** to your original return may be corrected by filing an amended return. See page 13.

Guidelines for Part-Year Residents

Filing Requirements. Any person who became a resident of this State or moved out of this State during the year is subject to New Jersey income tax for that portion of the income received while a resident of New Jersey. Part-year residents must file a resident return and prorate all exemptions, deductions, and credits, as well as the pension and other retirement income exclusions, to reflect the period covered by the return. A person who receives income from a New Jersey

source while a nonresident must file a New Jersey nonresident return.

If you were a New Jersey resident for only part of the taxable year, you are subject to the tax if your income for the entire year exceeds \$20,000 (\$10,000 if filing status is single or married/CU partner, filing separate return), even though the income reported for your period of residence was below these thresholds. If the income received during the entire year was \$20,000 or less (\$10,000 if filing status is single or married/CU partner, filing separate return), you must

Part-Year Residents - continued

enclose a copy of your Federal income tax return or a statement to that effect if you did not file a Federal return.

Note: If you derived any income from New Jersey sources during your period of nonresidence, it may also be necessary to file a New Jersey nonresident return. Any withholdings should be allocated between the resident and nonresident returns. For more information, see Form NJ-1040NR, New Jersey nonresident return and instructions.

Line 14 - Wages. You must determine from each W-2 you receive the portion of your "State wages, tips, etc." that you earned while you were a New Jersey resident. If your W-2 indicates only wages earned while you were a New Jersey resident, use the amount from the "State wages, tips, etc." box. If your employer did not separate your resident and non-resident wages on the W-2, you must prorate the "State wages, tips, etc." amount for the period of time you lived in New Jersey. Add the amounts reportable for the period of New Jersey residency and place the total on Line 14.

Do not include any W-2(s) where the total W-2 income was derived from out-of-State sources during your period of nonresidence.

Other Income. For interest, dividends, pensions, and other income, include on your return only those amounts received while a resident of New Jersey. Part-year resident partners and, in general, S corporation shareholders must prorate the entity's income based on the number of days in the entity's fiscal year that you were a resident divided by 365 (366 for leap years). Partners and shareholders should see Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, Income From S Corporations, for instructions on reporting distributive share of partnership income and net pro rata share of S corporation income.

Line 27a - Pension Exclusion. If you were a New Jersey resident for only part of the taxable year and had total income for the *entire year* of \$100,000 or less before subtracting any pension exclusion, you may qualify for a pension exclusion if you meet the other eligibility requirements. If you qualify, prorate the exclusion by the number of months you were a New Jersey resident. For this calculation 15 days or more is a month.

Line 27b - Other Retirement Income Exclusion. If you (and/or your spouse/ civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year, you may qualify to exclude

other income on Line 27b. There are two parts to the total exclusion: Part I, the unclaimed portion of your prorated pension exclusion, and Part II, a special exclusion for taxpayers who are unable to receive Social Security or Railroad Retirement benefits. **Do not complete Worksheet D** on page 27 to calculate the total exclusion amount you are eligible to claim. Instead, calculate your total exclusion as follows:

Part I. Total the earned income (wages, net profits from business, partnership income, and S corporation income) you received for the *entire year*. If your earned income for the entire year was \$3,000 or less and you did not use your entire *prorated* pension exclusion at Line 27a, you may be able to use the unclaimed pension exclusion at Line 27b provided total income for the entire year before subtracting any pension exclusion was \$100,000 or less.

Part II. If you are unable to receive Social Security or Railroad Retirement benefits, but would have been eligible for benefits had you fully participated in either program, you may also be eligible for an additional exclusion, whether or not you used all of your *prorated* pension exclusion on Line 27a.

For more information see Tax Topic Bulletin GIT-6, *Part-Year Residents*.

Line 29 - Total Exemption Amount.

Your total exemptions must be prorated based upon the number of months you were a New Jersey resident. For this calculation 15 days or more is a month.

Total Exemptions $\times \frac{\text{Mos. NJ Resident}}{12}$ = Line 29

See the instructions for Line 29 on page 28 to calculate the "total exemption amount" to be prorated.

Lines 30, 31, 32, 33, and 34 - Deductions. You may deduct medical expenses, qualified Archer medical savings account (MSA) contributions, health insurance costs of the self-employed, alimony and separate maintenance payments, and qualified conservation contributions based on the actual amounts paid for the period of time you lived in New Jersey.

TAXPAYERS' BILL OF RIGHTS

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers—individuals and businesses alike—are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:

Service—

- Division must respond to taxpayers' questions within a reasonable time period.
- Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.

Appeals—

• Time to appeal to the Tax Court is generally 90 days.

Interest on Refunds-

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You may request that your overpayment of this year's tax be credited towards next year's tax liability, however, interest will not be paid on overpayments that are credited forward.

For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, see our publication ANJ-1, *New Jersey Taxpayers' Bill of Rights*.

Part-Year Residents - continued

Use Worksheet E on page 29 to determine the medical expense deduction. In addition, eligible taxpayers may qualify for a prorated Health Enterprise Zone (HEZ) deduction. Taxpayers with business losses may also be eligible for an alternative business calculation adjustment based on the business income (losses) reported during their period of residence.

Line 37c - Property Tax Deduction. You may also be eligible to claim a deduction for property taxes you paid, or rent constituting property taxes (18% of rent due and paid) during your period of residency. When you do the calculation to determine whether the deduction or credit is better for you, prorate the minimum tax benefit of \$50 (\$25 if you and your spouse/civil union partner file separate returns but maintain the same principal residence) based on the number of months you occupied your New Jersey residence. For this calculation 15 days or more is a month. Use this prorated figure instead of the \$50 figure (\$25 if you and your spouse/ civil union partner file separate returns but maintain the same principal residence) at line 8, Worksheet F or line 5, Worksheet I.

Line 49 - Property Tax Credit. You must prorate the amount of any property tax credit on Line 49 based on the number of months you occupied your qualified New Jersey residence. For this calculation 15 days or more is a month.

Line 51 - New Jersey Earned Income Tax Credit. If you are eligible and filed for a Federal earned income credit, you may also qualify for a New Jersey earned income tax credit. The amount of your credit must be prorated based upon the number of months you were a New Jersey resident. For this calculation 15 days or more is a month

For more information, see Tax Topic Bulletin GIT-6, Part-Year Residents.

Guidelines for Military Personnel

Residents. A member of the Armed Forces whose home of record (domicile) is New Jersey when entering the service

remains a resident of New Jersey for income tax purposes, and must file a resident return even if assigned to duty in another state or country, unless he or she qualifies for nonresident status (see chart on page 6). If you are a New Jersey resident, you are subject to tax on all your income, including your military pay, regardless of where it is earned, unless the income is specifically exempt from tax under New Jersey law. Mustering-out payments, subsistence and housing allowances are exempt.

TAX TIP Military pensions are exempt from New Jersey gross income tax, regard-

less of your age or disability status. See instructions for Line 19 on page 21.

A member of the Armed Forces whose home of record is New Jersey and who is stationed outside the State (whether living aboard ship, in barracks, billets, apartment, or house) and does not intend to remain outside New Jersey, continues to be a resident and must file a resident return and report all taxable income. However, if a serviceperson pays for and maintains facilities such as an apartment or a home outside of New Jersey, either by out-ofpocket payments or forfeiture of quarters allowance, such facilities will constitute a permanent home outside of New Jersey. In this case, the serviceperson is not considered a New Jersey resident for tax purposes.

Nonresidents. A member of the Armed Forces whose home of record (domicile) is outside of New Jersey does not become a New Jersey resident when assigned to duty in this State. A nonresident serviceperson's military pay is not subject to New Jersey income tax and he or she is not required to file a New Jersey return unless he or she has received income from New Jersey sources other than military pay. Mustering-out payments, subsistence and housing allowances are also exempt. A nonresident serviceperson who has income from New Jersey sources such as a civilian job in off-duty hours, income or gain from property located in New Jersey, or income from a business, trade, or profession carried on in this

State must file a New Jersey nonresident return, Form NJ-1040NR.

If your permanent home (domicile) was New Jersey when you entered the military, but you have changed your state of domicile or you satisfy the conditions for nonresident status (see chart on page 6), then your military pay is not subject to New Jersey income tax. File Form DD-2058-1 or DD-2058-2 with your finance officer to stop future withholding of New Jersey income tax. If New Jersey income tax was erroneously withheld from your military pay, you must file a nonresident return (Form NJ-1040NR) to obtain a refund of the tax withheld. For more information, see the nonresident return instructions.

TAX TIP Spouses/Civil Union **Partners of Military**

Personnel. Under the Federal Military Spouses Residency Relief Act (P.L. 111-97), a military servicemember's nonmilitary spouse/civil union partner is allowed to keep a tax domicile while moving from state to state, as long as he or she moves into a state to be with a spouse/civil union partner who is in the state on military orders. Nonmilitary spouses/civil union partners (of military personnel) who were not domiciled in New Jersey when they married the military spouse or entered into the civil union are not considered residents of New Jersey if:

- The principal reason for moving to this State was the transfer of the military spouse/civil union partner; and
- The nonmilitary spouse/civil union partner maintains a domicile in another state; and
- The nonmilitary spouse/civil union partner intends to leave New Jersey when the military spouse/civil union partner is transferred or leaves the service.

Under the Military Spouses Residency Relief Act, a nonmilitary spouse/civil union partner who meets these requirements is not subject to New Jersey gross income tax on income (wages) earned from services performed in this State.

Military Personnel - continued

If you are a nonmilitary spouse/civil union partner whose wages are exempt from New Jersey gross income tax, file Form NJ-165, Employee's Certificate of Nonresidence in New Jersey, with your employer to stop future withholding of New Jersey income tax. You must notify your employer if conditions for the withholding exemption no longer apply. If New Jersey income tax was withheld or estimated payments were made in error, you must file a nonresident return (Form NJ-1040NR) to obtain a refund.

The Military Spouses Residency Relief Act applies only to income (wages) from services performed by a nonresident civilian spouse/civil union partner of a servicemember. Nonresident civilian spouses/civil union partners are subject to New Jersey gross income tax on all other types of income earned from New Jersey sources (e.g., income from a business carried on in this State, gain from sale of property located in New Jersey) and must file a New Jersey nonresident return if required. See "Who Must File" on page 6. Wages earned in New Jersey by a nonresident civilian spouse/civil union partner who lives outside the State are also subject to New Jersey gross income tax. A nonresident civilian spouse/ civil union partner who lives outside New Jersey may not use Form NJ-165 to claim an exemption from New Jersey gross income tax withholding on wages earned in this State as the nonmilitary spouse/civil union partner of a servicemember.

New Jersey law requires that a married couple's filing status for New Jersey gross income tax purposes be the same as for Federal income tax purposes unless they are a civil union couple. A married couple filing a joint Federal return must file a joint return in New Jersey. However, when one spouse/civil union partner is a New Jersey resident and the other is a nonresident for the entire year, the resident may file a separate return unless both agree to file jointly as residents. If a joint resident return is filed, their joint income will be taxed as if both were residents.

Extensions. Special rules apply to members of the Armed Forces of the United

States and civilians providing support to the Armed Forces. See "Military Extensions" on page 11.

Death Related to Duty. When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no income tax is due for the taxable year the death occurred, nor for any earlier years served in the zone or area

For more information on military personnel (and the rules affecting their spouses), see Tax Topic Bulletin GIT-7, *Military Personnel*

When to File

In general, your New Jersey income tax return is due when your Federal income tax return is due. For calendar year filers, the 2012 New Jersey income tax return is due by April 15, 2013. Fiscal year filers must file their New Jersey income tax return by the 15th day of the fourth month following the close of the fiscal year.

Postmark Date. All New Jersey income tax returns postmarked on or before the due date of the return are considered to be filed on time. Tax returns postmarked after the due date are considered to be filed late. When a return is postmarked after the due date, the filing date for that return is the date the return was received by the Division, not the postmark date of the return. Interest on unpaid liabilities is assessed from the due date of the return.

Extension of Time to File

An extension of time is granted only to file your New Jersey resident income tax return. There is no extension of time to pay tax due. We will notify you only if your extension request is denied, but not until after your return is actually filed. Penalties and interest are imposed whenever tax is paid after the original due date.

Six-Month Extension

You may receive a six-month extension of time to file your New Jersey resident income tax return. An application for an

extension of time to file is accepted only if at least 80% of the tax liability computed on your Form NJ-1040 when filed is paid in the form of withholdings, estimated, or other payments by the original due date, and

- 1. Federal extension filed. A copy of your Federal Application for Automatic Extension is enclosed with your final return and the oval at the top of the NJ-1040 is filled in (or your confirmation number is entered in the space provided at the top of Form NJ-1040 if the extension application or payment was filed online or by phone); or
- 2. No Federal extension filed. You file a request for a six-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if your request is denied, but not until after your return is actually filed.

Note: If a Federal extension is filed, Form NJ-630 must still be filed by the original due date if you are required to make a payment to satisfy the 80% requirement.

Civil Union Couples. Civil union partners filing a joint return must either provide copies of the Federal extension application (or confirmation number) for both partners, or they must file Form NJ-630.

If you fail to satisfy the requirements outlined for an extension, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalties, Interest, and Collection Fees" on page 14.

You will find an application for extension (Form NJ-630) at the front of this booklet. Do not use the preprinted Form NJ-630 if you filed a joint return last year and this year you are filing your return using only your own social security number or you are filing a joint return with a different person. Or, you can file an extension

Extension of Time to File - continued application online until April 15 at www. state.nj.us/treasury/taxation/.

Military Extensions

Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces.

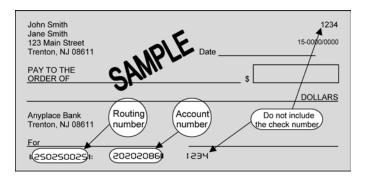

A person on active duty with the Armed Forces of the United States, who may not be able to file timely because of distance, injury, or hospitalization as a result of this service, will automatically receive a sixmonth extension by enclosing an explanation with the return when filed.

Combat Zone. New Jersey allows extensions of time to file income tax returns and pay any tax due for members of the Armed Forces and civilians providing support to the Armed Forces serving in an area which has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by Federal statute. Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return. Enclose a statement with your return to explain the reason for the extension.

In addition, if you are hospitalized outside of the State of New Jersey as a result of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

Qualifying military and support personnel, as defined above, are granted an extension of time for paying tax for the period of combat service or hospitalization, plus 180 days.

Enclose a statement of explanation with your return when you file. No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension is also granted to a taxpayer's spouse/civil union partner who files a joint return.

You will need your bank's 9-digit routing number and your account number to make a payment by e-check. Do not enter the check number as part of the account number.

Note: The routing and account numbers may be in different places on your check.

How to Pay

The balance of tax due must be paid in full by the original due date of the return. If you owe less than \$1, no payment is required. You may make your payment by check or money order, electronic check (e-check), or credit card.

Check or Money Order. You will find a payment voucher (Form NJ-1040-V) at the front of this booklet. If you owe tax and are sending the payment with your 2012 return, enter the amount of tax due in the boxes on the payment voucher. Do not make changes to any information preprinted on the payment voucher. Instead, make any necessary changes on Form NJ-1040. Do not use the preprinted payment voucher if you filed a joint return last year and this year you are filing your return using only your own social security number or you are filing a joint return with a different person.

Make check or money order payable to **State of New Jersey – TGI.** Write your social security number on the check or money order. For a joint return use social security numbers of both husband and wife/civil union partners in the same order the names are listed on the return. Send your payment for the balance due with the payment voucher in the same envelope with your tax return. For information about mailing forms, see "Where to Send Your Return" on page 12.

If you are paying a balance due for the 2012 tax year and are making the first installment of estimated tax for 2013, please use separate checks or money orders for each payment. Send your 2013 estimated tax payment with an NJ-1040-ES voucher to the address on that payment voucher. **Do not include**

the estimated tax payment with your 2012 income tax return.

Electronic Check (e-check). You may be able to pay your 2012 New Jersey income taxes or make a payment of estimated tax for 2013 by e-check. This option is available on the Division's Web site (www.state.nj.us/treasury/taxation/). Taxpayers who do not have Internet access can make a payment by e-check by contacting the Division's Customer Service Center at 609-292-6400. Do not send in the payment voucher if you pay your taxes by e-check.

When using e-check on the Web, you will need your social security number and date of birth to make a payment. Be sure the social security number you enter matches the first social security number shown on the form for which you are making your payment, and the date of birth you enter is the date of birth for that person.

Note:

- (1) If you do not enter your social security number and date of birth properly, you will not be able to pay by e-check.
- (2) If you are filing a New Jersey return for the first time, or your filing status is different than the filing status on your 2011 return, you may not be able to pay by e-check.
- (3) E-check payments made using an account that is funded from a financial institution outside the United States will not be accepted.

Credit Card. You may pay your 2012 New Jersey income taxes or make a payment of estimated tax for 2013 online (www.state.nj.us/treasury/taxation/) and use a Visa, American Express, Master-Card, or Discover credit card. Do not How to Pay - continued

send in the payment voucher if you pay your taxes by credit card.

Time Limit for Assessing Additional

Taxes. The Division of Taxation has three years from the date you filed your income tax return or the original due date of the return, whichever is later, to send you a bill for additional taxes you owe. There is no time limit if you did not file your tax return, or if you filed a false or fraudulent return with the intent to evade tax. The time limit may be extended if:

- You amended or the IRS adjusted your Federal taxable income or your Federal earned income credit;
- You amended your New Jersey taxable income:
- You entered into a written agreement with the Division extending the time to make an assessment:
- You omitted more than 25% of your gross income on your New Jersey income tax return: or
- You were issued an erroneous refund as a result of fraud or misrepresentation by you.

Where to Send Your Return

Use the envelope contained in your packet to mail your NJ-1040 along with related enclosures, payment voucher, and check or money order for any tax due. Send only one return or property tax credit application per envelope. On the flap of the envelope you will find preprinted address labels with different addresses for different categories of returns. To ensure your return is mailed properly:

- 1. Remove all labels along perforations from envelope flap; and
- 2. Choose the correct label for your return.

Mail Returns Indicating Tax Due Together With Payment Voucher and Check or Money Order to:

STATE OF NEW JERSEY DIVISION OF TAXATION REVENUE PROCESSING CENTER - PAYMENTS PO Box 111 Trenton NJ 08645-0111

Mail Returns Requesting a Refund (or with No Tax Due)

Mail Property Tax Credit Applications Filed Without Income Tax Returns to:

STATE OF NEW JERSEY DIVISION OF TAXATION REVENUE PROCESSING CENTER - REFUNDS PO Box 555 Trenton NJ 08647-0555

3. Moisten and affix only the correct label on the front of the return envelope.

Do not staple, paper clip, or tape your check or money order to the voucher.

Refunds

A return must be filed to claim a refund for overpayment of tax. If the refund is \$1 or less, you must enclose a statement specifically requesting it.

Time Period for Refunds. To get a refund, you generally must file your return within three years from the date the return was due (including extensions). If you and the Division agree in writing to extend the period of assessment, the period for filing a refund claim will also be extended.

Interest Paid on Refunds. If the Division takes more than six months to send your income tax refund, you have a right to receive interest on that refund. Interest at the prime rate, compounded annually, will be paid from the *later* of:

- the date the refund claim was filed;
- the date the tax was paid; or
- the due date of the return.

No interest will be paid when an overpayment is credited to the next year's tax liability or on an overpayment or portion of an overpayment which consists of a New Jersey earned income tax credit.

New Jersey law requires that any money owed to the State of New Jersey, any of its agencies, the Internal Revenue Service, or another claimant state or city that has a personal income tax set-off agreement with New Jersey be deducted from

your refund or credit before it is issued. Homestead benefits may also be affected. These debts include, among other things, money owed for past due taxes, child support due under a court order, school loans, hospital bills, and IRS levies. If the Division applies your refund, credit, or benefit to any of these debts, you will be notified by mail.

Deceased Taxpayers

If a person received income in 2012 but died before filing a return, the New Jersey income tax return should be filed by the surviving spouse/civil union partner or personal representative (executor or administrator of an estate or anyone who is in charge of the decedent's personal property). Use the same filing status that was used on the final Federal income tax return, unless the decedent was a partner in a civil union. If filing a joint return, write the name and address of the decedent and the surviving spouse/civil union partner in the name and address fields. If a joint return is not being filed, write the decedent's name in the name field and the personal representative's name and address in the remaining fields. Print "Deceased" and the date of death above the decedent's name. **Do not** prorate exemptions or deductions unless the decedent was a part-year resident. The due date for filing is the same as for Federal purposes. If a personal representative has been appointed, that person must sign the return in his or her official capacity. If a joint return is being filed, the surviving spouse/civil union partner must also sign. If no personal representative has been appointed, the surviving spouse/civil union partner signs the return and writes "Filing as Surviving Spouse" or "Filing as Surviving Civil Union Partner" in the signature section. If no personal representative has been appointed and there is no surviving spouse/civil union partner, the person in charge of the decedent's property must file and sign the return as "personal representative."

TAX TIP Fill in the oval below the signature line and enclose a copy of the decedent's

death certificate only if there is a refund due and you wish the check to be issued

to the decedent's surviving spouse/civil union partner or estate.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own return when you receive it. The income or gain is included on Line 25 as "Other" income.

Estates and Trusts

Filing Requirements for Estates and Trusts. The fiduciary of an estate or trust may be required to file a New Jersey gross income tax return for that estate or trust. The return for an estate or trust must be filed on a New Jersey Fiduciary Return, Form NJ-1041. The fiduciary must also provide each beneficiary with a New Jersey Schedule NJK-1 which shows the beneficiary's share of the estate or trust income actually distributed or required to be distributed during the taxable year.

Revocable grantor trusts are required to file a New Jersey Fiduciary Return, Form NJ-1041, where there is sufficient nexus with this State and the statutory filing requirement is met. For further information, see the Fiduciary return, Form NJ-1041, instructions.

Filing Requirements for Beneficiaries.

The net income earned by an estate or trust does not retain its character, i.e., interest, partnership income; rather it is a specified income category - "Net Gains or Income Derived Through Estates or Trusts." You must report as net income from estates or trusts the Total Distribution reported on your Schedule NJK-1, Form NJ-1041 and include it on Line 25, Other Income. If a Schedule NJK-1 was not received, the interest, dividends, capital gains, business or partnership income, etc. listed on your Federal K-1 must be adjusted to reflect New Jersey tax law and then netted together before inclusion on the "Other" income line. Enclose a copy of your NJK-1 or Federal K-1 with your return.

If the income from a grantor trust is reportable by or taxable to the grantor for Federal income tax purposes, it is also

taxable to the grantor for New Jersey gross income tax purposes. See instructions for Line 25 on page 25 for reporting requirements.

Partnerships

A partnership is not subject to gross income tax. Individual partners are subject to tax on the income they earned from the partnership under the Federal Internal Revenue Code and the New Jersey Gross Income Tax Act. See page 24 for information on reporting income from a partnership. Every partnership having a New Jersey resident partner or income from New Jersey sources must file a New Jersey Partnership Return, Form NJ-1065, with the New Jersey Division of Taxation by the 15th day of the fourth month following the close of the partnership's taxable year. For more information on partnership filing, see Form NJ-1065 and instructions.

Estimated Tax

Estimated tax means the amount which you estimate to be your income tax for the taxable year after subtracting withholdings and other credits.

TAX TIP You are required to make estimated tax payments using Form NJ-1040-ES

when your estimated tax exceeds \$400. Instructions for computing the estimated tax and making the payments are included with the form. Review the amount of your New Jersey gross income tax on your expected gross income (after deductions and credits) to determine if you need to make estimated tax payments for 2013.

To avoid having to make estimated tax payments, you may ask your employer to withhold an additional amount from your wages by completing Form NJ-W4. Failure to file a Declaration of Estimated Tax or pay all or part of an underpayment will result in interest charges on the underpayment.

Underpayment of Estimated Tax. If you failed to make all of the required estimated tax payments as described above, you should obtain Form NJ-2210,

Underpayment of Estimated Tax by Individuals, Estates or Trusts. Complete Form NJ-2210 to determine if interest is due and if so, calculate the amount. Enter on Line 46 the amount of interest due from line 19. Form NJ-2210. Be sure to fill in the oval below Line 46 and enclose Form NJ-2210 with your return.

For more information see Tax Topic Bulletin GIT-8, Estimating Income Taxes.

Amended Returns

If you received an additional tax statement (W-2 or 1099) after your return was filed, or you discovered that you made any error or omission on your return, file an amended New Jersey resident return, Form NJ-1040X.

