A Step-By-Step Guide

How to Submit a Purchase Authorization

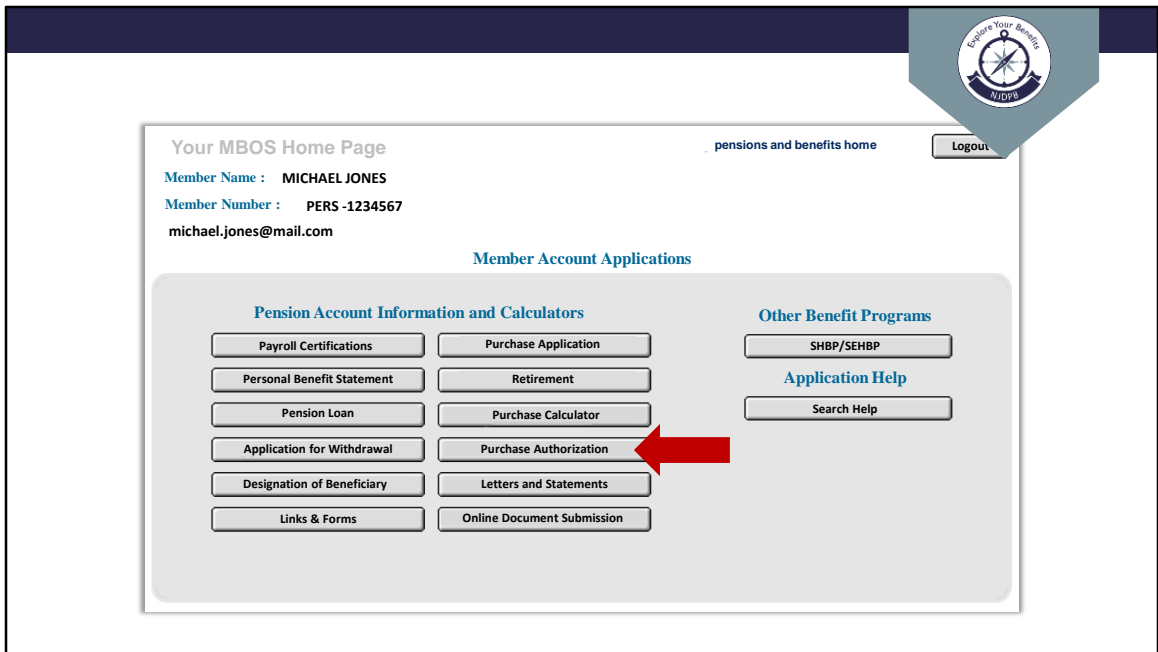

For Active PERS, TPAF, and PFRS Members

This step-by-step guide will assist active Public Employees' Retirement System (PERS), Teachers' Pension and Annuity Fund (TPAF), and Police Firemen's Retirement System (PFRS) members with submitting authorization for payroll deductions if they have been approved to purchase service credit and wish to pay for their purchase through this payment method only. If you wish to pay for your approved purchase of service through a lump sum payment, a direct trustee-to-trustee rollover, or a combination of payment methods, you cannot use this MBOS feature.

Active pension members can use the Member's Benefit Online System (MBOS) to authorize payroll deductions for their purchase. Authorized users can register for an MBOS account here: <https://www.nj.gov/treasury/pensions/mbos-register.shtml>

For assistance with the registration process, see the *Active MBOS Registration* video in our video gallery: <https://www.nj.gov/treasury/pensions/videos.shtml>

Please note, if you have already registered for MBOS, you will not be able to register again. If you need assistance accessing your existing MBOS account, please see our MBOS Troubleshooting videos in our video gallery.

Once you have accessed your MBOS account, click the “Purchase Authorization” button to begin.

To exit the purchase authorization anytime before your final submission, click the “Home” button located at the top of your MBOS screen.

Please read the Terms of Agreement before selecting the agree button.

**TERMS OF AGREEMENT
PURCHASE AUTHORIZATION FOR SCHEDULED PAYROLL DEDUCTIONS ONLY**

This authorization is an agreement to purchase additional service credit through scheduled purchase (arrear) payroll deductions. Total repayment will include an interest assessment.

I understand that no refunds will be made of any installment payments.

I understand that I may **cancel** this purchase at any time on a prospective basis only. If I elect to cancel payroll deductions, I will receive prorated credit for the service purchased to the date installment payments cease. To cancel arrear payroll deductions, I must submit a signed, written request to the Adjustments Section of the Division of Pension and Benefits. If I cancel the purchase, any future request to purchase the remaining service will be based on eligibility criteria and cost factors in effect at that time.

I may also choose to pay off the remaining balance of my purchase (arrear) payroll deductions by requesting a lump sum payoff figure from the Adjustments Section.

If I return to employment following a period of inactivity or leave of absence, I must notify my employer to resume my arrear deductions for this purchase.

If I am on a leave of absence for two or more years, additional interest will be assessed on any outstanding balance of my purchase; however, if I separate from employment for two or more years (other than for a leave of absence), the purchase will be canceled and the service credit prorated.

If I retire with an existing arrear balance due for this purchase, I will be required to pay off the purchase or request a proration of service, prior to receiving a retirement benefit.

I understand that once an arrear deduction schedule has been authorized, no subsequent partial payments may be submitted towards this purchase and **no further changes will be accepted for the schedule.**

If you are a member of the Public Employees' Retirement System (PERS) or the Teachers' Pension and Annuity Fund (TPAF) and you request to purchase Out-of-State or Federal Government purchase(s) after November 2, 2008, such service cannot be used to qualify for any state-paid or employer-paid health benefits. For additional details, click [here](#).

In addition, **for members of all pension plans**, the purchase of Out-of-State, Federal, or Military service credit cannot be used for Ordinary Disability retirement qualification. For additional details, click [here](#).

Chapter 78, P. L. 2011, changed how purchases of service credit made after June 28, 2011 affect the cost of post-retirement medical benefits. For additional details, click [here](#).

I agree to comply with these terms of agreement for the purchase authorization of scheduled payroll deductions.

Thoroughly read through the “Terms of Agreement” for purchase authorization for scheduled payroll deductions that appears.

Once you are done, click “Agree” to go on to the next page.

If you cannot agree to these terms, click “Disagree” and the authorization will close.