Changes in Your Federal Income Tax or Federal Earned Income Credit. If

you receive a notice from the Internal Revenue Service that they changed your reported income, and that change altered your New Jersey taxable income, or if you receive a notice that your Federal earned income credit has been changed, and that change alters your New Jersey earned income tax credit, you must notify the Division of the change in writing within 90 days. File an amended tax return and pay any additional tax due. If you file an amended Federal return which changes your New Jersey taxable income or your Federal earned income credit, you must file an amended New Jersey resident return, Form NJ-1040X, within 90 days.

Accounting Method

Use the same accounting method for New Jersey gross income tax that you used for Federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for Federal income tax purposes.

Rounding Off to Whole Dollars

When completing your return and the accompanying schedules, you may show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include cents

Rounding Off to Whole Dollars - continued

when adding the items and round off only the total. When entering the rounded total on the line, eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros after the decimal point for cents.

Penalties, Interest, and Collection Fees

Penalty and interest should be included with the payment of any tax due.

Late Filing Penalty

5% per month (or fraction of a month) up to a maximum of 25% of the outstanding tax liability when a return is filed after the due date or extended due date. A penalty of \$100 for each month the return is late may also be imposed.

Late Payment Penalty

5% of the outstanding tax balance may be imposed.

Interest

3% above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

Collection Fees

In addition, if your tax bill is sent to our collection agency, a referral cost recovery fee of 10% of the tax due will be added to your liability. If a certificate of debt is issued for your outstanding liability, a fee for the cost of collection of the tax may also be imposed.

Signatures

Sign and date your return in blue or black ink. Both husband and wife/civil union partners must sign a joint return. If you are filing *only* a property tax credit application (Form NJ-1040-H), the application must be signed and dated in ink. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. A return without the proper signatures cannot be processed and will be returned to you. This causes unnecessary processing delays and may result in penalties for late filing.

Don't Need Forms Mailed to You Next

Year? Taxpayers who pay someone else to prepare their returns probably do not use the income tax return booklets mailed to them each year. If you do **not** need a booklet mailed to you next year, fill in the oval below the signature line. Telling us that you do not need a booklet next year will help us reduce printing and mailing costs.

Preparer Authorization. Because of the strict provisions of confidentiality, Division of Taxation personnel may not discuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you want a Division of Taxation representative to discuss your tax return with the individual who signed your return as your "Paid Tax Preparer," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Paid Tax Preparer," fill in the oval above the preparer's signature line.

Tax Preparers. Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter his or her social security number or Federal preparer tax identification number. Include the company or corporation name and Federal identification number, if applicable. A tax preparer who fails to sign the return or provide a tax identification number may incur a \$25 penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

Note: Preparers that reasonably expect to prepare 11 or more individual gross income tax resident returns (including those filed for trusts and estates) during the tax year must use electronic methods to file those returns for which an electronic filing option is available. At this time, there is no electronic filing option available for a New Jersey fiduciary return, Form NJ-1041 (or Form NJ-1041SB for a small business trust). Although the fiduciary returns are currently not filed electronically, preparers must include the number of fiduciary returns they expect to prepare when determining whether they must file all other returns electronically. A tax preparer is liable for a penalty of \$50 for each return he or she fails to file electronically when required to do so.

Keeping Tax Records

Keep copies of your tax returns and the supporting documentation of income, age and/or disability, deductions, and credits until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later.

Privacy Act Notification

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

Your social security number is used primarily to account for and give credit for tax payments. The Division of Taxation also uses social security numbers in the administration and enforcement of all tax laws for which it is responsible. In addition, the Division of Taxation is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses, and social security numbers of individuals who file a New Jersey resident tax return or property tax credit application. This list will be used to avoid duplication of names on jury lists. The Division of Taxation is also required to transmit to the Department of Human Services (DHS) annually information from New Jersey resident tax returns that will permit DHS to identify

Privacy Act Notification - continued

individuals who do not have health insurance and who may be eligible for Medicaid or the NJ FamilyCare Program.

Federal/State Tax Agreement

The New Jersey Division of Taxation and the Internal Revenue Service have

entered into a Federal/State Agreement to exchange income tax information in order to verify the accuracy and consistency of information reported on Federal and New Jersey income tax returns.

Fraudulent Return

Any person who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to \$7,500 or imprisonment for a term between three and five years or both.

2012 Form NJ-1040 Line-by-Line Instructions

Name and Address

Place the peel-off label at the front of this booklet in the name and address section at the top of the return. **Do not use the label if any of the information is incorrect.**If your label contains inaccurate information or you do not have a label, print or type your name (last name first), complete address, and zip code in the spaces provided. Also include your spouse's/civil union partner's name if filing jointly. Your refund and next year's form will be sent to the address you provide. If your legal residence and the address on the return differ, enclose a statement of explanation to avoid a delay in processing.

Social Security Number

Your social security number(s) is not printed on your name and address label. You must enter your social security number(s) in the space provided on the return, one digit in each box. If your filing status is married/CU couple, filing joint return, remember to report both filers' numbers in the order in which the names are listed on the return.

If you (or your spouse/civil union partner) do not have a social security number, file Form SS-5 with the Social Security Administration to apply for one. Taxpayers who are not eligible for a social security number must file Form W-7 with the Internal Revenue Service to obtain an individual taxpayer identification number (ITIN). Enter on Form NJ-1040 the same number (social security number or ITIN) that you entered on your Federal income tax return. If you (or your spouse/civil union partner) applied for but have not received an ITIN by the return due date, enclose a copy of your Federal Form W-7 application with your New Jersey income tax return.

Note: A copy of Form W-7 (or W-7A) cannot be used in place of a valid social security number, ITIN, or ATIN for a dependent when completing Line 13, Dependents' Information.

County/Municipality Code

Enter your four-digit county/municipality code, one digit in each box, from the table on page 50. This code identifies the county and municipality of your current residence. The county and municipality codes in these instructions are for Division of Taxation purposes only.

If the local name of the place where you live is not listed, enter the code for the municipality where the property taxes were paid on your dwelling. (Go to www.state.nj.us/infobank/locality.htm for a listing of local names in the State and the county and municipality in which they are located.)

NJ Residency Status

If you were a New Jersey resident for only part of the taxable year, list the month, day, and year your residency began and the month, day, and year it ended. All months should be listed as two-digit numbers with the digits 01 for January, 02 for February, 03 for March, etc. Place the correct number for the beginning and ending months directly in the boxes containing the letter "M," one digit in each box.

The days of the months should be listed as two-digit numbers beginning with the digits 01 for the first day of the month and ending with the digits 31 for the last day of the month. Place the correct number for the beginning and ending dates directly in the boxes containing the letter "D," one digit in each box.

For calendar year filers the year should be entered as 12 and the numbers placed directly in the boxes containing the letter "Y," one digit in each box. Fiscal year filers should enter the appropriate year in the "Y" boxes.

Filing Status (Lines 1-5)

In general, you must use the same filing status on your New Jersey return as you do for Federal income tax purposes, unless you are a partner in a civil union. Indicate the appropriate filing status. Fill in only **one** oval.

Partners in a civil union recognized under New Jersey income tax returns using the same filing statuses accorded spouses under

filing statuses accorded spouses under New Jersey Gross Income Tax Law. Civil union partners may not use the filing status single. Any reference in this booklet to a spouse also refers to a partner in a civil union (CU) recognized under New Jersey law. More information on civil unions, including legally sanctioned same-sex relationships established outside New Jersey, can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

Single. Your filing status is single if you are unmarried or not a partner in a civil union on the last day of the tax year, and you do not qualify for head of household or qualifying widow(er)/surviving CU partner status (see page 16).

Married/Civil Union Couples. If a married couple files a joint Federal income tax return, they must also file a joint New Jersey income tax return. If spouses file separate Federal returns, separate State returns must also be filed. However, if you are a civil union couple, your filing

Filing Status (Lines 1-5) - continued

status for New Jersey will not match your Federal filing status for the year.

If during the entire taxable year one spouse/civil union partner was a resident and the other a nonresident, the resident may file a separate New Jersey return. The resident computes income and exemptions as if a Federal married, filing separate return had been filed. The spouses/civil union partners have the option of filing a joint return, in which case their joint income would be taxed as if both were residents.

If you are filing separately, be sure to enter the social security number of your spouse/civil union partner in the boxes provided at the top of the tax return.

Note: You may file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year.

Head of Household. If you meet the requirements to file as head of household for Federal income tax purposes, you may file as head of household for New Jersey. Certain married individuals/civil union partners living apart may file as head of household for New Jersey if they meet the requirements to file as head of household for Federal purposes.

Qualifying Widow(er)/Surviving CU Partner. If your spouse/civil union partner died during 2012, you may file a joint return for the two of you provided you did not remarry or enter into a new civil union before the end of the year. You may be eligible to use the filing status "qualifying widow(er)/surviving CU partner" for 2012 only if your spouse/CU partner died in either 2010 or 2011, you did not remarry or enter into a new civil union before the end of 2012, and you meet the other requirements to file as qualifying widow(er) with dependent child for Federal purposes.

Domestic Partners. If you were a member of a domestic partnership registered in New Jersey, you are not considered to be married or in a civil union. Do not use either the joint or separate filing statuses at Lines 2 and 3. However, if you also

entered into a legally sanctioned samesex relationship outside New Jersey, you may still be able to use the joint or separate filing statuses for married/CU couples. For more information, see the Division's Web site (www.state.nj.us/ treasury/taxation/) and Tax Topic Bulletin GIT-4, *Filing Status*.

Exemptions - Personal Line 6 - Regular Exemptions

As a taxpayer you may claim a personal exemption for yourself, even if you are a minor who is claimed as a dependent on your parents' return. For your convenience, "Yourself" is already filled in. If you are married or in a civil union and filing a joint return, fill in the spouse/CU partner oval as well.

If you were a member of a domestic partnership that was registered in New Jersey on the last day of the tax year, you may claim an exemption for your domestic partner only if he or she does not file a New Jersey income tax return. You must enclose a copy of your New Jersey Certificate of Domestic Partnership the first time you claim the exemption, and you may be asked to provide additional information at a later date. If you are claiming this exemption, fill in the domestic partner oval. Add the number of ovals filled in and enter the result in the box on Line 6.

Line 7 - Age 65 or Older

If you were 65 years of age or older on the last day of the tax year, you are eligible for an additional exemption. If you are filing a joint return, an additional exemption is also available if your spouse/civil union partner was 65 years of age or older on the last day of the tax year. This exemption is not available for a domestic partner or for your dependents. You must also fill in the oval for each dependent who does not have health insurance coverage (including NJ FamilyCare/ Medicaid, Medicare, private, or other health insurance) on the date you file the return. Do not fill in the oval for any dependents who have health insurance. This information will be transmitted to the New Jersey Department of Human Services and will be used to identify and reach out to residents who are uninsured to make them aware of the availability of health care coverage under the Medicaid and NJ FamilyCare Programs.

If you have more than four dependents, enter the required information for the first four dependents on Lines 13a - d

To obtain an ATIN, file Form W-7A, Application for Taxpayer Identification Number for Pending U.S. Adoptions, with the Internal Revenue Service. See page 15 for information on obtaining a social security number or ITIN.

Gubernatorial Elections Fund

The Gubernatorial Elections Fund, financed by taxpayer designated \$1 contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing Program has since 1977 assisted 67 candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program has also permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing Program, contact the New Jersey

Election Law Enforcement Commission at 1-888-313-ELEC (toll-free within New Jersey) or 609-292-8700 or write to:

NJ ELECTION LAW ENFORCEMENT COMMISSION PO Box 185 Trenton NJ 08625-0185

Lists of contributors to gubernatorial candidates and copies of reports filed by gubernatorial candidates may be viewed on the Election Law Enforcement Commission Web site at: www.elec.state.nj.us.

Participation in the \$1 income tax checkoff protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections thereby deterring the use of needed funding for other purposes. If you want to designate \$1 to go to help candidates for governor pay campaign expenses, fill in the "Yes" oval in the Gubernatorial Elections Fund section of the return. If you are filing a joint return, your spouse/civil union partner may also designate \$1 to this fund. Filling in the "Yes" oval will not in any way increase your tax liability or reduce your refund.

Income (Lines 14-25)

Gross income means all income you received in the form of money, goods, property, and services unless specifically exempt by law. As a New Jersey resident you must report all taxable income you receive, whether from New Jersey or not, on your return.

TAX TIP Important! A net loss in

any category of income cannot be reported as

such on Form NJ-1040. A loss within one category of income may be applied against other income within the same category. However, a net loss in one category of income cannot be applied against income or gains in another on Form NJ-1040. In the case of a net loss in any category, make no entry on the corresponding line. Under New Jersey law, no carryback or carryover of losses is allowed when reporting income on Form NJ-1040.

Income (Lines 14-25) - continued

If you have income that is taxed both by New Jersey and by another jurisdiction outside of New Jersey, you may be eligible for a credit against your New Jersey income tax. See instructions for Schedule A, Credit for Income or Wage Taxes Paid to Other Jurisdiction, on page 41.

Enter the total amount you received during the taxable year from wages, salaries, tips, fees, commissions, bonuses, and other payments received for services performed as an employee. Include all payments you received whether in cash, benefits, or property.

Enter the total of State wages, salaries, tips, etc. from **all** employment both inside and outside New Jersey.

Be sure to take the figure(s) from the "State wages" box on your W-2(s). See sample W-2 on page 20.

Note: The "State wages" figure on W-2(s) you received from employment outside New Jersey may need to be adjusted to reflect New Jersey tax law.

All W-2(s) must be enclosed with your tax return. **Do not** staple W-2(s) to your return. If you have also paid taxes to another jurisdiction on the wages entered on this line, see page 41 for more information.

Pension and annuity income or early retirement benefits should not be included on this line but should be reported on Line 19.

Retirement Plans. Under New Jersey law, contributions to retirement plans (other than 401(k) Plans) are included in the State wages figure on the W-2

in the year the wages are earned. This may cause your State wages figure to be higher than your Federal wages figure.

Meals and/or Lodging. You may exclude from the amount reported on Line 14 meals and/or lodging reported as wages on your W-2 provided that:

- 1. The meals and/or lodging were furnished on the business premises of your employer; and
- 2. The meals and/or lodging were furnished for the convenience of your employer; and

For lodging only:

3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/ or lodging from your wages, you **must** enclose a signed statement explaining how you have met these conditions. If the statement is not enclosed, your wages will be adjusted to represent the full amount shown on your W-2.

Food and maintenance payments made to New Jersey State Police officers as part of their union contract **cannot** be excluded from gross income. These payments do not meet the criteria above.

Employee Business Expenses. Employee business expenses are **not** deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for employee business expenses reported as wages on your W-2 provided that:

- 1. The expenses for which you are reimbursed are job-related expenses;
- 2. You are required to and do account for these expenses to your employer; and
- 3. You are reimbursed by your employer in the exact amount of the allowable expenses.

If you receive excludable reimbursements for employee business expenses which are included in your wages on your W-2, enclose a statement explaining the

amount you are excluding and your reasons for excluding this amount. Also enclose a copy of your Federal Form 2106.

Federal Statutory Employees. If you are considered a "statutory employee" for

Federal income tax purposes, you may not deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The Federal label of "statutory employee" has no meaning for New Jersey gross income tax purposes. Business expenses may only be deducted from the business income of a self-employed individual. See the instructions for Schedule NJ-BUS-1, Part I (Net Profits From Business).

Moving Expenses. Moving expenses are not deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for the following moving expenses if the Federal requirements to claim moving expenses were met and the expenses were included in wages on your W-2.

- 1. The cost of moving your household goods and personal effects from the old home to the new home.
- The actual expenses incurred by you for traveling, meals, and lodging when moving you and your family from your old residence to your new residence.

- The payments must be compensation for wage loss which results from absence due to injury or sickness of the employee; and
- 2. The payments must be due and payable under an enforceable contractual obligation under the plan; and
- 3. The payments must not relate to sick leave wage continuation, the taking of which is largely discretionary and the payments are made regardless of the reason for absence from work.

- Ginnie Maes
- Fannie Maes
- Freddie Macs

- Any other interest not specifically exempt

Interest received by your sole proprietorship is reportable as net profits from business on Line 17. Your portion of interest earned and received by a partnership, an estate or trust or, in general, an S corporation is reportable as distributive share of partnership income on Line 20, net income from estates or trusts on Line 25, or net pro rata share of S corporation income on Line 21. For detailed information regarding the reporting of partnership or S corporation income, see Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*. For information regarding grantor trusts, see the reporting instructions for Line 25 on page 25. Interest paid or deemed to have been paid to you by a partnership or an S corporation and reportable to you on Form 1099 must be included on Line 15a.

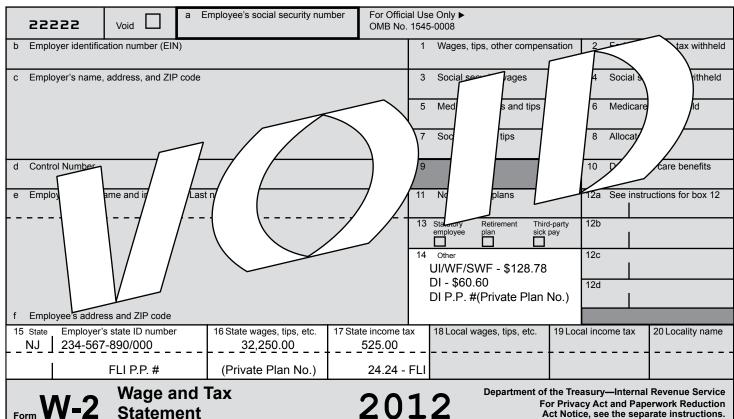

Forfeiture Penalty for Early Withdrawal. If you incur a penalty by withdrawing a time deposit early, you may subtract the amount of the penalty from your interest income.

If your taxable interest income on Line 15a is more than \$1,500, enclose a copy of Schedule B, Federal Form 1040 or 1040A.

Line 15b - Tax-Exempt Interest Income

Line 15b - Tax-Exempt Interest Income - continued

on Line 15b. If Line 15b is more than \$10,000, you must include an itemized schedule detailing the amount received from each source. New Jersey tax-exempt interest income includes interest from:

- Obligations of the State of New Jersey or any of its political subdivisions
- Direct Federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes, and Bonds
- Earnings on qualified withdrawals from qualified state tuition program accounts, including the New Jersey Better Educational Savings Trust Program (NJBEST) accounts
- Sallie Maes
- CATS
- TIGRs
- · Certain distributions from "New Jersey Qualified Investment Funds"
- Distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations

New Jersey Qualified Investment Funds.

A New Jersey Qualified Investment Fund is a regulated investment company in which at least 80% of the fund's investments (other than cash or receivables) are obligations issued either directly by the Federal government or the State of New Jersey or any of its political subdivisions. The Fund must complete and retain Form IF-1, Certification of Qualified Investment Fund, to document its status. This certification need not be filed with the Division of Taxation but must be made available upon request.

If you received a distribution from a qualified investment fund, you may exclude from your income only the portion of the distribution which comes from qualified exempt obligations. Although excluded from income, the tax-exempt portion is reported on Line 15b. The taxable portion of the distribution, if any, is reported as dividends on Line 16. By February 15, shareholders should be notified by the New Jersey qualified investment fund of

the portion of their distribution that may be excluded from income. Contact your broker to determine whether your fund qualifies.

Do not report interest earned on your IRA(s) on Line 15b, Tax-Exempt Interest Income. If you made a withdrawal from your IRA during the year, see the instructions for Line 19.

When you total your interest income on Lines 15a and 15b, the amount should match the total of the taxable and taxexempt interest you reported on your Federal income tax return (if you filed a Federal 1040). Enclose a statement with your NJ-1040 explaining the difference if the amounts do not match. For more information on tax-exempt interest income, see Tax Topic Bulletin GIT-5, Exempt Obligations.

Line 16 - Dividends

Enter on Line 16 the amount of dividends received during the year from investments (e.g., from stocks, mutual funds) or other income-producing activities which do not constitute a trade or business. The total amount of taxable dividends received, regardless of where earned, must be reported.

Dividends received by your sole proprietorship are reportable as net profits from business on Line 17. Your portion of dividends earned and received by a partnership, an estate or trust or, in general, an S corporation is reportable as distributive share of partnership income on Line 20, net income from estates or trusts on Line 25, or net pro rata share of S corporation income on Line 21. For detailed information regarding the reporting of partnership income or S corporation income and distributions, see Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations. For information regarding grantor trusts, see the reporting instructions for Line 25 on page 25.

Capital Gains Distributions. Capital gains distributions you receive from mutual funds or other regulated investment companies are reported on Line 2, Schedule B and are not to be included on Line 16 as dividends

Tax-Free Distributions. A distribution which is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or taxfree distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends received from insurance companies are not taxable unless the dividends received exceed the premiums paid. Any interest from accumulated insurance dividends is taxable and must be reported on Line 15a.

Line 17 - Net Profits From **Business**

Complete Part I of New Jersey Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 17

the amount of net profits from business from Line 4 of Part I. If the amount on Line 4 is a loss, make no entry on Line 17. Enclose Schedule NJ-BUS-1 and a copy of the Federal Schedule C (or C-EZ or F) for each business with your return. See page 46.

Line 18 - Net Gains or Income From Disposition of Property

Enter on Line 18 the amount of net gains from New Jersey Schedule B, Line 4. If the amount on Line 4 is zero, make no entry on Line 18. Enclose Schedule B with your return. See page 44.

Line 19 - Pensions, Annuities, and IRA Withdrawals

Pensions, annuities, and certain IRA withdrawals are taxable on the New Jersey return and must be reported on Line 19, although the taxable amount may differ from the Federal amount. (See page 23 for information on Roth IRAs.)

TAX TIP If you (and/or your spouse/ civil union partner if filing jointly) were 62 years of

Line 19 - Pensions, Annuities, and IRA Withdrawals - continued

age or older or disabled and met the other requirements, you may be able to use the pension and other retirement income exclusions to reduce your gross income. See the instructions for Line 27a and Line 27b on page 26.

All state and local government, teachers', and Federal pensions, and Keogh Plans are treated in the same manner as pensions from the private sector. Amounts received as "early retirement benefits" and amounts reported as pension on Schedule NJK-1, Partnership Return Form NJ-1065 are also taxable. Social Security and Railroad Retirement benefits are exempt from New Jersey income tax and should not be reported as pension income. Pension payments received by reason of total and permanent disability are also exempt. However, if you retired before age 65 on a total and permanent disability pension and continue to receive pension payments after age 65, your disability pension is then treated as an ordinary pension. (See definition of "disabled" on page 16.)

If you are receiving a United States military pension or survivor's benefit payments, the military pension or survivor's benefit is not taxable for New Jersey gross income tax purposes, regardless of your age or disability status. Do not include such payments on Line 19, Form NJ-1040.

Military pensions are those resulting from service in the Army, Navy, Air Force, Marine Corps, or Coast Guard. This exemption does not apply to civil service pensions or annuities, even if the pension or annuity is based on credit for military service. Most military pensions and survivor's benefit payments are received from the U.S. Defense Finance and Accounting Service while a civil service annuity is received through the U.S. Office of Personnel Management.

Retirement plans (pensions, annuities, IRAs) are either noncontributory or contributory. A noncontributory plan is one to which you have not made contributions. A contributory plan is one to which **you** have made contributions, usually through payroll deductions. The amount you

Noncontributory Plans. Amounts you receive from noncontributory plans are fully taxable. Enter on Line 19 the total amount of the pension or annuity from your 1099-R.

Contributory Plans (Other Than IRAs).

The total value of your pension or annuity consists of your contributions, your employer's contributions (if any), and earnings. In general, your contributions to a pension or annuity were taxed when they were made and are not taxed by New Jersey when withdrawn (except for 401(k) Plans). Therefore, you must determine the taxable part of any distribution you receive. Use Worksheet A above to determine whether you should use the Three-Year Rule Method or the General Rule Method for your pension or annuity.

Note:

- If you received a distribution from a 401(k) Plan, see the section on 401(k) Plans on page 23 before continuing.
- The taxable amount of an IRA withdrawal must be determined by completing Worksheet C, IRA Withdrawals, on page 24. Do not use Worksheet A or B for an IRA withdrawal.

Three-Year Rule Method. If you will recover your contributions within three years from the date you receive the first payment from the plan, and both you and your employer contributed to the plan, you may use the Three-Year Rule Method to determine your New Jersey taxable pension income. The Three-Year

Rule allows you to exclude your pension and annuity payments from gross income until the payments you receive equal your contributions to the plan. Until that time, the amounts you receive, because they are considered your contributions, are not taxable and should not be reported on your return. Once you have received (recovered) an amount equal to the amount you contributed, the payments you receive are fully taxable. Since the Three-Year Rule has been repealed for Federal income tax purposes, if you retired after July 1, 1986, the taxable amount of pension or annuity that you report on your New Jersey return when using this method will differ from the amount you report on your Federal return.

General Rule Method. If you will not recover your contributions within three years from the date you receive the first payment from the plan, or your employer did not contribute to the plan, you must use the General Rule Method to determine your New Jersey taxable pension income. From the first year you receive your pension and every year thereafter, part of your pension will be excludable (the amount that represents your contributions) and part will be taxable. Use Worksheet B on page 23 to determine the taxable amount.

Complete Worksheet B the year in which you receive your first pension payment. Once calculated, use the percentage on line 3 to determine the taxable amount year after year. You must recalculate the percentage only if your annual pension payments decrease.

Contributions to Plans Prior to Residence. Any contributions you made to a pension, annuity, or IRA prior to moving to New Jersey are treated in the same way as the contributions would have been treated had you resided in New Jersey at the time. Contributions to plans other than 401(k) Plans are considered to have been previously taxed. Use the appropriate method to determine the taxable amount.

Lump-Sum Distributions and Rollovers. When a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan is made, the amount received in excess of the contributions to the plan that have already been taxed must be included in your income in the year received. New Jersey has no provisions for income averaging of lump-sum distributions. Report the taxable amount of a lump-sum distribution on Line 19.

A lump-sum distribution from an IRA or a qualified employee pension or annuity plan which you roll over into an IRA or other eligible plan is excludable from New Jersey income if the rollover qualifies for deferral for Federal income tax purposes. The amount rolled over (minus previously taxed contributions) is taxable later when it is withdrawn. As under Federal law, the rollover must be made within the 60-day period after distribution.

401(k) Plans. Beginning on January 1, 1984, New Jersey's treatment of 401(k) Plan contributions changed. After that date employee contributions to 401(k) Plans were no longer included in taxable wages when earned. If you made contributions to your 401(k) Plan prior to January 1, 1984, your distribution will be treated differently than if you made all of your contributions after this date.

- 1. All contributions made on or after January 1, 1984. If all of your contributions to the 401(k) Plan were made on or after January 1, 1984, then your distributions from the plan are fully taxable unless your contributions exceeded the Federal limit.
- 2. Contributions made before January 1, 1984. If you made contributions to the 401(k) Plan before January 1, 1984, or you made contributions beyond the Federal limit, calculate the taxable portion of your distributions from the plan using one of the methods described under contributory plans.

For more detailed information on reporting pension and annuity income on your New Jersey return, see Tax Topic Bulletin GIT-1. *Pensions and Annuities*.

IRAs. Your IRA consists of a nontaxable part (your contributions) and a taxable part (earnings plus certain amounts, if any, rolled over from pension plans). If your

contributions have been previously taxed, only the portion of your distribution that represents earnings is taxable.

Earnings credited to an IRA are not subject to tax until withdrawn. The interest, dividends and other earnings, as well as amounts which were tax-free rollovers, will become taxable when withdrawn. If the total amount in the IRA is withdrawn, the entire amount of the interest or accumulated gains becomes taxable in the year the withdrawal is made.

If, however, the withdrawal from an IRA is made over a period of years, the portion of the annual distribution that represents interest income and accumulated gains in the IRA is subject to tax. A distribution from a rollover IRA which is fully taxable for Federal income tax purposes may be treated differently for New Jersey purposes if your contributions were subject to New Jersey income tax when the contributions were made.

Report the taxable amount of an IRA withdrawal on Line 19. Use Worksheet C on page 24 to determine the taxable portion of your IRA withdrawal. For multiple IRAs, the taxable amount may be determined by using a separate worksheet for each IRA, or all IRAs may be combined on one worksheet.

Roth IRAs. Contributions to a Roth IRA are subject to New Jersey tax in the year they are made. However, if the requirements are satisfied, "qualified distributions" from a Roth IRA are excludable and do not have to be included in New Jersey gross income in the year received.

A "qualified distribution" is one made after the five-taxable-year period beginning with the first taxable year in which a contribution was made to your IRA, **and** which is:

- 1. Made on or after the date on which an individual reaches age 59½; or
- 2. Made to a beneficiary (or the individual's estate) after the individual's death; or
- 3. Made because the individual becomes disabled; or

*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, Federal actuarial tables must be used to compute the expected return. The Federal actuarial tables are contained in the Internal Revenue Service's Publication 939, *General Rule for Pensions and Annuities*. Contact the IRS for this publication. 4. Made as a qualified first-time home buyer distribution as defined by the Internal Revenue Code.

A payment or distribution cannot be treated as a qualified distribution if it is made within the five-taxable-year period which begins with the year the first contribution was made. A payment or distribution of an allowable rollover contribution (or income earned on the amount rolled over) from an IRA other than a Roth IRA, is not a qualified distribution if it is made within the five-taxable-year period which begins with the year in which the rollover contribution was made.

If you received a nonqualified distribution from a Roth IRA, you must report the earnings as income on Line 19.

TA ★ TIP Conversions During Tax

Year 2010. If you converted an existing IRA to a rollover Roth IRA during tax year 2010 and elected to report the income in equal installments in 2011 and 2012, include on Line 19 one-half of the amount taxable for New Jersey purposes from IRAs converted to Roth IRAs in 2010.

For more detailed information on IRA withdrawals, see Tax Topic Bulletin GIT-2, IRA Withdrawals, or Technical Bulletin TB-44.

Line 20 - Distributive Share of Partnership Income

Complete Part II of New Jersey Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 20

the distributive share of partnership income from Line 4 of Part II. If the amount on Line 4 is a loss, make no entry on Line 20. Enclose Schedule NJ-BUS-1 and a copy of Schedule NJK-1, Form NJ-1065, for each partnership with your return. If you did not receive a Schedule NJK-1, you must enclose a copy of the Federal Schedule K-1. See page 46.

Line 21 - Net Pro Rata Share of S Corporation Income

Complete Part III of New Jersey Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 21

the net pro rata share of S corporation income from Line 4 of Part III. If the amount on Line 4 is a loss, make no entry on Line 21. Enclose Schedule NJ-BUS-1 and a copy of Schedule NJ-K-1, Form CBT-100S, for each S corporation with your return. If you did not receive a Schedule NJ-K-1, you must enclose a copy of the Federal Schedule K-1. See page 47.

Line 22 - Net Gains or Income From Rents, Royalties, Patents, and Copyrights

Complete Part IV of New Jersey Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 22

the amount of net income from Line 4 of Part IV. If the amount on Line 4 is a loss, make no entry on Line 22. Enclose Schedule NJ-BUS-1 with your return. See page 47.

Line 23 - Net Gambling Winnings

TAX TIP New Jersey Lottery winnings from prize amounts exceeding \$10,000 are tax-

able for New Jersey gross income tax purposes. The individual prize amount, not the total amount of New Jersey Lottery winnings over the year, determines taxability.

Enter on Line 23 the amount of your net gambling winnings. You may deduct your gambling losses from your winnings that occurred during the same year. You may use New Jersey Lottery losses to offset other gambling winnings. If your net gambling winnings are less than zero, make no entry.

You must be able to substantiate gambling losses used to offset winnings

reported on your New Jersey income tax return. Evidence of losses may take several forms, including a daily log or journal of wins and losses, canceled checks, losing race track pari-mutuel tickets, losing lottery tickets, etc. With respect to winnings or losses resulting from casino gambling, letters from casinos which purport to "rate" the gambling activity of an individual or "estimate" losses are acceptable as part of the evidential material required to prove losses.

Remember, do not include any winnings from prizes in the amount of \$10,000 or less from the New Jersey State Lottery.

Although no specific rider to the New Jersey income tax return is required to substantiate gambling losses, it is suggested that if you enter gambling winnings net of losses on Line 23 of the return, you should note the total winnings and total losses on a supporting schedule. This procedure may eliminate certain questions in the event the return is selected for audit

Line 24 - Alimony and **Separate Maintenance Payments Received**

Enter on Line 24 the total amount of alimony and separate maintenance payments you received which were required under a decree of divorce/dissolution or separate maintenance. Do not include payments received for child support.

Line 25 - Other

Enter on Line 25:

Amounts Received as Prizes and

Awards. A prize won in a raffle, drawing, television or radio quiz show, contest, or any other event is taxable and must be included on Line 25. Any prizes or awards received in goods or services must be included as income at fair market value.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own

return when you receive it. The income is reported on Line 25, "Other" income. Enclose a schedule of the items of income reported together and included on Line 25.

Income From Estates and Trusts. Beneficiaries receiving income from an estate or trust must include on Line 25 the Total Distribution reported on Schedule NJK-1, Form NJ-1041. If a Schedule NJK-1 was not received, include on Line 25 the net of the items listed on the Federal K-1 received. Interest, dividends, capital gains, business or partnership income, etc. as listed on the Federal K-1(s) must be adjusted to reflect New Jersey tax law and then netted together before inclusion on Line 25, "Other" income. Be sure to include income which is not subject to Federal income tax but is subject to New Jersey gross income tax, such as interest from and losses on the disposition of obligations of states and their political subdivisions, other than New Jersey and its political subdivisions, and exclude income and losses not subject to New Jersey tax, such as gains on New Jersey tax-exempt securities.

For tax years beginning on or after January 1, 2004, New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. The Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP instructions explain the New Jersey adjustments required to determine income reportable in the various net income categories.

For taxable years beginning after December 31, 2004, New Jersey income tax law has uncoupled from some provisions of the IRC Section 199 deduction. The New Jersey allowable IRC section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction.

Enclose a copy of the NJK-1(s) or Federal K-1(s).

If the income from a grantor trust is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. The grantor must report the interest, dividends, capital

gains, business income, partnership income, net pro rata share of S corporation income, etc. in the categories of income as required for gross income tax purposes and not as income from Estates and Trusts. Enclose a copy of the New Jersey or Federal Grantor Trust Attachment.

For more information see Tax Topic Bulletin GIT-12, *Estates and Trusts*.

Scholarships and Fellowships. Scholarships and fellowship grants are taxable and must be included on Line 25 unless they satisfy **all** of the following conditions:

- 1. The primary purpose of the grant is to further the recipient's education or training; and
- 2. The grant neither represents payments for past, present, or future services nor payments for services which are subject to the direction or supervision of the grantor (e.g., a fellowship given in exchange for teaching); and
- 3. The grant is not for the benefit of the grantor.

Residential Rental Value or Allowance Paid by Employer. Enter on Line 25 either the rental value of a residence furnished by an employer or the rental allowance paid by an employer to provide a home. The rental value of the residence furnished is excludable and should not be reported provided that:

- 1. The lodging is provided on the business premises of the employer; and
- 2. The lodging is furnished for the convenience of the employer; and
- The employee is required to accept such lodging as a condition of employment.

\$20,000	Married/CU couple, filing joint return				
\$15,000	Single Head of household Qualifying widow(er)/surviving CU partner				
\$10,000	Married/CU partner, filing separate return				

Line 27a - Pension Exclusion

You qualify for the New Jersey pension exclusion if:

- You (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older or disabled as defined by Social Security guidelines on the last day of the tax year; and
- Total income from Line 26 for the entire year was \$100,000 or less.

Note: If the amount on Line 26 is more than \$100,000, you are not eligible for the pension exclusion. You may still be eligible for a special exclusion of up to \$6,000. See the instructions for Line 27b below to determine if you qualify for this special exclusion.

If you qualify for the pension exclusion, you may exclude all or a part of the income you received during the year from taxable pensions, annuities, and IRA withdrawals. You may exclude up to \$20,000 (filing status married/CU couple, filing joint return), \$15,000 (filing status single, head of household, or qualifying widow(er)/surviving CU partner), or \$10,000 (filing status married/CU partner, filing separate return).

Enter on Line 27a the lesser of the amount reported on Line 19 or the amount next to your filing status from the Maximum Pension Exclusion chart above. The amount on Line 27a should never be more than the amount on Line 19. Part-year residents, see page 7.

When you and your spouse/civil union partner file a joint return and only one of you is disabled or 62 years of age or older, you may still claim the maximum pension exclusion. However, only the pension, annuity, or IRA withdrawal of

the spouse/civil union partner who is 62 years of age or older or disabled may be excluded.

spouse/civil union partner were 62 years of age or older on the last day of the tax year and did not use the maximum pension exclusion amount for your filing status, or you did not use the pension exclusion because you did not report any income on Line 19, you may still qualify for other income exclusions. See the instructions for Line 27b, "Other Retirement Income Exclusion."

Line 27b - Other Retirement Income Exclusion

If you (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There are two parts to the total exclusion: Part I, the unclaimed portion of your pension exclusion, and Part II, a special exclusion for taxpayers who are unable to receive Social Security or Railroad Retirement benefits. Each part has different eligibility requirements. Use Worksheet D on page 27 to calculate the total exclusion amount you are eligible to claim. If you were a part-year resident, do not complete the worksheet. See page 7.

- I. Unclaimed Pension Exclusion. You are eligible to use the unclaimed portion of your pension exclusion on Line 27b if:
 - You (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year; and

Line 27b - Other Retirement Income Exclusion - continued

- Total income from Line 26 for the entire year was \$100,000 or less;
 and
- Income from wages, net profits from business, distributive share of partnership income, and net pro rata share of S corporation income totaled \$3,000 or less; and
- You did not use the maximum pension exclusion on Line 27a (your taxable pension, annuity, or IRA withdrawal was less than the exclusion amount for your filing status or you did not receive pension, annuity, or IRA withdrawal income).
- II. Special Exclusion for Taxpayers Unable to Receive Social Security or Railroad Retirement Benefits. This benefit is not related to the pension exclusion and, if you qualify, you may claim it whether or not you use the maximum pension exclusion. You qualify for this additional exclusion on Line 27b if:
 - You (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year; and
 - You (and your spouse/civil union partner if filing jointly) are unable to receive Social Security or Railroad Retirement benefits, but would have been eligible for benefits had you fully participated in either program.

Note: When you and your spouse/civil union partner file a joint return and only one of you is 62 years of age or older, you may claim the full exclusion. However, only the income of the spouse/civil union partner who is age 62 or older may be excluded.

For more detailed information on using the income exclusions on Line 27b, see Tax Topic Bulletin GIT-1, *Pensions and Annuities*.

resident for the entire year and your Gross Income on Line 28 is \$20,000 or less (\$10,000 if filing status is single or married/CU partner, filing separate return), you have no tax liability to New Jersey and no return must be filed. If you are filing a return only to obtain a refund of taxes withheld or estimated payments made, do not complete Lines 29 through 44. Continue completing the return with Line 45. See instructions on page 36.

Note: If you qualify, you may receive a New Jersey earned income tax credit even if you have no tax liability to New Jersey and are not required to file a return. See the instructions for Line 51.

Homeowners and tenants age 65 or older or disabled who are not required to file a New Jersey income tax return (because of income below the filing threshold) and who meet the qualifications for a property tax credit may file only Form NJ-1040-H to claim the credit. See the instructions on page 48.

You may claim an exemption from with-holding if you expect to have no New Jersey income tax liability for the tax-able year because your gross income will be less than the minimum income filing threshold. Complete Form NJ-W4 and submit it to your employer to claim the exemption.

If you were a New Jersey resident for only part of the year, see "Guidelines for Part-Year Residents" on page 7.

Exemptions and Deductions (Lines 29–35)

New Jersey allows deductions only for exemptions, certain medical expenses, qualified Archer medical savings account (MSA) contributions, health insurance costs of the self-employed, alimony and separate maintenance payments, qualified conservation contributions, a health enterprise zone deduction for qualified taxpayers, and an alternative business calculation adjustment for taxpayers with business losses. No deduction is allowed for adjustments taken on the Federal return such as employee business expenses, IRA contributions, and Keogh Plan contributions. However, be sure to keep records of all contributions to IRAs and Keogh Plans. You will need this information when you make withdrawals in future years. Part-year residents must follow the guidelines on page 7.

From Line 12a _____ × \$1,000 = _____

From Line 12b ____ × \$1,500 = ____

Add together the exemption amounts calculated above and enter the total on Line 29, Form NJ-1040.

Line 30 - Medical Expenses

You may deduct certain medical expenses that you paid during the year for yourself, your spouse/civil union partner or domestic partner, and your dependents. However, you cannot deduct expenses for which you were reimbursed. Only expenses in excess of 2% of your income may be deducted. You may also deduct qualified Archer MSA contributions. Use Worksheet E on page 29 to calculate your deduction for medical expenses/Archer MSA contributions.

Allowable Medical Expenses. *Medical expenses* means nonreimbursed payments for physicians, dental and other medical

fees, prescription eyeglasses and contact lenses, hospital care, nursing care, medicines and drugs, prosthetic devices, X-rays, and other diagnostic services conducted by or directed by a physician or dentist. In addition, medical expenses may also include amounts paid for transportation primarily for and essential to medical care and insurance (including amounts paid as premiums under Part B of Title XVIII of the Social Security Act, relating to supplementary medical insurance for the aged) covering medical care. As a general rule, medical expenses allowed for Federal income tax purposes will be allowed for New Jersey income tax purposes.

NOTE: Do not include on line 1, Worksheet E

- Contributions you made to an Archer MSA or any amounts paid or disbursed from an Archer MSA that have been excluded from gross income; or
- Any amounts taken as a deduction on line 5, Worksheet E, for the health insurance costs of the self-employed.

Archer MSA Contributions. Enter on line 4, Worksheet E the amount of your qualified Archer MSA contributions from Federal Form 8853. New Jersey follows the Federal rules for this deduction. Your contribution may not exceed 75% of the amount of your annual health plan deductible (65% if you have a self-only plan). Enclose Federal Form 8853 with your return. Excess contributions that you withdraw before the due date of your tax return are not taxable. However, you must report the earnings associated with the excess contributions you withdraw as wages on Line 14.

Self-Employed Health Insurance Deduction. If you are considered a self-employed individual for Federal income tax purposes, or you received wages in 2012 from an S corporation in which you were a more-than-2% shareholder, you may deduct the amount you paid during the year for health insurance for yourself, your spouse/civil union partner or domestic partner, and your dependents. The amount of the deduction may not exceed the amount of your earned income,

Line 30 - Medical Expenses - continued

as defined for Federal income tax purposes, derived from the business under which the insurance plan is established. You may not deduct any amounts paid for health insurance coverage for any month during the year in which you were eligible to participate in any subsidized health plan maintained by your (or your spouse's/civil union partner's or domestic partner's) employer.

Note: For Federal purposes you may be able to deduct amounts paid for health insurance for any child of yours who was under age 27 at the end of 2012. However, for New Jersey purposes you may deduct such amounts only if the child was your dependent. For more information see Division Technical Advisory Memorandum TAM-14.

Line 31 - Alimony and Separate Maintenance Payments

Enter on Line 31 the amount of alimony and separate maintenance paid which was required under a decree of divorce/dissolution or separate maintenance. Do not include payments for child support.

Line 33 - Health Enterprise Zone Deduction

Eligible taxpayers engaged in providing "primary care" medical and/or dental services at a qualified practice located in or within five miles of a designated Health Enterprise Zone (HEZ) enter the amount of their HEZ deduction on Line 33. Partners and S corporation shareholders of a qualified practice enter the HEZ deduction amount listed on Schedule NJK-1, Form NJ-1065, or Schedule NJ-K-1, Form CBT-100S. Sole proprietors must calculate the amount of their HEZ deduction for Line 33. For information on eligibility requirements and how to calculate the HEZ deduction, see Division Technical Bulletin TB-56.

Homeowners and tenants who pay property taxes, either directly or through rent, on their principal residence in New Jersey may qualify for either a deduction or a refundable credit. You will use the amount from Line 37a to determine whether you will receive a greater tax benefit by claiming a property tax deduction on Line 37c or a property tax credit on Line 49. See the instructions for determining the amount of your property tax deduction/credit on page 33. You must complete Line 37c or Line 49 to receive a deduction or credit.

Principal Residence

A principal residence means a homestead, either owned or rented, actually and continually occupied as your permanent residence. Do not include property taxes paid for a vacation home, a "second home," or property which the owner rents to someone else.

Homeowners

Enter on Line 37a the property taxes paid for the home in New Jersey that

you owned and lived in as your principal residence. Both single-family homes and certain multi-unit properties may qualify. See below.

Multiple Owners. If you own your principal residence with someone else (other than your spouse/civil union partner) enter the amount of property taxes paid that reflects your percentage of ownership in the property. The taxes must be apportioned even if only one of the owners occupies the property and pays all of the taxes. Complete Worksheet F-1 to calculate the amount.

Multi-Unit Properties. If you own a multi-unit property and occupy a portion of the property as your principal residence, enter the property taxes paid for the percentage of the property you occupy. The taxes must be apportioned equally among the number of units, unless the local tax collector has determined that the units are not equal in size. Complete Worksheet F-1 to calculate the amount. Enter an amount on Line 37a only if the property contains four units or less, and of these four units, only one may be used for commercial purposes.

Condominiums and Co-ops. A condominium unit or a unit in a cooperative housing complex or mutual housing corporation is considered a single-family dwelling.

Continuing Care Communities. As a resident in a continuing care retirement community, you are considered a homeowner if the continuing care contract requires you to pay the proportionate share of property taxes attributable to your unit.

Disabled Veterans. Totally and permanently disabled veterans who have a 100% exemption from local property taxes do **not** enter an amount on Line 37a. If any portion of the dwelling is rented to a tenant and property taxes are paid by the disabled veteran owner on the rented portion, such taxes may not be entered on Line 37a of the property owner's return.

However, eligible tenants may enter 18% of the rent paid on their own income tax returns.

P.I.L.O.T. Payments. Do not enter on Line 37a P.I.L.O.T. (Payments-in-Lieu-of-Tax) payments you made to your municipality as a homeowner. These payments are not property taxes.

Life Tenancy. You are considered to be a homeowner if you have life tenancy rights or hold a lease for 99 years or more.

Tenants

Enter on Line 37a the amount of property taxes paid for a home or apartment you rented in New Jersey and lived in as your principal residence, provided that the building is subject to local property taxes and your dwelling unit contains its own separate kitchen and bathroom that are not shared with others in the building. For tenants, 18% of the rent paid during the year is considered property taxes paid.

Mobile Homes. If you own a mobile home which is located in a mobile home park, you are considered a tenant. For more information on mobile homes, contact the New Jersey Division of Taxation Customer Service Center.

Tax-Exempt, Subsidized, and Campus Housing. Tenants living in dwellings which are not subject to local property taxes do not enter 18% of the rent paid on Line 37a. This includes: tenants living in tax-exempt housing or other dwellings owned by the State, County, Municipal, or Federal government; students living in on-campus apartments at State colleges and universities; tenants living in dwellings owned by religious, charitable, or other nonprofit organizations (including on-campus apartments at private nonprofit colleges and universities), if the property is exempt from local property taxes; and tenants who lived in a dwelling on which P.I.L.O.T. (Payments-in-Lieu-of-Tax) payments were made to the municipality.

Line 37a - Total Property Taxes Paid - continued

Do not enter a figure on Lines 37a - 37c or Line 49 of the tax return if the dwelling you rent is not subject to local property taxes. If you are not sure whether the dwelling you rent is subject to local property taxes, contact your building manager or the municipal tax assessor for information. The Division of Taxation audits returns to ensure compliance with these requirements.

Calculating the Amount to Enter on Line 37a

Review the information below for determining the amount of property taxes to enter on Line 37a if:

- You had more than one New Jersey residence during 2012; or
- Your principal residence had multiple owners or multiple tenants, or consisted of multiple units; or
- You and your spouse/civil union partner file separate returns but maintain the same principal residence; or
- You were a part-year resident.

Spouses/Civil Union Partners Filing Separate Returns, but Maintaining Same Principal Residence. If you and your spouse/civil union partner file separate returns but maintain the same principal residence, enter on Line 37a one-half of the property taxes (or one-half of 18% of rent) due and paid.

Multiple Residences, Owners, Units, or Tenants. Complete Worksheet F-1 on page 32 before completing Line 37a if:

- You lived in more than one qualifying New Jersey residence during 2012; or
- You shared ownership of a principal residence during the year with anyone other than your spouse/civil union partner; or
- A principal residence you owned during the year consisted of multiple units; or
- Anyone other than your spouse/civil union partner occupied and shared rent with you for an apartment or other rental dwelling unit; or
- You were both a homeowner and a tenant during the year.

If you were a homeowner, enter the amount from line 4, Worksheet F-1 on Line 37a. If you were a tenant, enter the amount from line 9, Worksheet F-1 on Line 37a. If you were both a homeowner and a tenant during the year, add the

amount from line 4, Worksheet F-1 and the amount from line 9, Worksheet F-1 and enter the total on Line 37a.

If you lived for part of the year in a residence that did not meet the requirements on page 30, do not enter on Line 37a any property taxes paid for the period of time you lived in that residence. However, if you moved during the year and lived for part of the year in a residence that qualifies, complete Worksheet F-1 for the qualified residence only. Do not list any information pertaining to the nonqualified residence.

Part-year residents. If you were a part-year New Jersey resident, and you were either a qualified homeowner or tenant, or both a homeowner and a tenant during the part of the year you lived in this State, enter on Line 37a the total amount of property taxes (or 18% of rent) due and paid during your period of residence (see page 7).

Note: Part-year residents must complete Worksheet F-1 **only** if one or more of the conditions listed under Multiple Residences, Owners, Units, or Tenants above apply.

Part I - Homeowners

Principal Residences Owned in New Jersey (Lines 1–3)

List the address of each qualified New Jersey residence you owned and occupied as your principal residence during 2012. Complete column 1 through column 5 for each address.

If you were **both** an owner and a tenant at the same address, enter the required information in **both** Part I and Part II

Column 1

Enter the number of days you owned and occupied this home as your principal residence in 2012. If this was your residence for all of 2012, enter 366. The total number of days in Part I and Part II may not exceed 366.

Completing Worksheet F-1

Enter the share (percentage) of this residence you (and your spouse/civil union partner) own(ed). Enter this figure as a decimal (e.g., if the share is 50%, enter 0.50). If you (and your spouse/civil union partner) were the sole owner(s), enter 1.00.

Column 3

If this property consists of more than one unit, indicate the share (percentage) of the property used as your principal residence. Enter this figure as a decimal (e.g., enter 25% as 0.25).

Column 4

Enter the total property taxes paid on this property during 2012 for the period indicated in column 1. Be sure to review the instructions for Line 37a on page 29 before entering an amount here.

Column 5

Multiply the decimal in column 3 by the property tax amount in column 4. If there is no figure in column 3, use the decimal in column 2. Enter the result in column 5.

For example, total property taxes paid were \$2,000, column 2 is 1.00, and column 3 is 0.50. The calculation for column 5 is $0.50 \times \$2,000 = \$1,000$.

Line 4 - Property Taxes

Add your share of property taxes paid in column 5, lines 1 through 3, and enter the total on line 4.

Eligibility for the Property Tax Deduction/Credit (Lines 37c and 49)

Homeowners and tenants who pay property taxes, either directly or through rent, on their principal residence in New Jersey may qualify for either a deduction or a refundable credit.

The property tax **deduction** reduces your taxable income. Therefore, the tax benefit varies depending on the amount of your taxable income, the amount of your property taxes or rent, and your filing status. The property tax **credit** reduces your tax due. The credit increases the total payments and/or credits on Line 55, Form NJ-1040. These payments and/or credits are subtracted directly from your tax liability. To determine the actual tax benefit you will receive (how much you will reduce your tax liability) when claiming a property tax deduction, you must calculate

your tax liability both with a deduction and without a deduction. Taxpayers who do not reduce their tax liability by \$50 or more (\$25 if spouses/civil union partners file separate returns but maintain the same principal residence) when claiming the property tax deduction should claim the property tax credit instead.

Eligibility Requirements. To be eligible for a property tax deduction **or** property tax credit:

- You must have been domiciled and maintained a principal residence as a homeowner or tenant in New Jersey during 2012; and
- Your principal residence, whether owned or rented, must be subject to local property taxes, and property taxes must have been paid on that residence either as actual property taxes or through rent; and
- Your rented dwelling must have its own separate kitchen and bath facilities; and
- Your gross income on Line 28 is more than \$20,000 (\$10,000 if filing status is single or married/CU partner, filing separate return), or you (and/or your spouse/civil union partner if filing jointly) were 65 years of age or older or blind or disabled on the last day of the tax year.

Taxpayers who were not 65 years of age or older or blind or disabled on December 31, 2012, with gross income of \$20,000 or less (\$10,000 if filing status is single or married/CU partner, filing separate return), are not eligible for a property tax credit.

If you are not eligible for a property tax deduction or credit, make no entry on Lines 37c or Line 49 and continue completing the return with Line 38.

Line 37c - Property Tax Deduction

If you satisfied the eligibility requirements above, you may be able to deduct up to 100% of property taxes due and paid **or** up to \$10,000, whichever is less. For tenants, 18% of the rent paid during the year is considered property taxes paid.

If you were an eligible homeowner or a tenant during some part of 2012,

you qualify for a property tax deduction or credit even if you were not a homeowner or a tenant on October 1, 2012.

If you are eligible for a property tax deduction or credit, and you:

- Are not claiming credit for taxes paid to other jurisdictions, complete Worksheet F on page 34 to determine the amount of your property tax deduction and whether you should elect to take the property tax credit on Line 49 instead of the deduction on Line 37c.
- Are claiming credit for taxes paid to other jurisdictions, first complete lines 1 and 2 of Worksheet F. Then complete Schedule A and Worksheet I to determine whether you will receive a greater tax benefit by taking the property tax deduction or the property tax credit. See the instructions for Schedule A on page 41.

If you will receive a greater tax benefit by taking the property tax deduction, enter on Line 37c the amount of the property tax deduction from Worksheet F or Schedule A, as appropriate and make no entry on Line 49.

Seniors or Blind/Disabled Persons With Income Below Filing Threshold

If you (or your spouse/civil union partner if filing jointly) were 65 years of age or older or blind or disabled on the last day of the tax year, and your gross income on Line 28 is \$20,000 or less (\$10,000 if filing status is single or married/CU partner, filing separate return), and you satisfy the eligibility requirements, you qualify for a property tax credit in the amount of \$50 (\$25 if you and your spouse/civil union partner file separate returns but maintain the same principal residence).

If you are eligible for a property tax credit as either a homeowner or tenant, and you:

- Are eligible and file for a 2012 homestead benefit because you were a New Jersey homeowner on October 1, 2012, your credit will automatically be included with your homestead benefit. If you are filing Form NJ-1040, do not complete Line 37c to claim a property tax deduction or Line 49 to claim a property tax credit. Information on eligibility and how to apply for a homestead benefit can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).
- Are not eligible for a 2012 homestead benefit because you were not a homeowner on October 1, 2012, you may claim the property tax credit on Form NJ-1040 or you can file the property tax credit application, Form NJ-1040-H only. See page 48. Do not file both Form NJ-1040 and Form NJ-1040-H.

Line 45 - Use Tax Due on Internet, Mail-Order, or Other Out-of-State Purchases

Complete Worksheet G below to determine the amount to report on Line 45.

When you purchase taxable items or services to be used in New Jersey but do not pay sales tax, you owe use tax. This commonly occurs when purchases are made on the Internet, by phone or mail order, or outside the State from sellers who do not collect New Jersey sales tax. The New Jersey use tax rate is the same as the sales tax rate: 7%. If you paid sales tax to another state at a rate less than 7% on a purchase that would have been taxed in New Jersey, you owe use tax based on the difference between the two rates. For example, if you paid 6% sales tax to another state, you owe 1% use tax to New Jersey. No credit is allowed for sales tax paid to a foreign country. You must pay 7% use tax to New Jersey on such purchases.

Worksheet G - Use Tax Calculation

Did you purchase any taxable items or services without paying New Jersey sales tax? This includes any Internet, phone, mail-order, or out-of-State purchases on which New Jersey sales tax was not collected, or purchases on which tax was collected at a rate less than 7%. If the answer is "Yes," you owe use tax to New Jersey. If you have already paid all use tax due with Form ST-18, answer "No."

- No. Enter "0.00" on Line 45, Form NJ-1040.

Line 45 - Use Tax Due on Internet, Mail-Order, or Other Out-of-State Purchases - continued

The following are some items that are often purchased without paying sales tax. Residents would then owe use tax based on the purchase price, including any delivery/shipping charges.

- Electronics
- Appliances
- Furniture
- Jewelry
- Music
- Books
- Artwork
- Software
- Computers
- CDs and DVDs
- Video games
- Carpet
- Antiques

For example:

- ◆ You purchased several DVDs on the Internet for \$100 with free shipping and paid no sales tax. Your use tax liability to New Jersey on these items is \$7 (\$100 × .07 = \$7).
- You purchased a computer for \$1,550 plus \$50 for shipping from a seller located outside of New Jersey and paid no sales tax. Your use tax liability to New Jersey on this item is \$112 (\$1,600 × .07 = \$112).
- On a trip to Maine you purchased an antique desk for \$4,000 and paid Maine sales tax at the rate of 5%. The difference, \$80 (2% of the purchase price), is due to New Jersey as use tax.
- You sent a watch to a Pennsylvania jeweler to be repaired and the watch was returned to you via UPS. You paid \$45 for the repair plus \$5 for shipping and paid no sales tax. Your use tax liability to New Jersey on this service is \$3.50 (\$50 × .07 = \$3.50).

There are two ways for individual taxpayers to report and remit use tax:

- By completing and filing a Use Tax Return (Form ST-18) within 20 days after property is brought into New Jersey, or
- 2. By reporting any use tax due on Line 45 of their resident income tax return, Form NJ-1040.

Form ST-18 is provided in this booklet for your convenience (in the center of the booklet with other tax forms).

If you do not owe use tax, enter "0.00" on Line 45. Do not leave this line blank. You must enter an amount on Line 45.

If you owe use tax and are remitting it with Form NJ-1040, use Worksheet G to calculate the amount you owe.

Note: Using the Estimated Use Tax Chart when calculating the amount of use tax to report on Line 45 does not preclude the Division of Taxation from auditing your account. New Jersey does have access to records maintained by out-of-State businesses, and if additional tax is due, you may receive an assessment for the amount of use tax owed, plus applicable penalties and interest.

For more information about which items and services are subject to New Jersey sales and use tax, see Tax Topic Bulletin S&U-4, *New Jersey Sales Tax Guide*. For more information about New Jersey use tax, see publication ANJ-7, *Use Tax in New Jersey*.

Line 46 - Penalty for Underpayment of Estimated Tax

New Jersey's income tax is a "pay as you go" tax. You must pay the tax as you earn or receive income throughout the year. If you do not pay enough tax on the income you received, you may owe interest (see "Estimated Tax" on page 13).

To determine the amount of interest for the underpayment of estimated tax, complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts. Enter on Line 46 the amount of interest due from line 19, Form NJ-2210. Be sure to fill in the oval below Line 46 and enclose Form NJ-2210 with your return.

W-2, W-2G, and/or 1099 statement(s). All W-2 and 1099 statements must reflect your correct social security number for the withholdings to be credited. If the social security number is missing or incorrect, you must obtain a corrected statement. Only your employer/payer can issue or correct these forms. If you have not received a W-2 or 1099 form by February 15, or if the form you received is incorrect, contact your employer/payer immediately.

Form W-2. The W-2 must indicate the amount of New Jersey tax withheld and the "State" box must indicate that the tax withheld was New Jersey income tax. See sample W-2 on page 20. Enclose the state copy of each withholding statement (W-2, W-2G).

Do not include on Line 48 amounts withheld as New Jersey unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions (shown on the W-2 as UI/WF/SWF, if combined, or UI, WF, and SWF if stated separately), New Jersey disability insurance contributions (may be shown as DI), or New Jersey family leave insurance contributions (shown as FLI). These are **not** New Jersey income tax withholdings and may not be used as credits on Line 48.

See instructions for Lines 52, 53, and 54 for more information on excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and/or family leave insurance contributions.

Form 1099. Although most 1099 forms do not show state withholding, New Jersey income tax may have been withheld from income you received that was reported on Form 1099-R or 1099-MISC. Enter on Line 48 the total amount of New Jersey income tax withheld, if any, shown on those statements. Enclose the state copy of Form 1099-R or 1099-MISC with your return only if New Jersey income tax was withheld.

Line 48 - Total New Jersey Income Tax Withheld - continued

Note: Do not include tax paid on your behalf by partnership(s) on this line. Such payments may not be claimed by New Jersey residents as credits on Form NJ-1040 and will be disallowed.

Line 49 - Property Tax Credit

If you satisfied the eligibility requirements (see page 33) and you did not claim a property tax deduction on Line 37c, you qualify for a property tax credit.

Do not complete Line 49 if:

- You claimed a property tax deduction on Line 37c; or
- Your gross income on Line 28, Form NJ-1040 is \$20,000 or less (\$10,000 if filing status is single or married/CU partner, filing separate return).

Note: If you are 65 years of age or older or blind or disabled, and you are not required to file Form NJ-1040 because your gross income on Line 28 is \$20,000 or less (\$10,000 if filing status is single or married/CU partner, filing separate return), and you satisfy the eligibility requirements, you qualify for a property tax credit in the amount of \$50 (\$25 if you and your spouse/civil union partner file separate returns but maintain the same principal residence). See "Seniors or Blind/Disabled Persons" on page 33 before completing Line 49.

Line 50 - New Jersey Estimated Payments/Credit From 2011 Tax Return

Enter on Line 50 the total of:

• Estimated tax payments made for 2012 (See "Estimated Tax" on page 13)

Worksheet H Earned Income Tax Credit

- Credit applied from your 2011 tax return*
- Amount, if any, paid to qualify for an extension of time to file

*This is the amount of overpayment that you chose to carry forward on Line 57 of your 2011 NJ-1040 as a credit towards your income tax liability for 2012. If you received a refund check for 2011, do not enter the amount of that refund check on Line 50.

Payments Made Under Another Name or Social Security Number. If you changed your name because of marriage/civil union, divorce/dissolution, etc., and you made estimated tax payments using your former name, enclose a statement with your return explaining all the payments you and/or your spouse/civil union partner made for 2012 and the name(s) and social security number(s) under which you made payments.

If your spouse/civil union partner died during the year and any estimated payment(s) were made under the deceased spouse's/civil union partner's

social security number and other payments were made under your social security number, you must enclose a statement with your return listing the social security numbers and the amounts submitted under each social security number.

Note: Do not include tax paid on your behalf by partnership(s) on this line. Such payments may not be claimed by New Jersey residents as credits on Form NJ-1040 and will be disallowed.

Line 51 - New Jersey Earned Income Tax Credit

The New Jersey earned income tax credit is a credit for certain taxpayers who work and have earned income. The credit reduces the amount of tax you owe and may also give you a refund, even if you have no tax liability to New Jersey.

Note: You must file a New Jersey resident income tax return to receive a New Jersey earned income tax credit, even if you are not required to file a return because your gross income is below the minimum income filing threshold.

For tax year 2012, most residents who are eligible and file for a Federal earned income credit can also receive a New Jersey earned income tax credit in the amount equal to 20% of the Federal benefit.

Use Worksheet H above to calculate the amount of your New Jersey earned income tax credit for Line 51. If you asked the Internal Revenue Service to calculate your Federal earned income credit, fill in the first oval below Line 51. (Civil

Line 51 - New Jersey Earned Income Tax Credit - continued

union couples should not fill in this oval even if one or both of you are eligible for a Federal credit and asked the IRS to calculate the amount. See the instructions below.) The IRS will provide information regarding Federal earned income credit recipients to the Division of Taxation in October 2013. Please allow at least 4–6 weeks for the Division to process the information and issue a check for your New Jersey earned income tax credit.

Part-Year Residents. If you were a New Jersey resident for only part of the taxable year, the amount of your New Jersey earned income tax credit must be prorated based upon the number of months you were a New Jersey resident. For this calculation 15 days or more is a month. Use this prorated figure on Line 51.

The Division of Taxation audits returns to ensure compliance with the eligibility requirements for this credit. You may be asked to provide additional documentation to support your claim.

Civil Union Couples. If you are filing a joint return for New Jersey purposes, and either one or both of you are eligible and file for a Federal earned income credit, you might also be able to receive a New Jersey earned income tax credit. A civil union partner filing a separate return is not eligible for a New Jersey earned income tax credit.

The only way to determine if you are eligible for a New Jersey credit is to prepare a Federal return as if you were married, filing jointly and calculate the amount of the Federal earned income credit, if any, you would have been eligible to receive on a joint Federal return. Once you have determined the amount of the Federal credit you would have received as joint filers, you must use that amount on Worksheet H to calculate your New Jersey credit. Be sure to fill in only the second oval below Line 51 indicating you are a civil union couple. You may be asked to provide documentation to substantiate your calculation of the Federal earned income credit vou would have been eligible to receive if you had filed a joint Federal return.

UI/WF/SWF; DI; FLI Credits (Lines 52–54)

You may take credit for excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and/or family leave insurance contributions withheld by two or more employers. For 2012, the maximum employee unemployment insurance/ workforce development partnership fund/ supplemental workforce fund contribution was \$128.78, the maximum employee disability insurance contribution was \$60.60, and the maximum employee family leave insurance contribution was \$24.24. If you had two or more employers and you contributed more than the maximum amount(s), you must enclose a completed Form NJ-2450 with your return to claim the credit.

If any single employer withheld more than the maximum for either UI/WF/SWF (\$128.78), disability insurance (\$60.60), or family leave insurance (\$24.24) contributions, enter only the maximum amount for that category on Form NJ-2450. You must contact the employer who withheld contributions in excess of the legal maximum for a refund.

All information on Form NJ-2450 must be substantiated by W-2 statements or the claim will be denied. The amounts of unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and family leave insurance contributions withheld must be reported separately on all W-2 statements. The employer's New Jersey taxpayer identification number **or** approved private plan number must also be shown. See sample W-2 on page 20.

Be careful when completing Form NJ-2450 and check that your W-2 verifies the information you provide. If **all** New Jersey Department of Labor and Workforce Development requirements are not met, your income tax credit must be denied. You must then refile your claim with the Department of Labor and Workforce Development using their Form

UC-9A, "Employee's Claim for Refund of Excess Contributions." Once your income tax credit for excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability leave insurance contributions, and/or family leave insurance contributions has been denied, it can **only** be claimed through the Department of Labor and Workforce Development.

Schedule A - Taxes Paid to Other Jurisdiction

Requirements. As a New Jersey resident, you may be eligible for a tax credit against your New Jersey income tax if you have income from sources outside New Jersey. To qualify, your income must be subject to both the New Jersey income tax and the income or wage tax imposed by another jurisdiction outside of New Jersey for the same year. For this purpose, "jurisdiction" means any state of the United States or political subdivision of such state, including the District of Columbia. Pennsylvania residents see page 42. No credit is permitted for taxes paid to the U.S. Government, Canada, Puerto Rico, or any foreign country or territory.

To receive the credit for taxes paid to another jurisdiction you must:

- Complete Schedule A in its entirety.
 You may be required to complete more than one Schedule A in certain situations. See below.
- 2. Enclose Schedule A(s) with your NJ-1040 income tax return.

Completing More Than One Schedule A.

You must complete a separate Schedule A for each jurisdiction for which you are claiming a credit. You must also complete a separate Schedule A for each tax imposed by a jurisdiction.

- Two or more jurisdictions (i.e., a state and political subdivision(s) therein) impose tax on the same income. For example, when both a state and a city within that state tax the same income, you may have to complete and enclose a separate Schedule A for each jurisdiction (see "Same Income Taxed by More Than One Jurisdiction" on page 42).
- Different jurisdictions impose tax on different income. For example, if you had wages from State A and a gain from the sale of property from State B, you must complete a separate Schedule A for each state.
- Same jurisdiction imposes more than one type of tax. For example, if you

Note: New Jersey does not require that a copy of the income tax return(s) filed with the other jurisdiction(s) be enclosed with Form NJ-1040. However, you should retain complete copies of any returns filed with other jurisdiction(s). If your return is audited, you will be asked to provide:

- a) A complete copy of the income tax return(s) filed with the other jurisdiction(s) if one was filed or required to be filed. If you filed electronically in the other jurisdiction, a copy of the Electronic Filing Income Tax Return *along with* schedules, worksheets, etc. which establish the nature and source of the income being taxed by the other jurisdiction must be submitted.
- b) If you participated in a composite return filed in another jurisdiction, you must submit a statement, on the filing entity's letterhead, that lists the jurisdiction, your share of the gross income taxed by the other jurisdiction, and your share of the tax paid.
- c) If no return is required to be filed with the other jurisdiction, you must submit the following as applicable:
 - W-2 which lists the wage taxes paid and the name of the taxing jurisdiction.
 - A statement from the business entity which filed a tax return based on income that lists your share of the gross income taxed by the other jurisdiction, the name of the tax, and your share of the tax paid.

had wages and business income from a city that imposes both a wage tax and a different tax on business income, you must complete one Schedule A for the wage tax and a separate Schedule A for the tax on business income.

Property Tax Deduction/Credit (Worksheet I). Schedule A provides taxpayers who are eligible for a property tax benefit with a method for calculating the credit for taxes paid to another jurisdiction both with and without the property tax deduction. If you are eligible to receive a property tax deduction/credit you must complete Schedule A for each jurisdiction for which you are claiming a credit for taxes paid. Then you must complete Worksheet I on page 44 to determine whether you receive a greater benefit from claiming the property tax deduction or taking the property tax credit.

If you are claiming a credit for taxes paid to another jurisdiction but you are not eligible for a property tax benefit (see page 33 for eligibility requirements), only complete Column B of Schedule A. Enter the amount from Line 9, Column B on Line 41, Form NJ-1040. Make no entry on Lines 37c or 49, Form NJ-1040.

Line 1 - Income Actually Taxed by Other Jurisdiction

Enter on Line 1 the amount of income you received during the year which was actually taxed by the other jurisdiction. Also enter the name of the taxing jurisdiction in the space provided. The amount on Line 1 must be the amount of income which was actually taxed by the other jurisdiction. This means the gross income after adjustments have been made by the other jurisdiction but before personal exemptions and standard and/or other itemized deductions are subtracted. Any income included on Line 1 of Schedule A must also be included on Line 2 since to be eligible for the credit, the income must be taxed by both New Jersey and the other jurisdiction.

Include on Line 1 only amounts properly taxable by the other jurisdiction. In general, this includes compensation for services performed; net profits from a business, trade, or profession carried on in the other jurisdiction; S corporation income allocated to the other jurisdiction; or income or gains from the ownership or sale of real or personal property in the other jurisdiction.

Schedule A - continued

Amounts received as interest, dividends, gains on sale of securities, and other income from intangible personal property such as savings accounts, stocks, bonds, and other securities, cannot be included on Line 1 unless (1) the income was derived from a business, trade, or profession carried on in the other jurisdiction, or (2) you are required to and file a resident return with the other jurisdiction as well as with New Jersey and report the income on both returns.

Do **not** include on Line 1:

- Income which is not subject to New Jersey income tax (even though the item(s) may be subject to tax by the other jurisdiction, e.g., unemployment compensation).
- Income which has been excluded or deducted in arriving at the income actually taxed in the other jurisdiction.
 Items such as IRA and Keogh contributions, employee business expenses, moving expenses, and alimony, if allowed as adjustments to income, would have been deducted from gross income.
- Income subject to tax by any foreign country, U.S. possession, or territory.
- If you are required to file a resident return in the other jurisdiction, any amount of S corporation income allocated to New Jersey.

Same Income Taxed by More Than One Jurisdiction. Income can only be reported once on Schedule A. When you pay tax to two jurisdictions on the same income, and the amount of income taxed by each jurisdiction is the same, complete only *one* Schedule A. When you pay tax to two jurisdictions on the same income and the amount of income taxed by each jurisdiction differs, you may be eligible to claim two credits. The first credit is based on the amount of income taxed by both jurisdictions, and the second credit is based only on the difference between the amounts taxed by the two jurisdictions.

For example, New Jersey taxed \$150,000 in business income of a business in city Y located in state Z. Both city Y and state Z

taxed the business income. If state Z imposed \$8,200 tax on \$120,000 of income, and city Y imposed \$5,600 tax on \$140,000 of income, complete two Schedule As. Line 1, Schedule A of the first credit calculation will be \$120,000 (the amount of income taxed by both city Y and state Z). To determine the credit available on the \$120,000 which was jointly taxed, add together and enter in Box 9a, Line 9 the taxes paid to state Z (\$8,200) and the portion of the city Y tax on \$120,000 (\$4,800). (Do not use \$5,600 for the amount of city Y tax, since that is the tax paid on \$140,000 of income.) Compare the allowable credit calculated on Line 8, Schedule A to the amount in Box 9a (\$13,000). The credit allowed is the lesser of Line 8 or Box 9a. For the second Schedule A. the amount on Line 1 is \$20,000. This is the difference between the amount taxed by both city Y and state Z (\$120,000) on which a credit has already been calculated, and the amount taxed by city Y (\$140,000).

Note: When calculating the credit for income taxed by more than one jurisdiction and the actual tax paid to the other jurisdiction is less than the allowable credit, enter on Line 9, Box 9a of each Schedule A only the tax paid on the amount of income entered on Line 1. In the example above, Line 9, Box 9a of the second Schedule A would show \$800, the tax paid to city Y on \$20,000 of income, not \$5,600, the tax paid on \$140,000 of income.

Income From New York. New Jersey residents working in or earning taxable income from New York are often taxed on an amount less than their actual income earned in New York due to the many allowable New York income tax adjustments. New York determines the rate (% of tax) that will be imposed by including all the income earned as if the taxpayer was a resident. New York then computes the percentage of the New York source income by dividing the New York State income by the Federal income (worldwide income). The percentage is then multiplied by the total calculated tax liability, as if a resident, to determine the actual tax liability of the nonresident. When claiming credit for taxes paid to

New York, Line 1, Schedule A of the NJ-1040 should reflect the "New York State Amount" actually taxed by New York from the New York IT-203. Certain adjustments may be necessary to determine the income actually taxed by New York State.

For New Jersey residents subject to the New York State income tax on lump-sum distributions, separate Schedule A calculations for taxes paid to New York State on first the ordinary income and second on taxes paid to New York State on the lump-sum distribution should be made to arrive at the total credit for taxes paid. Both Schedule As must be enclosed with your return.

Income From Pennsylvania. As a result of the Reciprocal Personal Income Tax Agreement between the Commonwealth of Pennsylvania and the State of New Jersey, compensation paid to New Jersey residents employed in Pennsylvania is not subject to the Pennsylvania income tax. Compensation means salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered as an employee.

You may **not** claim a credit on Schedule A for taxes paid to Pennsylvania on compensation earned in Pennsylvania because these earnings are not subject to tax in Pennsylvania. If Pennsylvania income tax was withheld from your wages, you must file a Pennsylvania return to obtain a refund. To stop the withholding of Pennsylvania income tax, complete a Pennsylvania Employee's Nonwithholding Application Certificate (Pennsylvania Form REV-419) and give it to your employer. You may obtain Form REV-419 from the Pennsylvania Department of Revenue (www.revenue.state.pa.us/).

The Reciprocal Agreement covers compensation only. If you are self-employed or receive other income (for example, gain from sale of property) which is taxable in both states, you may claim a credit for taxes paid to Pennsylvania on that income by completing Schedule A.

Income From Philadelphia or Other Pennsylvania Municipalities. The

Schedule A - continued

Reciprocal Agreement between Pennsylvania and New Jersey (see "Income From Pennsylvania" on page 42) does not apply to the wage or income tax imposed and collected by the City of Philadelphia or any other municipality in Pennsylvania. Therefore, income subject to both New Jersey income tax and any municipal wage or income tax may be included on Line 1, Schedule A.

The amount of income taxable to Philadelphia is sometimes different than the New Jersey State wages figure on the W-2 statement. To determine the proper amount of income to place on Line 1 of Schedule A of the NJ-1040, you must divide the wage tax deducted from your pay by the Philadelphia tax rate as follows:

Philadelphia Wage Tax Paid Philadelphia Wage Tax Rate = Line 1, Sched. A

Do not report at Line 1 an amount that is more than the amount reported at Line 14, NJ-1040 as Philadelphia wages.

Information about the Philadelphia wage tax rate is available on the Philadelphia Revenue Department's Web site at www.phila.gov/revenue/.

Sole Proprietorship or Partnership Income From Philadelphia. If you are a sole proprietor or partner in a partnership whose income is subject to Pennsylvania income tax and Philadelphia Business Privilege Tax and Net Profits Tax, you must consider the taxes paid (based on income) to all jurisdictions when calculating the credit. The Philadelphia Business Privilege Tax imposes two taxes, one based on income and one based on gross receipts. Only the tax imposed based on income qualifies for the credit calculation.

S Corporation Income. If you paid income taxes or wage taxes to another jurisdiction on your S corporation income and that income is also taxed in New Jersey for the same tax year, you may be eligible for a credit. No credit is allowed, however, for tax imposed by another jurisdiction on S corporation income which is allocated to New Jersey. Nor is a credit allowed for the amount of any taxes paid or accrued on or measured by profits or

income imposed on or paid on behalf of a person other than you, whether or not you may be held liable for the tax. In addition, you may not claim a credit against New Jersey tax attributable to distributions. Distributions that are taxable to you as dividends or gains from disposition of property are intangible income and not subject to tax in the other jurisdiction.

Line 2 - Income Subject to Tax by New Jersey

Enter on Line 2 the amount of income reported on Line 28, Form NJ-1040 (New Jersey Gross Income).

Line 3 - Maximum Allowable Credit Percentage

Divide Line 2 into Line 1 and enter the percentage on Line 3. Carry your results to seven (7) decimal places, rounding up if the seventh place is 5 or more (i.e., .2412378 becomes 24.1238%). Since Line 1 can never be more than Line 2, the result will be 100% or less.

If you are not eligible to claim a property tax deduction or credit, only complete Column B to determine your credit for taxes paid to other jurisdictions. Total the amounts from Line 9, Column B of all Schedule As completed and enter that amount on Line 41, Form NJ-1040. Make no entry on Lines 37c or 49, Form NJ-1040.

Line 4 - Taxable Income

For each column, enter on Line 4 the amount of your taxable income from Line 36, Form NJ-1040.

Line 5 - Property Tax and Deduction

If you were a qualified homeowner or tenant during the tax year, you may be eligible for a property tax deduction **or** property tax credit. See instructions on page 33 to determine if you qualify. If you qualify, complete Line 5 as follows:

Box 5a. Enter in Box 5a your property taxes (or 18% of rent) due and paid during 2012 on your qualified residence from line 1 of Worksheet F. See page 34.

Column A (Line 5). Enter on Line 5 in Column A, your property tax deduction amount from line 2 of Worksheet F. See page 34.

Line 7 - Tax on Line 6 Amount

For each column, enter on Line 7 the amount of tax due on the income entered on Line 6. Use the Tax Table on page 52 or the Tax Rate Schedules on page 61 to calculate the amount of tax due.

If you are not eligible for a property tax benefit, and you are completing only Column B of Schedule A, the amount on Line 7, Column B should be the same as the amount you entered on Line 39, Form NJ-1040.

Line 8 - Allowable Credit

For each column, multiply the amount on Line 7 by the percentage on Line 3 and enter the result on Line 8.

Line 9 - Credit for Taxes Paid to Other Jurisdiction

Enter in Box 9a the total amount of income or wage tax paid to the other jurisdiction(s) on the amount of income shown on Line 1. Enter the total tax liability to the other jurisdiction from the other jurisdiction's tax return. If the other jurisdiction does not require the filing of a tax return, Box 9a of Schedule A may be the taxes withheld for the jurisdiction.

If you adjusted the income on Line 1 of this Schedule A because you had income taxed by more than one jurisdiction, enter only the tax paid on the adjusted amount shown on this Schedule (see example on page 42).

For each column, enter on Line 9 the lesser of Line 8, Allowable Credit, or the amount in Box 9a, amount of income or wage tax paid to the other jurisdiction(s) on the income shown on Line 1, Schedule A.

For more information on claiming a credit for taxes paid to another jurisdiction, refer to Tax Topic Bulletins GIT-3W, Credit for Taxes Paid to Other Jurisdictions (Wage Income), and GIT-3B, Credit for Taxes Paid to Other Jurisdictions (Business/Nonwage Income).

Schedule B - Disposition of Property

Your portion of the gain or loss derived from the disposition of property owned by a sole proprietorship, partnership, an estate or trust or, in general, an S corporation is reportable as net profits from business on Line 17, distributive share of partnership income on Line 20, income from estates and trusts on Line 25, or net pro rata share of S corporation income on Line 21. For information regarding grantor trusts, see the reporting instructions for Line 25 on page 25.

Use Schedule B to report all other capital gains and income from the sale or exchange of any property. In arriving at your gain, you may deduct expenses of the sale and your basis in the property. The basis to be used for computing gain or loss is the cost or adjusted basis determined for Federal income tax purposes.

New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the gain or loss on disposition of applicable property.

If you had an interest in a partnership, a sole proprietorship, or an S corporation which sold or disposed of virtually all of its assets in conjunction with the

Schedule B - continued

complete liquidation of the entity, then your portion of the gain or loss from the entity's sale or disposition of its assets must be reported as net gains or income from the disposition of property.

If you sold an interest in a partnership, a sole proprietorship, or rental property, you may be required to use a New Jersey adjusted basis. If you sold shares in an S corporation, you **must** use your New Jersey adjusted basis. The gain or loss from your sale or liquidation of a sole proprietorship, a partnership interest, or shares of S corporation stock must be reported as net gains or income from disposition of property on Schedule B.

For information on calculating your New Jersey adjusted basis and your New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1(c)5 (trade or business property), 18:35-1.3(d)2 (partnerships), or 18:35-1.5(k) (S corporations) and Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.

All gains derived from installment sales must be reported in the same year as reported for Federal income tax purposes. If the New Jersey basis differs from the Federal basis, a New Jersey installment sale calculation must be made and the New Jersey gain must be reported.

If the spaces provided are not sufficient, enclose a statement with the return listing any additional transactions along with Schedule B.

Sale of a Principal Residence. If you sell your principal residence, you may qualify to exclude up to \$250,000 (\$500,000 for certain married/civil union couples filing a joint return) of any gain from your income. Capital gain is computed in the same manner as for Federal income tax purposes. Any amount that is taxable for Federal purposes is taxable for New Jersey purposes.

You can claim the exclusion if, during the 5-year period ending on the date of the sale, you have:

- 1. Owned the home for at least 2 years (the ownership test); and
- 2. Lived in the home as your principal residence for at least 2 years (the use test).

Note: If you owned and used the property as your principal residence for less than 2 years, and you qualify for a reduced exclusion for Federal purposes, you may claim a reduced exclusion for New Jersey purposes.

You can exclude up to \$250,000 (\$500,000 for certain married/civil union couples filing a joint return) of gain from the sale of your principal residence if **both 1 and 2** below apply.

- Neither you nor your spouse/civil union partner if filing a joint return is excluding gain from the sale of another home.
- 2. You or your spouse/civil union partner if filing a joint return owned and lived in the home for periods adding up to at least 2 years within the 5-year period ending on the date of sale.

If you are a married/civil union couple, filing a joint return, **both** you and your spouse/civil union partner must meet the use test to qualify for the \$500,000 exclusion.

If only one spouse/civil union partner meets the ownership and use tests, the qualified spouse/civil union partner can exclude up to \$250,000 of the gain when filing either a joint return or a married/CU partner, filing separate return.

You cannot exclude the gain on the sale of your principal residence if, during the 2-year period ending on the date of the sale, you sold another home at a gain and excluded all or part of that gain. If you cannot exclude the gain, you must include it in your income and complete Schedule B. However, you can claim a reduced exclusion if you sold the home due to a change in health or place of employment and you qualify for a reduced exclusion for Federal purposes.

Line 1 - List of Transactions

List at Line 1, Schedule B any New Jersey taxable transaction(s) as reported on your Federal Schedule D, indicating the gain or loss for each transaction in Column f. In listing the gain or loss on disposition of rental property, the New Jersey adjustment from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, Part 1, line 6 must be taken into consideration. Be sure to retain the completed worksheet for your records.

Do not include gains or losses from the sale of exempt obligations. For more information on tax-exempt obligations, see Tax Topic Bulletin GIT-5, *Exempt Obligations*.

The Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses when reporting income on Form NJ-1040. You may deduct Federal passive losses in full in the year incurred against any gain within the **same category** of income, but only in the year that it occurred.

Line 2 - Capital Gains Distributions

Enter on Line 2 the total amount of all capital gains distributions from your Form 1099-DIV(s) or similar statement(s). Do not include capital gains from a "New Jersey Qualified Investment Fund" which are attributable to qualified exempt obligations or gains from mutual funds to the extent attributable to Federal obligations. For more information on "New Jersey Qualified Investment Funds," see page 21.

Line 3 - Other Net Gains

Enter on Line 3 the total amount of net gains or income less net losses from disposition of property not included on Lines 1 or 2 of Schedule B

Line 4 - Net Gains

Enter on Line 4 the total of the amounts listed on Line 1, Column f and Lines 2 and 3, netting gains with losses. Enter this amount on Line 18, Form NJ-1040. If the netted amount is a loss, enter zero here and make no entry on Line 18, Form NJ-1040.

Schedule NJ-BUS-1 Business Income Summary Schedule

Part I - Net Profits From Business

Use Part I to report the net profits or loss from every business, trade, or profession in which you were engaged. If the spaces provided are not sufficient, enclose a statement with the return listing any additional businesses and the related profit or loss along with Schedule NJ-BUS-1.

To determine your New Jersey profit or loss, first complete a Federal Schedule C (or Schedule C-EZ or F) for each business. Use the same accounting method (cash or accrual) that you used for Federal income tax purposes.

To comply with New Jersey income tax law you must make the following adjustments to your Federal Schedule C (or C-EZ or F):

- 1. Add any amount you deducted for taxes based on income.
- Subtract interest you reported on Federal Schedule C (or C-EZ or F) which is exempt for New Jersey purposes but taxable for Federal purposes.
- 3. Add interest not reported on Federal Schedule C (or C-EZ or F) from states or political subdivisions outside of New Jersey which is exempt for Federal purposes.
- 4. Deduct the remaining 50% of meal and entertainment expenses (that were disallowed on the Federal return).
- Deduct your qualified contributions to a self-employed 401(k) plan.
 Contributions to a plan in excess of the Federal limits, which are not an allowable deduction for Federal tax purposes, are also not deductible for New Jersey purposes.
- 6. Add interest and dividends derived in the conduct of a trade or business.

- Add or subtract income or losses derived in the conduct of a trade or business from rentals, royalties, patents, or copyrights.
- 8. Add or subtract gains or losses from the sale, exchange, or other disposition of the trade or business's property.
- Add or subtract the net adjustment from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, Part 1, line 7. Be sure to retain the completed worksheet for your records.
- Subtract the New Jersey allowable IRC Section 199 deduction, which must be calculated on Form 501-GIT, Domestic Production Activities Deduction.

Sole proprietors engaged in providing "primary care" medical and/or dental services at a qualified practice located in or within five miles of a designated Health Enterprise Zone (HEZ) may qualify for a deduction on Line 33. For information on eligibility requirements and how to calculate the HEZ deduction, see Division Technical Bulletin TB-56.

Anyone engaged in a business, trade, profession, or occupation in New Jersey must register with the State for tax purposes by filing a Business Registration Application, Form NJ-REG. Form NJ-REG may be filed online through the Division of Revenue's NJ Business Gateway Services at:

Use Part IV to report all other net gains or income less net losses from rents, royalties, patents, and copyrights. If the spaces provided are not sufficient, enclose a statement with the return listing any additional property and income or loss along with Schedule NJ-BUS-1.

A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the net gain, income, or loss resulting from the rental of applicable property.

The Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses when reporting income on Form NJ-1040. Thus, you may deduct Federal passive losses in full in the year incurred against any gain within the **same category** of income.

Senior Gold Prescription Discount Program

Senior Gold Prescription Discount Program (Senior Gold) is a State-funded prescription program that helps eligible residents pay for prescribed legend drugs, insulin and insulin supplies.

Eligibility Requirements

You are eligible for Senior Gold if you meet the following requirements:

- You are a New Jersey resident;
- You are 65 years of age or older **or** you are 18 years of age or older *and* receiving Social Security Title II Disability benefits (you do *not* qualify if you are under age 65 and receiving these benefits on behalf of someone other than yourself);
- You meet certain income limits. The annual income limits for 2012 were between \$25,312 and \$35,312 if you are single or between \$31,035 and \$41,035 if you are married or in a civil union (Note: these limits may change for 2013); and
- If you are Medicare-eligible, you are required to enroll in a Medicare Part D Prescription Drug Plan of your choice. You will be responsible for paying the monthly premium directly to the Medicare Part D plan. You also will be responsible for paying any late enrollment penalty imposed by Medicare for each month you were eligible to enroll in Medicare Part D but did not enroll.

Benefits

Senior Gold helps eligible New Jersey residents pay for prescription drugs, insulin, insulin needles and syringes, and needles for injectable medicines used for the treatment of multiple sclerosis. Only drugs approved by the Food and Drug Administration are covered. Drugs purchased outside the State of New Jersey are not covered, nor is any pharmaceutical product whose manufacturer has not agreed to provide rebates to the State of New Jersey. The Senior Gold card works together with Medicare Part D Prescription Drug Plans. Senior Gold can reduce out-of-pocket expenses associated with participation in Medicare Part D.

Where to Get Information

For more information about the Senior Gold Program call 1-800-792-9745 or visit the Department of Health and Senior Services' Web site at: www.state.nj.us/health/seniorbenefits/seniorgolddetail.shtml

FILING INFORMATION

- Your filing status and gross income determine whether you have to file a tax return.
- Age is not a factor in determining whether a person must file. Even minors (including students) and senior citizens must file if they meet the income filing requirements.
- *Gross income* means reportable income after exclusions but before personal exemptions and deductions are subtracted. It does not include nonreportable (exempt) benefits. See page 15 to find out which types of income are not reportable.
- Members of the Armed Forces (and their spouses) see page 6 for additional information.
- Compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey income tax. See page 4 for more information.

Use the following chart to determine whether you must file a tax return. This chart is a guide only and may not cover every situation. If you need assistance, contact the Division's Customer Service Center (609-292-6400).

Who Must File [†] You must file a New Jersey income tax return if – Your residency status is:	your filing status is:	and your gross income from everywhere was more than:
 Nonresident — File Form NJ-1040NR as a nonresident if: New Jersey was not your domicile (permanent legal residence); and you spent 183 days or less here; OR 	Single Married/CU partner, filing separate return	\$10,000 (from all sources)
 New Jersey was not your domicile, you spent more than 183 days here, but you did not maintain a <i>permanent*</i> home here. You may also be considered a nonresident for New Jersey income tax purposes if you were domiciled in New Jersey and you met all three of the following conditions for the entire year: You did not maintain a <i>permanent</i> home in New Jersey; and You did maintain a <i>permanent</i> home outside of New Jersey; and You did not spend more than 30 days in New Jersey. 	Married/CU couple, filing joint return Head of household Qualifying widow(er)/ surviving CU partner	\$20,000 (from all sources)
Part-Year Resident — File Form NJ-1040 as a part-year resident if: You met the definition of resident for only part of the year.	Single Married/CU partner, filing separate return	\$10,000 from all sources (for the entire year)
Note: Both part-year resident (Form NJ-1040) and part-year nonresident (Form NJ-1040NR) returns may have to be filed when a part-year resident receives income from New Jersey sources during the period of nonresidence.	Married/CU couple, filing joint return Head of household Qualifying widow(er)/ surviving CU partner	\$20,000 from all sources (for the entire year)
Full-Year Resident — File Form NJ-1040 as a full-year resident if: New Jersey was your domicile for the entire year; OR	Single Married/CU partner, filing separate return	\$10,000 (from all sources)
 New Jersey was not your domicile, but you maintained a permanent* home in New Jersey for the entire year and you spent more than 183 days in New Jersey. (Members of the Armed Forces stationed here and their spouses/civil union partners who are not domiciled in New Jersey are not residents under this definition.) 	Married/CU couple, filing joint return Head of household Qualifying widow(er)/ surviving CU partner	\$20,000 (from all sources)

^{*} A home (whether inside or outside of New Jersey) is not permanent if it is maintained only during a temporary or limited period for the accomplishment of a particular purpose. Likewise, a home used only for vacations is not a permanent home.

You Also Need to File a Return if:

- ♦ You had New Jersey income tax withheld and are due a refund.
- ♦ You paid New Jersey estimated taxes for 2012 and are due a refund.

Other Filing Information

Married/Civil Union Couples and Filing Status. If both you and your spouse/ civil union partner were nonresidents of New Jersey during the entire taxable year, and only one of you earned, received, or acquired income from New Jersey sources, the spouse/civil union partner who had income from New Jersey sources may file a separate New Jersey return even if a joint Federal return was filed. The spouse/civil union partner with income from New Jersey sources computes income and exemptions as if a Federal married, filing separate return had been filed. You have the option of filing a joint return, but remember, joint income would be reported in Column A of Form NJ-1040NR.

If one spouse/civil union partner was a nonresident and the other a resident of New Jersey during the entire taxable year and both had income from New Jersey sources, separate New Jersey returns may be filed (the nonresident files a nonresident return and the resident files a resident return). Each computes income and exemptions as if Federal married, filing separate returns had been filed. You have the option of filing a joint resident return, but remember, joint income would be taxed as if both were residents.

Domicile. A domicile is any place you regard as your permanent home—the place to which you intend to return after a period of absence (as on vacation abroad, business assignment, educational leave, etc.). A person has only one domicile, although he or she may have more than one place to live. Once established, your domicile continues until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey.

A place of abode, whether inside or outside of New Jersey, is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose (e.g., temporary job assignment). If New Jersey is your domicile,

TAXPAYERS' BILL OF RIGHTS

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers—individuals and businesses alike—are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:

Service-

- Division must respond to taxpayers' questions within a reasonable time period.
- Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.

Appeals—

• Time to appeal to the Tax Court is generally 90 days.

Interest on Refunds—

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You may request that your overpayment of this year's tax be credited towards next year's tax liability, however, interest will not be paid on overpayments that are credited forward.

For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, see our publication ANJ-1, *New Jersey Taxpayers' Bill of Rights*.

you will be considered a resident for New Jersey tax purposes *unless* you meet all three conditions for nonresident status (see "Who Must File" on page 3). Likewise, if New Jersey is not your domicile, you will only be considered a New Jersey resident if you maintain a permanent home and spend more than 183 days here.

New Jersey Residents Working/Living Abroad. If New Jersey is your domicile and you are considered a New Jersey resident for tax purposes (see "Who Must File" on page 3), you are subject to tax on income from all sources (worldwide income) regardless of where you are living. New Jersey resident individuals living abroad are subject to the same income tax filing and payment requirements, including the requirement to make estimated tax payments (see "Estimated Tax" on page 10), that apply to individuals living in New Jersey.

Pennsylvania Residents

Income From New Jersey. As a result of the Reciprocal Personal Income Tax Agreement between the Commonwealth of Pennsylvania and the State of New Jersey, compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey income tax.

Compensation means salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered as an employee.

If New Jersey income tax was withheld from your wages, you must file a New Jersey nonresident return to obtain a refund. To stop the withholding of New Jersey income tax, complete a New Jersey Employee's Certificate of Nonresidence in New Jersey (Form NJ-165) and give it to your employer.

The Reciprocal Agreement covers compensation only. If you are self-employed or receive other income (for example, gain from sale of property) which is taxable in both states, you must file a New Jersey nonresident return and report the income received.

Column A. Complete Column A, Lines 14 through 26, showing income from everywhere.

Column B. When Pennsylvania residents complete Column B, employee compensation from New Jersey sources should not be included on Line 14. For Pennsylvania residents Line 14, Column B, is zero, so enter "0."

Pennsylvania Residents - continued

Withholdings. If New Jersey income tax was withheld, enter the amount from your W-2(s) on Line 45.

Signed Statement. Pennsylvania residents employed in New Jersey who had New Jersey income tax erroneously withheld must enclose a signed statement declaring the following, "Under penalties of perjury, I affirm that I am a resident of the Commonwealth of Pennsylvania and that, pursuant to an agreement existing between the Commonwealth and the State of New Jersey, I claim exemption from payment of New Jersey gross income tax on compensation paid to me in the State of New Jersey. I understand that under the agreement between Pennsylvania and New Jersey this information is available to the Commonwealth of Pennsylvania."

Guidelines for Part-Year Nonresidents

Filing Requirements. Any person who became a resident of New Jersey or moved out of this State during the year, and whose income from all sources for the entire year is greater than \$20,000 (\$10,000 if filing status is single or married/CU partner, filing separate return), must file a **resident** return and report that portion of the income received while a resident of New Jersey. A person who receives income from a New Jersey source while a nonresident, and whose income from all sources for the entire year exceeds \$20,000 (\$10,000 if filing status is single or married/CU partner, filing separate return), must file a New Jersey nonresident return, even though the income from New Jersey sources reported for the period of nonresidence was below these thresholds

Part-year nonresidents must prorate all exemptions, deductions, and credits, as well as the pension and other retirement income exclusions, to reflect the period covered by each return.

If your income for the entire year from all sources was \$20,000 or less (\$10,000 if filing status is single or married/CU partner, filing separate return), no tax is due. You must enclose a copy of your Federal income tax return or a statement to that effect if you did not file a Federal return.

AVOIDING COMMON MISTAKES

Check the following items to avoid delays in processing returns and refunds.

- ✓ Name, Address, and Social Security Number should be checked for accuracy. Be sure your social security number appears on all documents submitted with your return. Also indicate your state of residency in the space provided.
- ✓ **Use correct form** for your tax situation. See the "Who Must File" chart on page 3.
- ✓ Use only blue or black ink when completing forms.
- ✓ **Read instructions** carefully before completing your return.
- ✓ You may not report a loss on Form NJ-1040NR.
- ✓ Use "STATE WAGES" figure(s) from Box 16 of your W-2(s), NOT Federal wages figure(s). If you received wages from sources outside New Jersey, this figure may need to be adjusted to reflect New Jersey tax law.
- ✓ Enclose all W-2(s) with your return. Also enclose 1099-(R)s and 1099-MISC(s) that indicate NJ Withholdings.
- ✓ **Report estimated payments** made in connection with the sale or transfer of real property in New Jersey on Line 46, NOT on Line 45.
- ✓ Complete both Column A and Column B, Lines 14–26.
- ✓ **Locate the correct column** for your filing status in the Tax Table when calculating tax on Line 38.
- ✓ **Request a refund** by completing Line 56.
- ✓ Enclose all necessary forms, schedules, and other documents with your return. See page 45.
- ✓ Check your math.
- ✓ **Sign and date your return.** Both spouses/civil union partners must sign a joint return.
- ✓ Enclose a copy of death certificate and check the box below signature line if refund is due and you want check to be issued in name of surviving spouse or estate. See page 9.
- ✓ Send only one return per envelope.
- ✓ **Keep a copy of your return** and all supporting documents or schedules.
- ✓ **Changes or mistakes** to your original return may be corrected by filing an amended return. See page 10.

NOTE: If you derived any income while a resident of New Jersey, it may also be necessary to file a New Jersey resident return. Any withholdings should be allocated between the resident and nonresident returns. For more information, see Form NJ-1040, New Jersey resident return and instructions.

Line 14 - Wages

Column A. Enter your wages from sources both inside and outside New Jersey for your period of nonresidence.

Column B. Enter your wages from New Jersey sources for your period of nonresidence (unless you were a Pennsylvania resident).

Other Income

Column A. Enter your interest, dividends, pensions, and all other income from sources both inside and outside New Jersey for your period of nonresidence. Partners and shareholders should see Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*, for instructions on reporting distributive share of partnership income and net pro rata share of S corporation income.

Column B. Enter only the income from New Jersey sources for your period of nonresidence. Part-year nonresident partners and, in general, S corporation shareholders, must prorate the entity's income based on the number of days in

Part-Year Nonresidents - continued

the entity's fiscal year that you were a nonresident divided by 365 (366 for leap years).

Line 27a - Pension Exclusion. If you were a New Jersey nonresident for only part of the taxable year and had total income from all sources for the *entire year* of \$100,000 or less before subtracting any pension exclusion, you may qualify for a pension exclusion if you meet the other eligibility requirements. If you qualify, prorate the exclusion by the number of months you were a New Jersey nonresident. For this calculation 15 days or more is a month.

Column B. No entry is necessary.

Line 27b - Other Retirement Income Exclusion. If you (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There are two parts to the total exclusion: Part I, the unclaimed portion of your prorated pension exclusion, and Part II, a special exclusion for taxpayers who are unable to receive Social Security or Railroad Retirement benefits. Do not complete Worksheet D on page 24 to calculate the total exclusion amount you are eligible to claim. Instead, calculate your total exclusion as follows:

Part I. Total the earned income (wages, net profits from business, partnership income, and S corporation income) you received from all sources for the *entire year*. If your earned income for the entire year was \$3,000 or less and you did not use your entire *prorated* pension exclusion at Line 27a, you may be able to use the unclaimed pension exclusion at Line 27b provided total income from all sources for the entire year before subtracting any pension exclusion was \$100,000 or less.

Part II. If you are unable to receive Social Security or Railroad Retirement benefits, but would have been eligible for benefits had you fully participated in either program, you may also be eligible for an additional exclusion, whether or not you used all of your *prorated* pension exclusion at Line 27a.

For more information, see Tax Topic Bulletin GIT-6, *Part-Year Residents*.

Line 30 - Total Exemption Amount.

Your total exemptions must be prorated based upon the number of months you were a New Jersey nonresident. For this calculation 15 days or more is a month.

Total Exemptions $\times \frac{\text{Mos. NJ Nonresident}}{12} = \text{Line } 30$

See the instructions for Line 30 on page 25 to calculate the "total exemption" amount to be prorated.

Lines 31, 32, 33, 34 and 35 - Deductions. You may deduct medical expenses, qualified Archer medical savings account (MSA) contributions, health insurance costs of the self-employed, alimony and separate maintenance payments, and qualified conservation contributions based on the actual amounts paid for the period of time you were a nonresident of New Jersey. Complete Worksheet E for medical expenses. See page 26. In addition, eligible taxpayers may qualify for a prorated Health Enterprise Zone (HEZ) deduction. Taxpayers with business losses may also be eligible for an alternative business calculation adjustment based on the business income (losses) reported during their period of nonresidence.

Part II - Allocation of Wage and Salary Income Earned Partly Inside and Outside New Jersey. If you must complete Part II, use the total number of days for your *period of nonresidence*. For more information on part-year nonresidents, see Tax Topic Bulletin GIT-6, *Part-Year Residents*.

Guidelines for Military Personnel

Residents. A member of the Armed Forces whose home of record (domicile) is New Jersey when entering the service remains a resident of New Jersey for income tax purposes, and must file a resident return, Form NJ-1040, even if assigned to duty in another state or country, unless he or she qualifies for nonresident status (see chart on page 3). If you are a New Jersey resident, you are subject to tax on all your income, including your military pay, regardless of where it is

earned, unless the income is specifically exempt from tax under New Jersey law. Mustering-out payments, subsistence and housing allowances are exempt.

Military pensions are exempt from New Jersey gross income tax, regardless of age or disability status. See instructions for Line 21 on page 19.

A member of the Armed Forces whose home of record is New Jersey and who is stationed outside the State (whether living aboard ship or in barracks, billets, apartment, or house) and does not intend to remain outside New Jersey, continues to be a resident and must file a resident return and report all taxable income. However, if a serviceperson pays for and maintains facilities such as an apartment or a home outside of New Jersey, either by out-ofpocket payments or forfeiture of quarters allowance, such facilities will constitute a permanent home outside of New Jersey. In this case, the serviceperson is not considered a New Jersey resident for tax purposes.

Nonresidents. A member of the Armed Forces whose home of record (domicile) is outside of New Jersey does not become a New Jersey resident when assigned to

a New Jersey resident when assigned to duty in this State. A nonresident service-person's military pay is not subject to New Jersey income tax. As a result, nonresident servicepersons should not report their military pay on the wages line in *either* Column A (Amount of gross income everywhere) or Column B (Amount from New Jersey sources) on Form NJ-1040NR. Mustering-out payments, subsistence and housing allowances are also exempt.

A nonresident serviceperson is not required to file a New Jersey income tax return unless he or she has received income from New Jersey sources other than military pay. A nonresident serviceperson who has income from New Jersey sources such as a civilian job in off-duty hours, income or gain from property located in New Jersey, or income from a business, trade, or profession carried on in this State must file a New Jersey nonresident return, Form NJ-1040NR.

Military Personnel - continued

If your permanent home (domicile) was New Jersey when you entered the military, but you have changed your state of domicile or you satisfy the conditions for nonresident status (see chart on page 3), then your military pay is not subject to New Jersey income tax. File Form DD-2058-1 or DD-2058-2 with your finance officer to stop future withholding of New Jersey income tax. If New Jersey income tax was erroneously withheld from your military pay, you must file a nonresident return (Form NJ-1040NR) to obtain a refund of the tax withheld and enclose a statement explaining how you satisfied the conditions for nonresident status.

TA ★ TIP Spouses/Civil Union Partners of Military Personnel. Under the Fed-

eral Military Spouses Residency Relief Act (P.L. 111-97), a military servicemember's nonmilitary spouse/civil union partner is allowed to keep a tax domicile while moving from state to state, as long as he or she moves into a state to be with a spouse/civil union partner who is in the state on military orders. Nonmilitary spouses/civil union partners (of military personnel) who were not domiciled in New Jersey when they married the military spouse or entered into the civil union are not considered residents of New Jer-

- The principal reason for moving to this State was the transfer of the military spouse/civil union partner; and
- The nonmilitary spouse/civil union partner maintains a domicile in another state; and
- The nonmilitary spouse/civil union partner intends to leave New Jersey when the military spouse/civil union partner is transferred or leaves the service.

Under the Military Spouses Residency Relief Act, a nonmilitary spouse/civil union partner who meets these requirements is not subject to New Jersey gross income tax on income (wages) earned from services performed in this State. If you are a nonmilitary spouse/civil union partner whose wages are exempt from New Jersey gross income tax, file

Form NJ-165, Employee's Certificate of Nonresidence in New Jersey, with your employer to stop future withholding of New Jersey income tax. You must notify your employer if conditions for the withholding exemption no longer apply. If New Jersey income tax was withheld or estimated payments were made in error, vou must file a nonresident return (Form NJ-1040NR) to obtain a refund and enclose a statement explaining how your wages are exempt under the Military Spouses Residency Relief Act along with a copy of your spousal military identification card. Print MILITARY SPOUSE at the top of the return.

The Military Spouses Residency Relief Act applies only to income (wages) from services performed by a nonresident civilian spouse/civil union partner of a servicemember. Nonresident civilian spouses/civil union partners are subject to New Jersey gross income tax on all other types of income earned from New Jersey sources (e.g., income from a business carried on in this State, gain from sale of property located in New Jersey) and must file a New Jersey nonresident return if required. See "Who Must File" on page 3. Wages earned in New Jersey by a nonresident civilian spouse/civil union partner who lives outside the State are also subject to New Jersey gross income tax and must be reported as income from New Jersey sources in Column B of Form NJ-1040NR. A nonresident civilian spouse/civil union partner who lives outside New Jersey may not use Form NJ-165 to claim an exemption from New Jersey gross income tax withholding on wages earned in this State as the nonmilitary spouse/civil union partner of a servicemember.

New Jersey law requires that a married couple's filing status for New Jersey gross income tax purposes be the same as for Federal income tax purposes, unless they are a civil union couple. A married couple filing a joint Federal return must file a joint return in New Jersey. However, if both are nonresidents and only one had income from New Jersey, that spouse/ civil union partner may file a separate New Jersey return. Another exception to this rule is when one spouse/civil union

partner is a New Jersey resident and the other is a nonresident for the entire year. In this case, the resident may file a separate return unless both agree to file jointly as residents. If a joint resident return is filed, their joint income will be taxed as if both were residents.

Extensions. Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces. See "Military Extensions" on page 8.

Death Related to Duty. When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no income tax is due for the taxable year the death occurred, nor for any earlier years served in the zone or area.

For more information on military personnel (and the rules affecting their spouses), see Tax Topic Bulletin GIT-7, Military Personnel.

When to File

In general, your New Jersey income tax return is due when your Federal income tax return is due. For calendar year filers, the 2012 New Jersey income tax return is due by April 15, 2013. Fiscal year filers must file their New Jersey income tax return by the 15th day of the fourth month following the close of the fiscal year.

Postmark Date. All New Jersev income tax returns postmarked on or before the due date of the return are considered to be filed on time. Tax returns postmarked after the due date are considered to be filed late. When a return is postmarked after the due date, the filing date for that return is the date the return was received by the Division, not the postmark date of the return. Interest on unpaid liabilities is assessed from the due date of the return.

Extension of Time to File

An extension of time is granted only to file your New Jersey income tax return. There is no extension of time to pay tax due. We will notify you only if your extension request is denied, but not until after your return is actually filed. Penalties and interest are imposed whenever tax is paid after the original due date.

Extension of Time to File - continued

Six-Month Extension

You may receive a six-month extension of time to file your New Jersey nonresident income tax return. An application for an extension of time to file is accepted only if at least 80% of the tax liability computed on your Form NJ-1040NR when filed is paid in the form of withholdings, estimated, or other payments by the original due date, and

- 1. Federal extension filed. A copy of your Federal Application for Automatic Extension is enclosed with your final return and the box at the top of the NJ-1040NR is checked (or your confirmation number is entered in the space provided at the top of Form NJ-1040NR if the extension application or payment was filed online or by phone); or
- 2. No Federal extension filed. You file a request for a six-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if your request is denied, but not until after your return is actually filed.

NOTE: If a Federal extension is filed, Form NJ-630 must still be filed by the original due date if you are required to make a payment to satisfy the 80% requirement.

Civil Union Couples. Civil union partners filing a joint return must either provide copies of the Federal extension application (or confirmation number) for both partners, or they must file Form NJ-630.

If you fail to satisfy the requirements outlined for an extension, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalties, Interest, and Collection Fees" on page 11.

You will find an application for extension (Form NJ-630) at the front of this booklet. Do not use the preprinted Form NJ-630 if you filed a joint return last year and this year you are filing your return using only your own social security number or

you are filing a joint return with a different person. Or, you can file an extension application online until April 15 at www.state.nj.us/treasury/taxation/.

Military Extensions

Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces.

A person on active duty with the Armed Forces of the United States, who may not be able to file timely because of distance, injury, or hospitalization as a result of this service, will automatically receive a six-month extension by enclosing an explanation with the return when filed.

Combat Zone. New Jersey allows extensions of time to file income tax returns and pay any tax due for members of the Armed Forces and civilians providing support to the Armed Forces serving in an area which has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by Federal statute. Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return. Enclose a statement with your return to explain the reason for the extension.

In addition, if you are hospitalized outside of the State of New Jersey as a result of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

Qualifying military and support personnel, as defined above, are granted an extension of time for paying tax for the period of combat service or hospitalization, plus 180 days.

Enclose a statement of explanation with your return when you file. No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension is also granted to a taxpayer's spouse/civil union partner who files a joint return.

How to Pay

The balance of tax due must be paid in full by the original due date of the return. If you owe less than \$1, no payment is required. You may make your payment by check or money order, electronic check (e-check), or credit card.

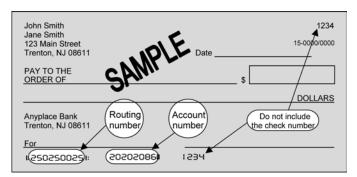

Check or Money Order. You will find a payment voucher (Form NJ-1040NR-V) at the front of this booklet. If you owe tax and are sending the payment with your 2012 return, enter the amount of tax due in the boxes on the payment voucher. Do not make changes to any information preprinted on the payment voucher. Instead, make any necessary changes on the NJ-1040NR. Do not use the preprinted payment voucher if you filed a joint return last year and this year you are filing your return using only your own social security number or you are filing a joint return with a different person.

Make check or money order payable to: **State of New Jersey** – **TGI.** Write your social security number on the check or money order. For a joint return use social security numbers of both husband and wife/civil union partners in the same order the names are listed on the return. Send your payment for the balance due with the payment voucher in the same envelope with your tax return. For information about mailing forms, see "Where to Send Your Return" on page 9.

If you are paying a balance due for the 2012 tax year and are making the first installment of estimated tax for 2013, please use separate checks or money orders for each payment. Send your 2013 estimated tax payment with an NJ-1040-ES voucher to the address on that payment voucher. Do not include the estimated tax payment with your 2012 income tax return.

Electronic Check (e-check). You may be able to pay your 2012 New Jersey income taxes or make a payment of estimated tax for 2013 by e-check. This option is available on the Division's Web site (www.state.nj.us/treasury/taxation/). Taxpayers who do not have Internet access can make a payment by e-check by contacting the Division's Customer Service Center at 609-292-6400. Do not send in the payment voucher if you pay your taxes by e-check.

How to Pay - continued

You will need your bank's 9-digit routing number and your account number to make a payment by e-check. Do not enter the check number as part of the account number.

Note: The routing and account numbers may be in different places on your check.

When using e-check on the Web, you will need your social security number and date of birth to make a payment. Be sure the social security number you enter matches the first social security number shown on the form for which you are making the payment, and the date of birth you enter is the date of birth for that person.

NOTE

- If you do not enter your social security number and date of birth properly, you will not be able to pay by e-check.
- (2) If you are filing a New Jersey return for the first time, or your filing status is different than the filing status on your 2011 return, you may not be able to pay by e-check.
- (3) E-check payments made using an account that is funded from a financial institution outside the United States will not be accepted.

Credit Card. You may pay your 2012 New Jersey income taxes or make a payment of estimated tax for 2013 online (www.state.nj.us/treasury/taxation/), and use a Visa, American Express, MasterCard, or Discover credit card. Do not send in the payment voucher if you pay your taxes by credit card.

Time Limit for Assessing Additional

Taxes. The Division of Taxation has three years from the date you filed your income tax return or the original due date of the return, whichever is later, to send you a bill for additional taxes you owe. There is no time limit if you did not file your tax return, or if you filed a false or fraudulent return with the intent to evade tax. The time limit may be extended if:

 You amended or the IRS adjusted your Federal taxable income;

- You amended your New Jersey taxable income;
- You entered into a written agreement with the Division extending the time to make an assessment;
- You omitted more than 25% of your gross income on your New Jersey income tax return; or
- You were issued an erroneous refund as a result of fraud or misrepresentation by you.

Where to Send Your Return

Use the envelope contained in your packet to mail your NJ-1040NR along with related enclosures, payment voucher, and check or money order for any tax due. **Send only one return per envelope.**

Mail Your Return to:

STATE OF NEW JERSEY
DIVISION OF TAXATION
REVENUE PROCESSING CENTER
PO BOX 244
TRENTON NJ 08646-0244

Refunds

A return must be filed to claim a refund for overpayment of tax. If the refund is \$1 or less, you must enclose a statement specifically requesting it.

Time Period for Refunds. To get a refund, you generally must file your return within three years from the date the return was due (including extensions). If you and the Division agree in writing to extend the period of assessment, the period for filing a refund claim will also be extended.

Interest Paid on Refunds. If the Division takes more than six months to send you your income tax refund, you have a right to receive interest on that refund.

Interest at the prime rate, compounded annually, will be paid from the *later* of:

- the date the refund claim was filed;
- the date the tax was paid; or
- the due date of the return.

No interest will be paid when an overpayment is credited to the next year's tax liability.

New Jersey law requires that any money owed to the State of New Jersey, any of its agencies, the Internal Revenue Service, or another claimant state or city that has a personal income tax set-off agreement with New Jersey be deducted from your refund or credit before it is issued. These debts include, among other things, money owed for past due taxes, child support due under a court order, school loans, hospital bills, and IRS levies. If the Division applies your refund or credit to any of these debts, you will be notified by mail.

Deceased Taxpayers

If a person received income in 2012 but died before filing a return, the New Jersey income tax return should be filed by the surviving spouse/civil union partner or personal representative (executor or administrator of an estate or anyone who is in charge of the decedent's personal property). Use the same filing status that was used on the final Federal income tax return, unless the decedent was a partner in a civil union. If filing a joint return, write the name and address of the decedent and the surviving spouse/civil union partner in the name and address fields. If a joint return is not being filed, write the decedent's name in the name field and the personal representative's name and address in the remaining fields. Print "Deceased" and the date of death above the decedent's name. **Do not** prorate exemptions or deductions unless the decedent was a part-year resident. The due date for filing is the same as for Federal purposes. If a personal representative has been appointed, that person must sign the return in his or her official capacity. If a joint return is being filed, the surviving spouse/civil union partner must also sign. If no personal representative has been appointed, the surviving spouse/civil union partner signs the return and writes "Filing as Surviving Spouse" or "Filing

Deceased Taxpayers - continued

as Surviving Civil Union Partner" in the signature section. If no personal representative has been appointed and there is no surviving spouse/civil union partner, the person in charge of the decedent's property must file and sign the return as "personal representative."

TAX TIP

Check the box below the signature line and enclose a copy of the decedent's

death certificate only if there is a refund due and you wish the check to be issued to the decedent's surviving spouse/civil union partner or estate.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own return when you receive it. The income or gain is included on Line 25 as "Other" income.

Estates and Trusts

Filing Requirements for Estates and

Trusts. The fiduciary of an estate or trust may be required to file a New Jersey gross income tax return for that estate or trust. The return for an estate or trust must be filed on a New Jersey Fiduciary Return, Form NJ-1041. The fiduciary must also provide each beneficiary with a New Jersey Schedule NJK-1 which shows the beneficiary's share of the estate or trust income actually distributed or required to be distributed during the taxable year.

Revocable grantor trusts are required to file a New Jersey Fiduciary Return, Form NJ-1041, where there is sufficient nexus with this State and the statutory filing requirement is met. For further information, see the Fiduciary Return, Form NJ-1041, instructions.

Filing Requirements for Beneficiaries.

The net income earned by an estate or trust does not retain its character, i.e., interest, partnership income; rather it is a specified income category – "Net Gains or Income Derived Through Estates or Trusts." You must report as net income from estates or trusts the Total Distribution and New Jersey Source Income reported on your Schedule NJK-1, Form NJ-1041

and include it on Line 25, Other Income. If a Schedule NJK-1 was not received, the interest, dividends, capital gains, business or partnership income, etc. listed on your Federal K-1 must be adjusted to reflect New Jersey tax law and then netted together before inclusion on the "Other" income line. Enclose a copy of your NJK-1 or Federal K-1 with your return.

If the income from a grantor trust is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. See instructions for Line 25 on page 22 for reporting requirements.

Partnerships

A partnership is not subject to gross income tax. Individual partners are subject to tax on the income they earned from the partnership under the Federal Internal Revenue Code and the New Jersey Gross Income Tax Act. See page 22 for information on reporting income from a partnership. Every partnership having a New Jersey resident partner or income from New Jersey sources must file New Jersey Form NJ-1065 with the New Jersey Division of Taxation by the 15th day of the fourth month following the close of the partnership's taxable year. For more information on partnership filing, see Form NJ-1065 and instructions

Estimated Tax

Estimated tax means the amount which you estimate to be your income tax for the taxable year after subtracting withholdings and other credits.

You are required to make estimated tax payments using Form NJ-1040-ES

when your estimated tax exceeds \$400. Instructions for computing the estimated tax and making the payments are included with the form. Review the amount of your New Jersey gross income tax on your expected gross income (after deductions and credits) to determine if you need to make estimated tax payments for 2013.

To avoid having to make estimated tax payments, you may ask your employer to withhold an additional amount from your wages by completing Form NJ-W4.

Failure to file a Declaration of Estimated Tax or to pay all or part of an underpayment *will result in interest charges* on the underpayment.

Underpayment of Estimated Tax. If you failed to make all of the required estimated tax payments as described above, you should obtain Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, and instructions. Complete Form NJ-2210 to determine if interest is due and if so, calculate the amount. Enter on Line 43 the amount of interest due from line 19, Form NJ-2210. Be sure to check the box at Line 43 and enclose Form NJ-2210 with your return.

For more information see Tax Topic Bulletin GIT-8, *Estimating Income Taxes*.

Amended Returns

If you received an additional tax statement (W-2 or 1099) after your return was filed, or you discovered that you made any error or omission on your return, file an amended tax return by completing a new NJ-1040NR and writing AMENDED across the top. If you are amending an item of income, deduction, or credit that requires a supporting schedule or form, you must enclose the applicable schedule or form. If your original return was filed electronically, enclose *all* supporting schedules or forms (W-2, NJK-1, etc.) that you would have enclosed if you had filed the original return on paper — including those that support items that are not being amended. Do not use Form NJ-1040X to amend a nonresident return

Changes in Your Federal Income Tax.

If you receive a notice from the Internal Revenue Service that they changed your reported income, and that change altered your New Jersey taxable income, you must notify the Division of the change in writing within 90 days. File an amended tax return and pay any additional tax due. If you file an amended Federal return which changes your New Jersey taxable income, you must file an amended New Jersey return within 90 days.

Accounting Method

Use the same accounting method for New Jersey gross income tax that you used for Federal income tax purposes. Income

Accounting Method - continued

must be recognized and reported in the same period as it is recognized and reported for Federal income tax purposes.

Rounding Off to Whole Dollars

When completing your return and any accompanying schedules, you may show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include cents when adding the items and round off only the total. When entering the rounded total on the line, you may eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros in the space provided for cents.

Penalties, Interest, and Collection Fees

Penalty and interest should be included with the payment of any tax due.

Late Filing Penalty

5% per month (or fraction of a month) up to a maximum of 25% of the outstanding tax liability when a return is filed after the due date or extended due date. A penalty of \$100 for each month the return is late may also be imposed.

Late Payment Penalty

5% of the outstanding tax balance may be imposed.

Interest

3% above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

Collection Fees

In addition, if your tax bill is sent to our collection agency, a referral cost recovery fee of 10% of the tax due will be added to your liability. If a certificate of debt is issued for your outstanding liability, a fee for the cost of collection of the tax may also be imposed.

Signatures

Sign and date your return in blue or black ink. Both husband and wife/civil union

partners must sign a joint return. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. A return without the proper signatures cannot be processed and will be returned to you. This causes unnecessary processing delays and may result in penalties for late filing.

Preparer Authorization. Because of the strict provisions of confidentiality, Division of Taxation personnel may not discuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you want a Division of Taxation representative to discuss your tax return with the individual who signed your return as your "Paid Tax Preparer," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Paid Tax Preparer," check the box above the preparer's signature line.

Tax Preparers. Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter his or her social security number or Federal preparer tax identification number. Include the company or corporation name and Federal identification number, if applicable. A tax preparer who fails to sign the return or provide a tax identification number may incur a \$25 penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

NOTE: Preparers that reasonably expect to prepare 11 or more individual gross income tax resident returns (including those filed for trusts and estates) during the tax year must use electronic methods to file those returns for which an electronic filing option is available. At this time, there is no electronic filing option available for a New Jersey fiduciary return, Form NJ-1041 (or Form NJ-1041SB for a small business trust). Although the fiduciary returns are currently not filed electronically, preparers must include the number of fiduciary returns they expect to prepare when determining whether they must file all other returns electronically. A tax preparer is liable for a penalty of \$50 for each return he or she fails to file electronically when required to do so.

Keeping Tax Records

Keep copies of your tax returns and the supporting documentation of income, age and/or disability, deductions, and credits until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later

Privacy Act Notification

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

Your social security number is used primarily to account for and give credit for tax payments. The Division of Taxation also uses social security numbers in the administration and enforcement of all tax laws for which it is responsible.

Federal/State Tax Agreement

The New Jersey Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange income tax information in order to verify the accuracy and consistency of information reported on Federal and New Jersey income tax returns.

Fraudulent Return

Any person who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to \$7,500 or imprisonment for a term between three and five years or both.

Name and Address

Place the peel-off label from the front of this booklet in the name and address section at the top of the return. **Do not** use the label if any of the information is incorrect. If your label contains inaccurate information or you do not have a label, print or type your name (last name first), complete address, and zip code in the spaces provided. Also include your spouse's/civil union partner's name if filing jointly. Your refund and next year's form will be sent to the address you provide. If your legal residence and the address on the return differ, enclose a statement of explanation to avoid a delay in processing.

Social Security Number

Your social security number(s) is not printed on your name and address label. You must enter your social security number(s) in the space provided on the return. If your filing status is married/CU couple, filing joint return, remember to report both filers' numbers in the order in which the names are listed on the return.

If you (or your spouse/civil union partner) do not have a social security number, file Form SS-5 with the Social Security Administration to apply for one. Taxpayers who are not eligible for a social security number must file Form W-7 with the Internal Revenue Service to obtain an individual taxpayer identification number (ITIN). Enter on Form NJ-1040NR the same number (social security number or ITIN) that you entered on your Federal income tax return. If you (or your spouse/ civil union partner) applied for but have not received an ITIN by the return due date, enclose a copy of your Federal Form W-7 application with your New Jersey income tax return.

NOTE: A copy of Form W-7 (or W-7A) cannot be used in place of a valid social security number, ITIN, or ATIN for a dependent when completing Line 13, Dependents' Information.

State of Residency

Indicate the place outside New Jersey where you resided for the period covered by this return.

NJ Residency Status

If you were a New Jersey resident for any part of the taxable year, list the month, day, and year your residency began and the month, day, and year it ended.

Filing Status (Lines 1-5)

In general, you must use the same filing status on your New Jersey return as you do for Federal income tax purposes, unless you are a partner in a civil union. Indicate the appropriate filing status. Check **only** one box.

TAX TIP

Partners in a civil union recognized under New Jersey law **must file** their

New Jersey income tax returns using the same filing statuses accorded spouses under New Jersey Gross Income Tax Law. Civil union partners may not use the filing status single. Any reference in this booklet to a spouse also refers to a partner in a civil union (CU) recognized under New Jersey law. More information on civil unions, including legally sanctioned samesex relationships established outside New Jersey, can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

Single. Your filing status is single if you are unmarried or not a partner in a civil union on the last day of the tax year, and you do not qualify for head of household or qualifying widow(er)/surviving civil union partner status below.

Married/Civil Union Couples. If both you and your spouse/civil union partner were nonresidents of New Jersey during the entire taxable year, and only one of you earned, received, or acquired income from New Jersey sources, the spouse/civil union partner who had income from New Jersey sources may file a separate New Jersey return even if a joint Federal return was filed. The spouse/civil union partner with income from New Jersey sources computes income and exemptions as if a Federal married, filing separate return had been filed. You have the option of filing a joint return, but remember, joint income would be reported in Column A of Form NJ-1040NR.

If one spouse/civil union partner was a nonresident and the other a resident of New Jersey during the entire taxable year and both had income from New Jersey sources, separate New Jersey returns may be filed (the nonresident files a nonresident return and the resident files a resident return). Each computes income and exemptions as if Federal married, filing separate returns had been filed. You have the option of filing a joint resident return, but remember, joint income would be taxed as if both were residents.

If you are filing separately, be sure to enter the name and social security number of your spouse/civil union partner in the space provided under Line 3.

NOTE: You may file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year.

Head of Household. If you meet the requirements to file as head of household for Federal income tax purposes, you may file as head of household for New Jersey. Certain married individuals/civil union partners living apart may file as head of household for New Jersey if they meet the requirements to file as head of household for Federal purposes.

Qualifying Widow(er)/Surviving CU
Partner. If your spouse/civil union

use the joint or separate filing statuses for married/CU couples. For more information, see the Division's Web site (www.state.nj.us/treasury/taxation/) and Tax Topic Bulletin GIT-4, *Filing Status*.

Exemptions - Personal Line 6 - Regular Exemptions

As a taxpayer you may claim a personal exemption for yourself, even if you are a minor who is claimed as a dependent on your parents' return. For your convenience, "Yourself" is already checked. If you are married or in a civil union and filing a joint return, check the spouse/CU partner box as well.

If you were a member of a domestic partnership that was registered in New Jersey on the last day of the tax year, you may claim an exemption for your domestic partner only if he or she does not file a New Jersey income tax return. You must enclose a copy of your New Jersey Certificate of Domestic Partnership the first time you claim the exemption, and you may be asked to provide additional information. If you are claiming this exemption, check the domestic partner box. Add the number of boxes checked and enter the result on Line 6.

Line 7 - Age 65 or Older

If you were 65 years of age or older on the last day of the tax year, you are eligible for an additional exemption. If you are filing a joint return, an additional exemption is also available if your spouse/civil union partner was 65 years of age or older on the last day of the tax year. This exemption is not available for a domestic partner or for your dependents. You must enclose proof of age such as a copy of a birth certificate, driver's license, or church records with your return the first time you claim the exemption(s). Check the appropriate box(es). Add the number of boxes checked and enter the result on Line 7

Enter the number of exemptions for your qualified dependents attending colleges on Line 11.

Gubernatorial Elections Fund

The Gubernatorial Elections Fund. financed by taxpayer designated \$1 contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing Program has since 1977 assisted 67 candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program has also permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing Program, contact the New Jersev Election Law Enforcement Commission at 1-888-313-ELEC (toll-free within New Jersey) or 609-292-8700 or write to:

NJ ELECTION LAW ENFORCEMENT COMMISSION PO BOX 185

TRENTON NJ 08625-0185

Lists of contributors to gubernatorial candidates and copies of reports filed by gubernatorial candidates may be viewed on the Election Law Enforcement Commission Web site at: www.elec.state.nj.us.

Participation in the \$1 income tax checkoff protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections thereby deterring the use of needed funding for other purposes. If you want to designate \$1 to go to help candidates for governor pay campaign expenses, check the "Yes" box in the Gubernatorial Elections Fund section of the return. If you are filing a joint return, your spouse/civil union partner may also designate \$1 to this fund by checking "Yes." Checking the "Yes" box will not in any way increase your tax liability or reduce your refund.

Income (Lines 14–26)

Enter on Lines 14 through 26 the amount of gross income received while a nonresident of New Jersey during the taxable year for each of the various categories of income.

In Column A, report your gross income from all sources (both inside and outside New Jersey). **These figures cannot be copied from the figures reported on the Federal return.** *Reportable income* means income that would be taxable if you were a New Jersey resident. Married/civil union couples filing a joint return must report the income of both spouses/civil union partners in Column A, even if only one had income from New Jersey.

In Column B, enter the income that comes from New Jersey sources. For every entry in Column A, there should be an entry on the corresponding line in Column B. If none of your income is from New Jersey sources, enter "0" in Column B. Your final tax liability is based on the percentage of your income from New Jersey sources.

Tax. Some examples of income taxable to a nonresident include:

- Wages, salaries, tips, fees, commissions, bonuses, and other payments received, whether in cash or in property, for services performed in New Jersey;
- 2. Profits and other income from a business, trade, profession, or partnership conducted in New Jersey;

 Jersey, including New Jersey Lottery
 winnings from prize amounts exceeding \$10,000;

6. Income of a New Jersey S corporation allocated to New Jersey.

Income or losses which a nonresident taxpayer receives from a business entity (i.e., sole proprietorship, partnership, LLP, or LLC) located in New Jersey will not be deemed to be derived from New Jersey sources if the business entity's only activity is the purchase, holding, or sale of intangible personal property, such as commodities or securities, and such intangible personal property is not held for sale to customers.

Gross income means all income you received in the form of money, goods, property, and services unless specifically exempt by law.

TAX TIP

Important! A net loss in any category of income cannot be reported as

such on Form NJ-1040NR. A loss within one category of income may be applied against other income within the same category. However, a net loss in one category of income cannot be applied against income or gains in another on Form NJ-1040NR. In case of a net loss in any category, enter "0" for that category. Under New Jersey law, no carryback or carryover of losses is permitted when reporting income on Form NJ-1040NR.

Retirement Plans. Under New Jersey law, contributions to retirement plans (other than 401(k) Plans) are included in the State wages figure on the W-2 in the year the wages are earned. This may cause

your State wages figure to be higher than your Federal wages figure.

Meals and/or Lodging. You may exclude from the amount reported on Line 14 meals and/or lodging reported as wages on your W-2 provided that:

 The meals and/or lodging were furnished on the business premises of your employer; and Line 14 - Wages, Salaries, Tips, etc. - continued

- The meals and/or lodging were furnished for the convenience of your employer; and
 For lodging only:
- 3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/ or lodging from your wages, you **must** enclose a signed statement explaining how you have met these conditions. If the statement is not enclosed, your wages will be adjusted to represent the full amount shown on your W-2.

Food and maintenance payments made to New Jersey State Police officers as part of their union contract **cannot** be excluded from gross income. These payments do not meet the criteria above.

Employee Business Expenses. Employee business expenses are **not** deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for employee business expenses reported as wages on your W-2 provided that:

- 1. The expenses for which you are reimbursed are job-related expenses;
- You are required to and do account for these expenses to your employer; and
- 3. You are reimbursed by your employer in the exact amount of the allowable expenses.

If you receive excludable reimbursements for employee business expenses which are included in your wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a copy of your Federal Form 2106.

Federal Statutory Employees. If you are considered a "statutory employee" for Federal income tax purposes, you may not deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The Federal label of "statutory employee" has no meaning for New Jersey gross income tax purposes. Business expenses may only be deducted from the business income of a self-employed individual. See the instructions for Schedule NJ-BUS-1, Part I (Net Profits From Business).

Moving Expenses. Moving expenses are not deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for the following moving expenses if the Federal requirements to claim moving expenses were met and the expenses were included in wages on your W-2.

- 1. The cost of moving your household goods and personal effects from the old home to the new home.
- The actual expenses incurred by you for traveling, meals, and lodging when moving you and your family

from your old residence to your new residence.

Reimbursements for any other moving expenses may **not** be excluded from income.

If you receive excludable reimbursements for moving expenses which are included in your wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a copy of your Federal Form 3903.

Compensation for Injuries or Sickness.

Certain amounts received for personal injuries or sickness are not subject to tax. You may exclude from the amount reported on Line 14 such amounts included as wages on your W-2 provided that:

- The payments must be compensation for wage loss which results from absence due to injury or sickness of the employee; and
- 2. The payments must be due and payable under an enforceable contractual obligation under the plan; and
- The payments must not relate to sick leave wage continuation, the taking of which is largely discretionary and the payments are made regardless of the reason for absence from work.

If such payments are included in the State wages figure on your W-2, you must file Form NJ-2440 with your New Jersey return to exclude them.

COLUMN B

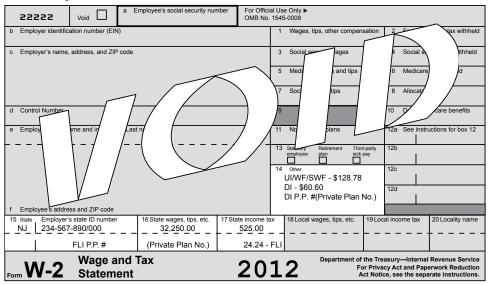

Enter the portion of your wages, salaries, etc. that comes from New Jersey sources. If zero, enter "0."

Pennsylvania residents, see page 4. Nonresident servicepersons and nonmilitary spouses/civil union partners of military personnel, see page 6.

If you had wage/salary income earned partly within and partly outside of New Jersey, and you cannot easily determine the amount of income from New Jersey, see Part II on page 31.

Do not use Part II if your wage/salary income is based on volume (the amount of sales or amount of business transacted).

Sample W-2 (This form is for illustration only and is not reproducible.)

Line 14 - Wages, Salaries, Tips, etc. - continued

Instead, enter on Line 14 the portion of your wage/salary income calculated using the following formula:

 $\frac{\text{NJ Vol.}}{\text{Total Vol.}} \times \text{Vol. Income}$ = Line 14, Col. B

In determining where the business was transacted, the location where the services or sales were actually performed is the deciding factor. An explanation of how you computed the amount of wage/salary income must be enclosed with your return.

Line 15 - Interest Income

COLUMN A

Enter all of your reportable interest from sources both inside and outside of New Jersey on Line 15, Column A. New Jersey reportable interest income includes interest from the following:

- Banks
- · Savings and loan associations

- Ginnie Maes
- Fannie Maes
- Freddie Macs
- Repurchase agreements

- Obligations of states and their political subdivisions, other than New Jersey
- Any other interest not specifically exempt

Interest received by your sole proprietorship is reportable as net profits from business on Line 17. Your portion of interest earned and received by a partnership, an estate or trust or, in general, an S corporation is reportable as distributive share of partnership income on Line 22, net income from estates or trusts on Line 25, or net pro rata share of S corporation income on Line 23. For detailed information regarding the reporting of partnership or S corporation income, see Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*. For information regarding grantor trusts see the reporting instructions for Line 25 on page 22. Interest paid or deemed to have been paid to you by a partnership or an S corporation and reportable to you on Form 1099 must be included on Line 15 in Column A.

Forfeiture Penalty for Early Withdrawal. If you incur a penalty by withdrawing a time deposit early, you may subtract the amount of the penalty from your interest income.

If your reportable interest income on Line 15, Column A, is more than \$1,500, enclose a copy of Schedule B, Federal Form 1040 or 1040A.

- Sallie Maes
- CATS

- Certain distributions from "New Jersey Qualified Investment Funds"
- Distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations

New Jersey Qualified Investment

Funds. A New Jersey Qualified Investment Fund is a regulated investment company in which at least 80% of the fund's investments (other than cash or receivables) are obligations issued either directly by the Federal government or the State of New Jersey or any of its political subdivisions. The Fund must complete and retain Form IF-1, Certification of

Qualified Investment Fund, to document its status. This certification need not be filed with the Division of Taxation but must be made available upon request.

If you received a distribution from a qualified investment fund, you may exclude from your income the portion of the distribution which comes from the qualified exempt obligations. The taxable portion of the distribution, if any, is reported as dividends on Line 16. By February 15, shareholders should be notified by the New Jersey qualified investment fund of the portion of their distribution that may be excluded from income. Contact your broker to determine whether your fund qualifies.

Do not report interest earned on your IRA(s) on Line 15, Interest Income. If you made a withdrawal from your IRA during the year, see the instructions for Line 21.

For more information on tax-exempt interest income, see Tax Topic Bulletin GIT-5, *Exempt Obligations*.

COLUMN B

Only interest received as a result of a business or profession carried on in New Jersey and not properly reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of S corporation income should be reported on Line 15, Column B. See instructions for Line 15, Column A. **Do not report interest from personal accounts.**

Line 16 - Dividends

COLUMN A

Enter on Line 16, Column A, the amount of dividends received during the year from investments (e.g., from stocks, mutual funds) or other income-producing activities which do not constitute a trade or business. The total amount of dividends received, **regardless of where earned**, must be reported.

Dividends received by your sole proprietorship are reportable as net profits from business on Line 17. Your portion of dividends earned and received by a partnership, an estate or trust or, in general, an S corporation are reportable as Line 16 - Dividends - continued

distributive share of partnership income on Line 22, net income from estates or trusts on Line 25, or net pro rata share of S corporation income on Line 23. For detailed information regarding the reporting of partnership income or S corporation income and distributions, see Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations. For information regarding grantor trusts see the reporting instructions for Line 25 on page 22.

Capital Gains Distributions. Capital gains distributions you receive from mutual funds or other regulated investment companies are reported on Line 58, Part I and are not to be included as dividends.

Tax-Free Distributions. A distribution which is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or taxfree distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends received from insurance companies are not taxable unless the dividends received exceed the premiums paid. Any interest from accumulated insurance dividends must be reported on Line 15, Column A.

COLUMN B

Only dividends received as a result of a business or profession carried on in New Jersey and not properly reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of S corporation income should be reported on Line 16, Column B. See instructions for Line 16, Column A. Do not report dividends from personally held securities.

Line 17 - Net Profits From **Business**

COLUMN A Complete Part I of New Jersey Schedule NJ-BUS-1, Business Income Summary Sched-

ule, and enter on Line 17, Column A, the amount of net profits from business from Line 4 of Part I. If the amount on Line 4 is a loss, enter "0" on Line 17, Column A. Enclose Schedule NJ-BUS-1 and a copy of the Federal Schedule C (or C-EZ or F) for each business with your return. See page 31.

COLUMN B

Enter the portion of your business income that comes from New Jersey sources. If zero, enter "0." If you carry on business both inside and outside New Jersey, you must complete and enclose Form NJ-NR-A for each business.

Do not include in Column B net profits (or losses) which you received from a business entity located in New Jersey if the business entity's only activity is the purchase, holding, or sale of intangible personal property, such as securities or commodities, and such intangible personal property is not held for sale to customers. You must, however, include such net profits in Column A.

Anyone engaged in a business, trade, profession, or occupation in New Jersey must register with the State for tax purposes by filing a Business Registration Application, Form NJ-REG. Form NJ-REG may be filed online through the Division of Revenue's NJ Business Gateway Services at:

www.state.nj.us/treasury/revenue/.

Line 18 - Net Gains or Income From Disposition of Property

COLUMN A

Enter on Line 18, Column A, the amount of net gains from Part I, Line 60. If the amount on Line 60 is zero, enter "0" on Line 18, Column A. See page 31.

COLUMN B

Line 19 - Net Gains or Income From Rents, Royalties, Patents, and Copyrights

1) COLUMN A

Complete Part II of New Jersey Schedule NJ-BUS-1, Business Income Summary Sched-

ule, and enter on Line 19, Column A, the amount of net income from Line 4 of Part II. If the amount on Line 4 is a loss, enter "0" on Line 19, Column A. Enclose Schedule NJ-BUS-1 with your return. See page 32.

COLUMN B

Enter your net gains or income from New Jersey sources. If zero, enter "0."

Line 20 - Net Gambling Winnings

TAX TIP New Jersey Lottery winnings from prize amounts exceeding \$10,000 are tax-

able for New Jersey gross income tax purposes. The individual prize amount, not the total amount of New Jersey Lottery winnings over the year, determines taxability.

COLUMN A

Enter on Line 20, Column A, the amount of your net gambling winnings from both inside and outside New Jersey. You may deduct your gambling losses from your winnings that occurred during the same year. You may use New Jersey Lottery losses to offset other gambling winnings. If your net gambling winnings are less than zero, enter "0."

You must be able to substantiate gambling losses used to offset winnings reported on your New Jersey nonresident income tax return. Evidence of losses may take several forms, including a daily log or journal of wins and losses, canceled checks, losing pari-mutuel tickets, losing lottery tickets, etc. With respect to winnings or losses resulting from casino gambling, letters from casinos which purport to "rate" the gambling activity of an individual or "estimate" losses are acceptable as part of the evidential material required to prove losses.

Winnings or losses from lotteries may be reported on this line. Remember, do not include any winnings from prizes in the amount of \$10,000 or less from the New Jersey State Lottery.

Although no specific rider to the New Jersey income tax return is required to substantiate gambling losses, it is suggested that if you enter gambling winnings net of losses on Line 20 of the return, you should note the total winnings and total losses on a supporting schedule. This

Line 20 - Net Gambling Winnings - continued

procedure may eliminate certain questions in the event the return is selected for audit.

COLUMN B

Enter your net gambling winnings from New Jersey sources. Gambling losses incurred from sources outside New Jersey may not be used to offset gambling winnings from New Jersey sources. If zero, enter "0."

Line 21 - Pensions, Annuities, and IRA Withdrawals

COLUMN A

Enter on Line 21, Column A, your reportable pensions, annuities, and certain IRA withdrawals. See page 20 for information on Roth IRAs. Pensions, annuities, and IRA withdrawals are reportable on the New Jersey return although the reportable amount may differ from the Federal amount.

If you (and/or your spouse/civil union partner if filing jointly) were 62

years of age or older or disabled and met the other requirements, you may be able to use the pension and other retirement income exclusions to reduce your gross income. See the instructions for Line 27a on page 23 and Line 27b on page 24.

All state and local government, teachers', and Federal pensions, and Keogh Plans are treated in the same manner as pensions from the private sector. Amounts received as "early retirement benefits" and amounts received as pension on Schedule NJK-1, Partnership Return Form NJ-1065 are also reportable. Social Security and Railroad Retirement benefits are exempt from New Jersey income tax and should not be reported as pension income. Pension payments received by reason of total and permanent disability are also exempt. However, if you retired before age 65 on a total and permanent disability pension and continue to receive pension payments after age 65, your disability pension is then treated as an ordinary pension. See definition of "disabled" on page 13.

If you are receiving a United States military pension or survivor's benefit payments, the military pension or survivor's benefit is not reportable for New Jersey gross income tax purposes, regardless of your age or disability status. Do not include such payments on Line 21, Column A, Form NJ-1040NR.

Military pensions are those resulting from service in the Army, Navy, Air Force, Marine Corps, or Coast Guard. This exemption does not apply to civil service pensions or annuities, even if the pension or annuity is based on credit for military service. Most military pensions and survivor's benefit payments are received from the U.S. Defense Finance and Accounting Service while a civil service annuity is received through the U.S. Office of Personnel Management.

Retirement plans (pensions, annuities, IRAs) are either noncontributory or contributory. A noncontributory plan is one to which you have not made contributions. A contributory plan is one to which **you** have made contributions, usually through payroll deductions. The amount you report on Line 21, Column A, will depend on whether or not you made contributions to the plan.

Noncontributory Plans. Amounts you receive from noncontributory plans are fully reportable. Include on Line 21, Column A, the total amount of the pension or annuity from your 1099-R.

Contributory Plans (Other Than

IRAs). The total value of your pension or annuity consists of your contributions, your employer's contributions (if any), and earnings. In general, your contributions to a pension or annuity were taxed when they were made and are not reportable when withdrawn (except for 401(k) Plans). You must determine the reportable

part of any distribution you receive. Use Worksheet A below to determine whether you should use the Three-Year Rule Method or the General Rule Method for your pension or annuity.

NOTE:

- If you received a distribution from a 401(k) Plan, see the section on 401(k) Plans before continuing.
- The reportable amount of an IRA withdrawal must be determined by completing Worksheet C, IRA Withdrawals, on page 21. Do not use Worksheet A or B for an IRA withdrawal.

Three-Year Rule Method. If you will recover your contributions within three years from the date you receive the first payment from the plan, and both you and your employer contributed to the plan, you may use the Three-Year Rule Method to determine your New Jersey reportable pension income. The Three-Year Rule allows you to exclude your pension and annuity payments from gross income until the payments you receive equal your contributions to the plan. Until that time, the amounts you receive, because they are considered your contributions, are not reportable and should not be entered on your return. Once you have received (recovered) an amount equal to the amount you contributed, the payments you receive are fully reportable.

Since the Three-Year Rule has been repealed for Federal income tax purposes, if you retired after July 1, 1986, the reportable amount of pension or annuity that you enter on your New Jersey return when using this method will differ from the amount you report on your Federal return.

*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, Federal actuarial tables must be used to compute the expected return. The Federal actuarial tables are contained in the Internal Revenue Service's Publication 939, *General Rule for Pensions and Annuities*. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.

(Keep for your records)

General Rule Method. If you will not recover your contributions within three years from the date you receive the first payment from the plan, or your employer did not contribute to the plan, you must use the General Rule Method to determine your New Jersey reportable pension income. From the first year you receive your pension and every year thereafter, part of your pension will be excludable (the amount that represents your contributions) and part will be reportable. Use Worksheet B above to determine the reportable amount.

Complete Worksheet B the year in which you receive your first pension payment. Once calculated, use the percentage on line 3 to determine the reportable amount year after year. You must recalculate the percentage only if your annual pension payments decrease.

401(k) Plans. Beginning on January 1, 1984, New Jersey's treatment of 401(k) Plan contributions changed. After that date employee contributions to 401(k) Plans were no longer included in taxable wages when earned. If you made contributions to your 401(k) Plan prior to January 1, 1984, your distribution will be treated differently than if you made all of your contributions after this date.

1. All contributions made on or after January 1, 1984. If all of your contributions to the 401(k) Plan were

made on or after January 1, 1984, then your distributions from the plan are fully reportable unless your contributions exceeded the Federal limit.

2. Contributions made before January 1, 1984. If you made contributions to the 401(k) Plan before January 1, 1984, or you made contributions beyond the Federal limit, calculate the reportable portion of your distributions from the plan using one of the methods described under contributory plans.

Lump-Sum Distributions and Rollovers. When a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan is made, the amount received in excess of the contributions to the plan that have already been taxed must be included in your income in the year received. New Jersey has no provisions for income averaging of lump-sum distributions. Enter the reportable amount of a lump-sum distribution on Line 21, Column A.

A lump-sum distribution from an IRA or a qualified employee pension or annuity plan which you roll over into an IRA or other eligible plan is excludable from New Jersey income if the rollover qualifies for deferral for Federal income tax purposes. The amount rolled over (minus previously taxed contributions) is reportable later when it is withdrawn.

As under Federal law, the rollover must be made within the 60-day period after distribution.

For more detailed information on reporting pension and annuity income on your New Jersey return, see Tax Topic Bulletin GIT-1, *Pensions and Annuities*.

IRAs. Your IRA consists of a nonreportable part (your contributions) and a reportable part (earnings plus certain amounts, if any, rolled over from pension plans). If your contributions have been previously taxed, the portion of your distribution that represents earnings is reportable.

Earnings credited to an IRA are not reportable until withdrawn. The interest, dividends, and other earnings, as well as amounts which were tax-free rollovers, will become reportable when withdrawn. If the total amount in the IRA is withdrawn, the entire amount of the interest or accumulated gains becomes reportable in the year the withdrawal is made. If, however, the withdrawal from an IRA is made over a period of years, the portion of the annual distribution that represents interest income and accumulated gains in the IRA is reportable.

A distribution from a rollover IRA which is fully reportable for Federal income tax purposes may be treated differently for New Jersey purposes if your contributions were subject to New Jersey income tax when the contributions were made.

Enter the reportable amount of an IRA withdrawal on Line 21. Use Worksheet C on page 21 to determine the reportable portion of your IRA withdrawal. For multiple IRAs, the reportable amount may be determined by using a separate worksheet for each IRA, or all IRAs may be combined on one worksheet.

Roth IRAs. Contributions to a Roth IRA are reportable as part of your gross income in the year they are made. However, if the requirements are satisfied, "qualified distributions" from a Roth IRA are excludable and do not have to be included as income on Line 21, Column A, of Form NJ-1040NR.

A "qualified distribution" is one made after the five-taxable-year period beginning with the first taxable year in which a contribution was made to your IRA, and which is:

- 1. Made on or after the date on which an individual reaches age 59½; or
- Made to a beneficiary (or the individual's estate) after the individual's death; or
- 3. Made because the individual becomes disabled; or
- 4. Made as a qualified first-time home buyer distribution as defined by the Internal Revenue Code.

A payment or distribution cannot be treated as a qualified distribution if it is made within the five-taxable-year period which begins with the year the first contribution was made. A payment or distribution of an allowable rollover contribution (or income earned on the amount rolled over) from an IRA other than a Roth IRA, is not a qualified distribution if it is made within the five-taxable-year period which begins with the year in which the rollover contribution was made.

If you received a nonqualified distribution from a Roth IRA, you must report the earnings as income on Line 21, Column A.

For more detailed information on IRA withdrawals, see Tax Topic Bulletin GIT-2, *IRA Withdrawals*, or Technical Bulletin TB-44.

Amounts Received as Prizes and

Awards. A prize won in a raffle, drawing, television or radio quiz show, contest, or any other event is reportable and must be included on Line 25, Column A. Any prizes or awards received in goods or services must be included as income at fair market value.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own return when you receive it. The income is reported on Line 25, "Other" income. Enclose a schedule of the items of income reported together and included on Line 25.

Income From Estates and Trusts. Beneficiaries receiving income from an estate or trust must include on Line 25 the Total Distribution reported on Schedule NJK-1, Form NJ-1041. If a Schedule NJK-1 was not received, include on Line 25 the net of the items listed on the Federal Schedule K-1 received. Interest, dividends, capital gains, business or partnership income, etc. as listed on the Federal K-1(s) must be adjusted to reflect New Jersey tax law and then netted together before inclusion on Line 25, "Other" income. Be sure to include income which is not subject to

Federal income tax but is subject to New Jersey gross income tax, such as interest from and losses on the disposition of obligations of states and their political subdivisions, other than New Jersey and its political subdivisions, and exclude income and losses not subject to New Jersey tax, such as gains on New Jersey tax-exempt securities.

For tax years beginning on or after January 1, 2004, New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. The Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP instructions explain the New Jersey adjustments required to determine income reportable in the various net income categories.

For taxable years beginning after December 31, 2004, New Jersey income tax law has uncoupled from some provisions of the IRC section 199 deduction. The New Jersey allowable IRC section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction.

Enclose a copy of the NJK-1(s) or Federal K-1(s).

If the income from a grantor trust is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. The grantor must report the interest, dividends, capital gains, business income, partnership income, net pro rata share of S corporation income, etc. in the categories of income as required for gross income tax purposes and not as income from Estates and Trusts. Enclose a copy of the New Jersey or Federal Grantor Trust Attachment.

For more information see Tax Topic Bulletin GIT-12, *Estates and Trusts*.

Line 27a - Pension Exclusion

COLUMN A

You qualify for the New Jersey pension exclusion if:

- You (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older or disabled as defined by Social Security guidelines on the last day of the tax year; and
- Total income from Line 26, Column A, for the entire year was \$100,000 or less.

NOTE: If the amount on Line 26, Column A, is more than \$100,000, you are not eligible for the pension exclusion. You may still be eligible for a special exclusion of up to \$6,000. See the instructions for Line 27b on page 24 to determine if you qualify for this special exclusion.

If you qualify for the pension exclusion, you may exclude all or a part of the income you received during the year from taxable pensions, annuities, and IRA withdrawals. You may exclude up to \$20,000 (filing status married/CU couple,

filing joint return), \$15,000 (filing status single, head of household, or qualifying widow(er)/surviving CU partner), or \$10,000 (filing status married/CU partner, filing separate return).

Enter on Line 27a, Column A, the lesser of the amount reported on Line 21, Column A, or the amount next to your filing status from the Maximum Pension Exclusion chart below. The amount on Line 27a should never be more than the amount on Line 21. Part-year nonresidents, see page 5.

When you and your spouse/civil union partner file a joint return and only one of you is 62 years of age or older or disabled, you may still claim the maximum pension exclusion. However, only the pension, annuity, or IRA withdrawal of the spouse/civil union partner who is 62 years of age or older or disabled may be excluded.

TAX TIP

If you and/or your spouse/ civil union partner were 62 years of age or older on

the last day of the tax year and the maximum pension exclusion amount for your filing status is more than the amount of your reportable pension, or you did not use the pension exclusion because you did not report any taxable pensions, annuities, and IRA withdrawals, you may still qualify for other income exclusions. See the instructions for Line 27b, "Other Retirement Income Exclusion." Part-year nonresidents, see page 5.

COLUMN B

Pension, annuity, and IRA withdrawal income is not taxable to nonresidents. Therefore, no entry is necessary on Line 27a, Column B.

Line 27b - Other Retirement Income Exclusion

If you (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There are two parts to the total exclusion: Part I, the unclaimed portion of your pension exclusion, and Part II, a special exclusion for taxpayers who are unable to receive Social Security or Railroad Retirement benefits. Each part has different eligibility requirements. Use Worksheet D to calculate the total exclusion amount you are eligible to claim. If you were a partyear nonresident, do not complete the worksheet. See page 5.

- I. Unclaimed Pension Exclusion. You are eligible to use the unclaimed portion of your pension exclusion on Line 27b if:
 - You (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year; and
 - Total income from Line 26, Column A, for the entire year was \$100,000 or less; and
 - Income from wages, net profits from business, distributive share of partnership income, and net pro rata share of S corporation income totaled \$3,000 or less; and
 - You did not use the maximum pension exclusion on Line 27a (your taxable pension, annuity, or IRA withdrawal was less than the exclusion amount for your filing status or you did not receive pension, annuity, or IRA withdrawal income).
- II. Special Exclusion for Taxpayers Unable to Receive Social Security or Railroad Retirement Benefits. This benefit is not related to the pension exclusion and, if you qualify, you may claim it whether or not you use the maximum pension exclusion. You qualify for this additional exclusion on Line 27b if:

Exemptions and Deductions (Lines 30–36)

New Jersey allows deductions only for exemptions, certain medical expenses, qualified Archer medical savings account (MSA) contributions, health insurance costs of the self-employed, alimony and separate maintenance payments, qualified conservation contributions, a health enterprise zone deduction for qualified taxpayers, and an alternative business calculation adjustment for taxpayers with business losses. No deduction is allowed for adjustments taken on the Federal return such as employee business expenses, IRA contributions, and Keogh Plan contributions. However, be sure to keep records of all contributions to IRAs and Keogh Plans. You will need this information when you make withdrawals in future years. Part-year nonresidents must follow the guidelines on page 5.

Add together the exemption amounts calculated above and enter the total on Line 30, Form NJ-1040NR.

Line 31 - Medical Expenses

You may deduct certain medical expenses that you paid during the year for yourself, your spouse/civil union partner or domestic partner, and your dependents. However, you cannot deduct expenses for which you were reimbursed. Only expenses in excess of 2% of your income may be deducted. You may also deduct qualified Archer MSA contributions. Use Worksheet E on page 26 to calculate your deduction for medical expenses/Archer MSA contributions.

Allowable Medical Expenses. Medical expenses means nonreimbursed payments for physicians, dental and other medical fees, prescription eyeglasses and contact lenses, hospital care, nursing care, medicines and drugs, prosthetic devices, X-rays, and other diagnostic services conducted by or directed by a physician or dentist. In addition, medical expenses may also include amounts paid for transportation primarily for and essential to medical care and insurance (including amounts paid as premiums under Part B of Title XVIII of the Social Security Act, relating to supplementary medical insurance for the aged) covering medical care. As a general rule, medical expenses allowed for Federal income tax purposes will be allowed for New Jersey income tax purposes.

NOTE: Do not include on line 1, Worksheet E

- Contributions you made to an Archer MSA or any amounts paid or disbursed from an Archer MSA that have been excluded from gross income; or
- Any amounts taken as a deduction on line 5, Worksheet E, for the health insurance costs of the self-employed.

Line 31 - Medical Expenses - continued

Archer MSA Contributions. Enter on line 4, Worksheet E, the amount of your qualified contributions from Federal Form 8853. New Jersey follows the Federal rules for this deduction. Your contribution may not exceed 75% of the amount of your annual health plan deductible (65% if you have a self-only plan). Enclose Federal Form 8853 with your return. Excess contributions that you withdraw before the due date of your tax return are not taxable. However, you must report the earnings associated with the excess contributions you withdraw as wages on Line 14, Column A and Column B.

Self-Employed Health Insurance

Deduction. If you are considered a selfemployed individual for Federal income tax purposes, or you received wages in 2012 from an S corporation in which you were a more-than-2% shareholder, you may deduct the amount you paid during the year for health insurance for yourself, your spouse/civil union partner or domestic partner, and your dependents. The amount of the deduction may not exceed the amount of your earned income, as defined for Federal income tax purposes, derived from the business under which the insurance plan is established. You may not deduct any amounts paid for health insurance coverage for any month during the year in which you were eligible to participate in any subsidized

health plan maintained by your (or your spouse's/civil union partner's or domestic partner's) employer.

NOTE: For Federal purposes you may be able to deduct amounts paid for health insurance for any child of yours who was under age 27 at the end of 2012. However, for New Jersey purposes you may deduct such amounts only if the child was your dependent. For more information see Division Technical Advisory Memorandum TAM-14.

Line 32 - Alimony and Separate Maintenance Payments

Enter on Line 32 the amount of alimony and separate maintenance paid which was required under a decree of divorce/dissolution or separate maintenance. Do not include payments for child support.

Line 33 - Qualified Conservation Contributions

The amount of the deduction is the amount of the contribution allowed as a deduction in computing your taxable income for Federal income tax purposes. Line 37 - Taxable Income

Subtract Line 36 from Line 29, Column A, and enter the result on Line 37. If Line 37 is zero or less, enter "0."

Line 38 - Tax on Amount on Line 37

Compute your tax by using one of the following methods.

Line 38 - Tax on Amount on Line 37 - continued

Tax Table. If your taxable income from all sources on Line 37 is less than \$100,000, you may use the New Jersey Tax Table on page 34 or the New Jersey Tax Rate Schedules on page 43 to find your tax. When using the tax table, be sure to use the correct column. After you have found your tax, enter the amount on Line 38.

Tax Rate Schedules. You must use the New Jersey Tax Rate Schedules on page 43 if your taxable income from all sources on Line 37 is \$100,000 or more. Use the correct schedule for your filing status. After you have calculated your tax, enter the amount on Line 38.

Line 39 - Income Percentage

To figure your income percentage, divide the amount on Line 29 in Column B by the amount on Line 29 in Column A.

Carry your result to four decimal places. For example, if the amounts used were \$20,000 (Line 29, Column B) divided by \$30,000 (Line 29, Column A), the result would be 66.67% or .6667. In certain situations, however, the income percentage can exceed 100%.

NOTE: The income percentage can exceed 100%. For example, a taxpayer realizes a \$50,000 gain from the sale of real property in New Jersey and sustains a \$10,000 loss from the sale of property in Florida. This nonresident (who has no other income) reports \$40,000 as his income from everywhere (Column A) and \$50,000 as income from New Jersey sources (Column B). The income percentage is 125% (or 1.25) calculated as follows: \$50,000 (Line 29, Column B) divided by \$40,000 (Line 29, Column A).

Line 40 - New Jersey Tax

Multiply the amount on Line 38 by the income percentage on Line 39, and enter the result on Line 40. This is your New Jersey tax.

Line 41 - Sheltered Workshop Tax Credit

Enter on Line 41 your Sheltered Workshop Tax Credit for the current year from Part IV, line 12 of Form GIT-317. Enclose a copy of Form GIT-317 with your return

and retain a completed copy for your records.

Line 42 - Balance of Tax

Subtract Line 41 from Line 40 and enter the result on Line 42.

Line 43 - Penalty for Underpayment of Estimated Tax

New Jersey's income tax is a "pay as you go" tax. You must pay the tax as you earn or receive income throughout the year. If you do not pay enough tax on the income you received, you may owe interest (see "Estimated Tax" on page 10).

To determine the amount of interest for the underpayment of estimated tax, complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts. Enter on Line 43 the amount of interest due from line 19, Form NJ-2210. Be sure to check the box at Line 43 and enclose Form NJ-2210 with your return.

All W-2 and 1099 statements must reflect your correct social security number for the withholdings to be credited. If the social security number is missing or incorrect, you must obtain a corrected statement. Only your employer/payer can issue or correct these forms. If you have not received a W-2 or 1099 form by February 15, or if the form you received is incorrect, contact your employer/payer immediately.

These are **not** New Jersey income tax withholdings and may not be used as credits on Line 45.

See instructions for Lines 48, 49, and 50 for more information on unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and/or family leave insurance contributions.

Form 1099. Although most 1099 forms do not show state withholding, New Jersey income tax may have been withheld from income you received that was reported on Form 1099-R or 1099-MISC. Enter on Line 45 the total amount of New Jersey income tax withheld, if any, shown on those statements. Enclose the state copy of Form 1099-R or 1099-MISC with your return only if New Jersey income tax was withheld.

UI/WF/SWF; DI; FLI Credits (Lines 48–50)

You may take credit for excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and/or family leave insurance contributions withheld by two or more employers. For 2012, the maximum employee unemployment insurance/ workforce development partnership fund/ supplemental workforce fund contribution was \$128.78, the maximum employee disability insurance contribution was \$60.60, and the maximum employee family leave insurance contribution was \$24.24. If you had two or more employers and you contributed more than the maximum amount(s), you must enclose a completed Form NJ-2450 with your return to claim the credit.

If any single employer withheld more than the maximum for either UI/WF/SWF (\$128.78), disability insurance (\$60.60), or family leave insurance (\$24.24) contributions, enter only the maximum amount for that category on Form NJ-2450. You must contact the employer who withheld contributions in excess of the legal maximum for a refund.

All information on Form NJ-2450 must be substantiated by W-2 statements or the claim will be denied. The amounts of unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and family leave insurance contributions withheld must be reported separately on all W-2 statements. The employer's New Jersey Taxpayer Identification Number **or** approved private plan number must also be shown. See sample W-2 on page 16.

Be careful when completing Form NJ-2450 and check that your W-2 verifies the information you provide. If **all** New Jersey Department of Labor and Workforce Development requirements

are not met, your income tax credit must be denied. You must then refile your claim with the Department of Labor and Workforce Development using their Form UC-9A, "Employee's Claim for Refund of Excess Contributions." Once your income tax credit for excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and/or family leave insurance contributions has been denied, it can only be claimed through the Department of Labor and Workforce Development.

Part I - Disposition of Property (Lines 57–60)

For information regarding grantor trusts see the reporting instructions for Line 25 on page 22.

Use Part I to report all other capital gains and income from the sale or exchange of any property (both inside and outside New Jersey). In arriving at your gain, you may deduct expenses of the sale and your adjusted basis in the property. The basis to be used for computing gain or loss is the cost or adjusted basis determined for Federal income tax purposes.

NOTE: If you sold or transferred real property in New Jersey and were required to make estimated tax payments in connection with the sale or transfer, be sure to include such payments on Line 46.

Part I - Disposition of Property - continued

depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the gain or loss on disposition of applicable property.

TAX TIP

If you had an interest in a partnership, a sole proprietorship, or an

S corporation which sold or disposed of virtually all of its assets in conjunction with the *complete liquidation* of the entity, then your portion of the gain or loss from the entity's sale or disposition of its assets must be reported as net gains or income from the disposition of property.

If you sold an interest in a partnership, a sole proprietorship, or rental property, you may be required to use a New Jersey adjusted basis. If you sold shares in an S corporation, you **must** use your New Jersey adjusted basis. The gain or loss from your sale or liquidation of a sole proprietorship, a partnership interest, or shares of S corporation stock must be reported as net gains or income from disposition of property in Part I.

For information on calculating your New Jersey adjusted basis and your New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1(c)5 (trade or business property), 18:35-1.3(d)2 (partnerships), or 18:35-1.5(k) (S corporations) and Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.

All gains derived from installment sales must be reported in the same year as reported for Federal income tax purposes. If the New Jersey basis differs from the Federal basis, a New Jersey installment sale calculation must be made and the New Jersey gain must be reported.

If the spaces provided are not sufficient, enclose a statement with the return listing any additional transactions.

Sale of a Principal Residence. If you sell your principal residence, you may qualify to exclude up to \$250,000 (\$500,000 for certain married/civil union couples filing a joint return) of any gain from your income. Capital gain is computed in the same manner as for Federal income tax purposes. Any amount that is taxable for Federal purposes is taxable for New Jersey purposes.

You can claim the exclusion if, during the 5-year period ending on the date of the sale, you have:

- 1. Owned the home for at least 2 years (the ownership test); and
- 2. Lived in the home as your principal residence for at least 2 years (the use test).

NOTE: If you owned and used the property as your principal residence for less than 2 years, and you qualify for a reduced exclusion for Federal purposes, you may claim a reduced exclusion for New Jersey purposes.

You can exclude up to \$250,000 (\$500,000 for certain married/civil union couples filing a joint return) of gain from the sale of your principal residence if **both 1 and 2** below apply.

- 1. Neither you nor your spouse/civil union partner if filing a joint return is excluding gain from the sale of another home.
- 2. You or your spouse/civil union partner if filing a joint return owned and lived in the home for periods adding up to at least 2 years within the 5-year period ending on the date of sale.

If you are a married/civil union couple, filing a joint return, **both** you and your spouse/civil union partner must meet the use test to qualify for the \$500,000 exclusion.

If only one spouse/civil union partner meets the ownership and use tests, the qualified spouse/civil union partner can exclude up to \$250,000 of the gain when

filing either a joint return or a married/CU partner, filing separate return.

You cannot exclude the gain on the sale of your principal residence if, during the 2-year period ending on the date of the sale, you sold another home at a gain and excluded all or part of that gain. If you cannot exclude the gain, you must include it in your income and complete Part I. However, you can claim a reduced exclusion if you sold the home due to a change in health or place of employment and you qualify for a reduced exclusion for Federal purposes.

Line 57 - List of Transactions

List at Line 57, Part I, any reportable transaction(s) from your Federal Schedule D, indicating the gain or loss for each transaction in Column f. In listing the gain or loss on disposition of rental property, the New Jersey adjustment from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, line 6 must be taken into consideration. Be sure to retain the completed worksheet for your records. The Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses when reporting income on Form NJ-1040NR. You may deduct Federal passive losses in full in the year incurred against any gain within the same category of income, but only in the year that it occurred.

Schedule NJ-BUS-1 Business Income Summary Schedule

Part I - Net Profits From Business

Use Part I to report the net profits or loss from every business, trade, or profession in which you were engaged. If the spaces provided are not sufficient, enclose a statement with the return listing any additional businesses and the related profit or loss along with Schedule NJ-BUS-1.

To determine your New Jersey profit or loss, first complete a Federal Schedule C (or Schedule C-EZ or F) for each business. Use the same accounting method (cash or accrual) that you used for Federal income tax purposes.

To comply with New Jersey income tax law you must make the following adjustments to your Federal Schedule C (or C-EZ or F):

- 1. Add any amount you deducted for taxes based on income.
- Subtract interest you reported on Federal Schedule C (or C-EZ or F) which is exempt for New Jersey purposes but taxable for Federal purposes.
- 3. Add interest not reported on Federal Schedule C (or C-EZ or F) from states or political subdivisions outside of New Jersey which is exempt for Federal purposes.
- 4. Deduct the remaining 50% of meal and entertainment expenses (that were disallowed on the Federal return).

- 5. Deduct your qualified contributions to a self-employed 401(k) plan. Contributions to a plan in excess of the Federal limits, which are not an allowable deduction for Federal tax purposes, are also not deductible for New Jersey purposes.
- 6. Add interest and dividends derived in the conduct of a trade or business.
- Add or subtract income or losses derived in the conduct of a trade or business from rentals, royalties, patents, or copyrights.
- 8. Add or subtract gains or losses from the sale, exchange, or other disposition of the trade or business's property.
- 9. Add or subtract the net adjustment from the Gross Income Tax

Sole proprietors engaged in providing "primary care" medical and/or dental services at a qualified practice located in or within five miles of a designated Health Enterprise Zone (HEZ) may qualify for a deduction on Line 34. For information on eligibility requirements and how to calculate the HEZ deduction, see Division Technical Bulletin TB-56

Anyone engaged in a business, trade, profession, or occupation in New Jersey must register with the State for tax purposes by filing a Business Registration Application, Form NJ-REG. Form NJ-REG may be filed online through the Division of Revenue's NJ Business Gateway Services at: www.state.nj.us/treasury/revenue/.

For information regarding grantor trusts see the reporting instructions for Line 25 on page 22.

Use Part II to report all other net gains or income less net losses from rents, royalties, patents, and copyrights. If the spaces provided are not sufficient, enclose a statement with the return listing any additional property and income or loss along with Schedule NJ-BUS-1.

New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the net gain, income, or loss resulting from the rental of applicable property.

The Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses when reporting income on Form NJ-1040NR. Thus, you may deduct Federal passive losses in full in the year incurred against any gain within the **same category** of income.
